Heroes aren't supposed to drive beat-up old trucks, and they don't go around breaking a girl's heart. But Garrett Grayson, Macy Joyce's particular hero, does both of those things. Well, Macy doesn't need a hero, just a little bit of help around her ranch. Someone to figure out who's been cutting fences and throwing rocks through her windows. Garrett, who's on leave from the Army, can certainly handle the job. But can Macy handle the way her pulse quickens every time she sees him? Can she handle the way her six-year-old son is starting to look at this man who's lived in her heart since high school? Can she handle it when Garrett leaves—which

she knows he will? As far as Garrett is concerned, the only good thing he's ever done for Macy is leave her behind. He never did deserve a girl like her. But when Macy's brother—and Garrett's former best friend—calls and asks him to help protect her, Garrett agrees, knowing it's only for a short time. Surely he can work on the ranch without getting involved with her. Ever since his misspent youth, Garrett's been trying to redeem himself, to show everyone in the little town of Heartstring that he's not the troublemaker he once was. Breaking Macy's heart again will just prove he hasn't changed a bit. So he's going to stay away from her. He'll just ignore the way his heart feels too big in his chest whenever he sees her, or how she's grown into a gorgeous, sexy woman. He

won't let his feelings show. No matter what. Problem is, he hadn't counted on how tough it would be to walk away—again—from the only girl he'd ever loved.

The sexy, sweet new novel by the national bestselling author of *Want You More* “shows that love and romance can occur in the most unexpected situations” (Publishers Weekly). Colorado’s gorgeous Rocky Mountains set the stage for a breathtaking tale of small-town heart and big-time passion . . . As the oldest of three brothers, Shane Tyler takes his responsibility to the family ranch seriously—and it’s clear to him that the younger man who wants to marry his widowed mother is only looking for a meal ticket. He’s determined to stop the nuptials whatever it takes, but the shy wedding planner his mom hired is harder to intimidate than he expected. When Cora

Preston worked up the nerve to leave her abusive ex and move with her young son to Gracely, it was a huge step. Accepting the position as wedding planner at brand-new Mile High Weddings took even more courage. But Cora's biggest challenge is turning out to be the bride's handsome—and stubborn—oldest son, Shane, and the way the strong-willed cowboy makes her feel. Can the heat crackