SANTIAGO NICHOLSON

When Beauty Tamed the Beast Bloomsbury Publishing

Olivia Langdon Clemens was not only the love of Mark Twain's life and the mother of his children, she was also his editor, muse, critic and trusted advisor. She read his letters and speeches. He relied on her judgment on his writing, and readily admitted that she not only edited his work, but also edited his public persona. Until now, little has been known about Livy's crucial place in Twain's life. In Resa Willis's affecting and fascinating biography, we meet a dignified, optimistic woman who married young, raised three sons and a daughter, endured myriad health problems and money woes and who faithfully traipsed all over the world with Twain--Africa, Europe, Asia--while battling his moodiness and her frailty. Twain adored her. A hard-drinking dreamer with an insatiable wanderlust, he needed someone to tame him. It was Livy who encouraged him to finish his autobiography even through the last stages of her illness. When she died in 1904, Twain's zest for life and writing was gone. He died six years later. A triumph of the biographer's art, Mark and Livy presents the fullest picture yet of one of the most influential women in American letters.

Hysteria, Perversion, and Paranoia in "The Canterbury Tales" Manchester University Press

An indispensable reference tool for Shakespeare students and enthusiasts, this compact guide provides authoritative summaries of each of Shakespeare's works.

Tamer Springer

Tucked away in Siberia, there are furry, four-legged creatures with wagging tails and floppy ears that are as docile and friendly as any lapdog. But, despite appearances, these are not dogs—they are foxes. They are the result of the most astonishing experiment in breeding ever undertaken—imagine speeding up thousands of years of evolution into a few decades. In 1959, biologists Dmitri Belyaev and Lyudmila Trut set out to do just that, by starting with a few dozen silver foxes from fox farms in the USSR and attempting to recreate the evolution of wolves into dogs in real time in order to witness the process of domestication. This is the extraordinary, untold story of this remarkable undertaking. Most accounts of the natural evolution of wolves place it over a span of about 15,000 years, but within a decade, Belyaev and Trut's fox breeding experiments had resulted in puppy-like foxes with floppy ears, piebald spots, and curly tails. Along with these physical changes came genetic and behavioral changes, as well. The foxes were bred using selection criteria for tameness, and with each generation, they became increasingly interested in human companionship. Trut has been there the whole time, and has been the lead scientist on this work since Belyaev's death in 1985, and with Lee Dugatkin, biologist and science writer, she tells the story of the adventure, science, politics, and love behind it all. In *How to Tame a Fox*, Dugatkin and Trut take us inside this path-breaking experiment in the midst of the brutal winters of Siberia to reveal how scientific history is made and continues to be made today. To date, fifty-six generations of foxes have been domesticated, and we continue to learn significant lessons from them about the genetic and behavioral evolution of domesticated animals. *How to Tame a Fox* offers an incredible tale of scientists at work, while also celebrating the deep attachments that have brought humans and animals together throughout time.

The Woman's Part Vintage

This New Mermaids anthology brings together four plays which centre around female characters on stage: *A Woman Killed With Kindness* (Thomas Heywood); *The Tamer Tamed* (John Fletcher); *The Duchess of Malfi* (John Webster) and *The Witch of Edmonton* (William Rowley, Thomas Dekker and John Ford) with a new introduction by leading scholar Emma Smith. *A Woman Killed with Kindness* is a domestic tragedy of property and marriage, adultery and revenge, and strips bare two women's lives in one of the first tragedies ever to be written about ordinary people. *The Tamer Tamed* is a free-wheeling and witty comedy in which the place and status of women, and the nature of marriage, are subjected to sustained attention, demonstrating one way in which early modern writers were able to challenge and invert social convention, and to at least imagine alternative modes of behaviour. *The Duchess of Malfi* is a classic revenge tragedy and masterpiece of the Jacobean bizarre, featuring a severed hand, a wolf-man, and a poisoned Bible. *The Witch of Edmonton* is a domestic tragedy in which Elizabeth Sawyer sells her soul to the Devil to revenge her neighbours. These four early modern plays plays upset old certainties about gender ideology: less 'chaste, silent and obedient' and more diverse, eloquent, and complex.

Katharina and Petruchio Routledge

"This classic 1611 sequel to Shakespeare's *Shrew* convinced the Bard to take Fletcher on as his partner and then his successor as chief writer for the King's Men. The widowed Petruchio has just taken Kate's cousin Maria as his second wife - but this time he gets his comeuppance! A brilliant proto-feminist comedy now fully accessible in streamlined acting version" -- Publisher's website.

Shawn O'Brien, Town Tamer University of Illinois Press

Explores dramatic, narrative and polemical versions of the 'taming of the shrew' story, from the Middle Ages to the Restoration, in light of recent historical work on the position of early modern women in society. Its essays address shrew narratives as an extended cultural dialogue debating issues of gender and sexual politics.

Women on the Early Modern Stage Harvest House Publishers

He's sexy, charming, and has a panty-melting smirk. She's swearing off men. Two weeks on the beach is what they both need—no strings attached, no expectations, no broken hearts. Alex Bishop is every girl's wet fantasy and he knows it too. After wining and dining his dates, he always sends flowers and calls the next day—even if it's to say, "let's just be friends." His mama taught him manners after all and his Southern blood knows how to be a gentleman. Still, that isn't enough to tame his wild ways. River Lancaster has a broken heart and decides to fly to Key West, Florida. Tired of cheaters and liars, she's set on escaping to forget he ever existed. Who needs a man when there's an all-you-can-drink margarita bar, anyway? That's what she tells herself until she bumps into the right guy who can make all those bad memories disappear. Even if it's only temporarily. Too bad the universe has other plans—one that'll change the entire course of their lives in just nine short months.

The Basset Table University of Chicago Press

Lysistrata Aristophanes - Greek playwright, Aristophanes, lived during the 5th and 4th century BC and is considered one of the principal authors of the Greek classical period. Of the nearly thirty plays

he wrote during his career, eleven are extant. Amongst the most famous of these is *Lysistrata*, a comedy which focuses on the women of Greece whose husbands have left for the Peloponnesian War. The women do not care about the conflict as much as they care about missing their husbands. Its titular character, Lysistrata, insists that men rarely listen to women's reasoning and exclude their opinions on matters of state. In retaliation she convinces the women of Greece to organize a strike, refusing to have sex with their husbands until both sides agree to cease fighting. The irony of this is that the men become more upset with their wives than they do with their enemies of war. Notable for its positive portrayal of women's rationality in a male-dominated society, *Lysistrata* stands as one of the most popular and frequently performed plays from classical antiquity.

The Woman's Prize, Or The Tamer Tamed, by John Fletcher Cambridge University Press

The Taming of the Shrew, Critical Essays provides comprehensive and up-to-date critical readings of the play. The editor has selected essays that offer the most influential and controversial arguments surrounding the play.

Lysistrata De Gruyter Mouton

"Eloisa James's writing is absolutely exquisite." —New York Times bestselling author Teresa

Medeiros "Nothing gets me to a bookstore faster than a new novel by Eloisa James." —New York

Times bestselling author Julia Quinn A wonderful spin on a much-loved fairy tale, *Eloisa James's When Beauty Tamed the Beast* is heart-soaring and fun historical romance at its finest. No wonder *People* magazine raves about her books, saying, "Romance writing does not get much better than this." Eloisa's delightful take on *Beauty and the Beast* unfolds in Regency England, where a beastly, bad-tempered Earl matches wits with a brazen beauty who has vowed to make the handsome grump fall in love with her in two short weeks.

Mark and Livy I. E. Clark Publications

What was it like to be a woman when England was ruled by a queen, but women had almost no legal power? When marriage cost women their property rights? When the ideal woman was rarely seen and never heard in public? In other words, what was it like to be a woman in England between 1525 and 1675? Suzanne Hull, in *Women According to Men* answers these questions and more, taking a fascinating look at how women were described, and prescribed to act, by men during that time. Hull, the first woman ever appointed as a Principal Officer at the Huntington Library as well as the author of *Chaste, Silent and Obedient*, uses her years of experience researching 16th- and 17th-century texts to provide you with an authentic look at the state of women during the Elizabethan era. Through an examination of texts written during that time about and for women, Hull elucidates what the rules for women were then, as well as discussing health habits, household remedies, theories on conception, the care of children, the making of food, fashion and more.

The Tamer Tamed; Or, The Woman's Prize J-Novel Club

The Basset Table follows the fortunes of Lady Reveller, who runs a table where her friends play the card game basset, and her struggle to avoid marrying Lord Worthy. Meanwhile, Lady Reveller's cousin, Valeria, spends her time conducting scientific experiments and dissections, but her father intends to marry her off to the bluff sea-captain Hearty. How can Lady Reveller be persuaded to forego the delights of gambling? And how can Valeria avoid an unwanted marriage? This witty play paints a seductive picture of the thrills of the Restoration gaming table and challenges contemporary stereotypes of the learned lady. Appendices to this Broadview Edition include materials on female education, gambling, and writing for the stage, as well as eighteenth- and nineteenth-century critical writing on *Centlivre* and *The Basset Table*.

The Tamer Tamed Pinnacle Books

The USA Today bestselling authors of the *Brothers O'Brien* series now present the untold saga of Shawn O'Brien . . . A man who tamed the West—one town at a time Unlike his brothers Jacob, Sam, and Patrick, Shawn O'Brien isn't content to settle down on the family ranch in New Mexico Territory. With his razor-sharp eye, lightning-fast draw, and burning thirst for justice, Shawn is carving out a reputation of his own. As a town tamer he takes the most dangerous, lawless towns in the West and makes them safe for decent men, women, and children. When a stagecoach accident leaves Shawn stranded in Holy Rood, Utah, it doesn't take long to realize he's landed in one ornerly circle of hell. Ruled by a cruel and cunning crook-turned-merciless dictator named Hank Cobb, Holy Rood is about as unholy a place as any on the frontier. Anyone who breaks Cobb's rules is severely punished. Anyone who defies Cobb's hooded henchmen dies by rope, stake, or guillotine. But Shawn O'Brien isn't just anyone. He's the town tamer. And this time, he's going to paint the town red . . .

Sapho and Phao, 1584 Bloomsbury Publishing

This edition of John Fletcher's *The Woman's Prize* is based upon the Lambarde Manuscript, held by the Folger Shakespeare Library. The edition is photofacsimile, since it is in a clear hand that requires no corresponding diplomatic transcription. The manuscript includes passages expurgated from the text printed in the Beaumont and Fletcher first folio of 1647. The introduction to the edition considers the provenance, characteristics, and dating of the manuscript, and Henry Herberts censorship of the play for its 1633 revival.

Monster Tamer: Volume 2 Oxford University Press, USA

The Tamer Tamed is the subtitle or alternative title to John Fletcher's *The Woman's Prize*, a comedic sequel and reply to *The Taming of the Shrew*. The plot switches the gender roles of Shakespeare's play: the women seek to tame the men. Katherine (the "shrew" of the original) has died, and Petruchio takes a second wife, Maria. Maria denounces her former mildness and vows not to sleep with Petruchio until she "turn him and bend him as [she] list, and mold him into a babe again." After many comedic exchanges and plot twists, Petruchio is finally "tamed" in the eyes of Maria, and the play ends with the two reconciled. The play is seen to reflect how society's views of women, femininity, and "domestic propriety" were beginning to change. It is said that Fletcher wrote this play to attract Shakespeare's attention - the two went on to collaborate on at least three plays together. This brand new New Mermaid edition offers unique and fresh insight into the critical interpretation of the play. It builds on current critical foundations (the relationship with *Taming of the Shrew*, gender relations etc) and suggests different areas of interest (popular associations of the shrew, the question of reputation, and a re-examination of the play's structure). as well as examining stage history and recent productions.

Women According to Men Penguin

Goodnight Desdemona (Good Morning Juliet) is an exuberant comedy and feminist revisioning of Shakespeare's *Othello* and *Romeo and Juliet*. It takes us from a dusty office in Canada's Queen's

University, into the fraught and furious worlds of two of Shakespeare's best-known tragedies, and turns them upside-down. Constance Ledbelly is the beleaguered "spinster" academic, and unlikely heroine who embarks on a quest for Shakespearean origins and, ultimately, her own identity. When she deciphers an ancient and neglected manuscript, Constance is propelled through a very modern rabbit hole and lands smack in the middle of the tragic turning points of each play in turn. Her attempts to save first Desdemona, then Juliet, from their harrowing fates, result in a wild unpredictable ride through comedy and near-tragedy, as mild-mannered Constance learns to love, sword-fight, dance Renaissance-style, and master a series of disguises... Goodnight Desdemona (Good Morning Juliet) a gender-bendy, big-hearted and crazily intelligent romp, where irony and anger sing in perfect harmony with innocence and poignancy.

Aglaura Cambridge University Press

Most government programs seeking to aid democracy abroad do not directly confront dictators. This book explains how organizational politics 'tamed' democracy assistance.

This Is Shakespeare A&C Black

Control dinosaurs. Tame women. Rule the world. Victor and his tribe of beautiful women prepare to leave their fort and journey to their new base, but as usual with Dinosaurland, things never go

according to plan. Now Victor must protect all of his tribe without the aid of walls, and an old enemy gathers an army to give chase. Victor will have to use every power at his disposal to protect his women, and the journey will uncover new secrets of this strange world.

Secrets of the Friendly Woods Harper Collins

Reception introduces students and academics alike to the study of the way in which texts are received by readers, viewers, and audiences. Organized conceptually and thematically, this book provides a much-needed overview of the field, drawing on work in literary and cultural studies as well as Classics, Biblical studies, medievalism, and the media history of the book. It provides new ways of understanding and configuring the relationships between the various terminologies and theories that comprise reception study, and suggests potential ways forward for study and research in the light of such new configurations. Written in a clear and accessible style, this is the ideal introduction to the study of reception.

Adaptations of Shakespeare Vintage Canada

This volume in the Malone Society Reprints series consists of a photofacsimile of the Huntington Library copy of the first edition of Lyly's *Sappho and Phao* (1584). The volume is prefaced by a detailed bibliographical introduction, and includes the songs from the play, first published in 1632.
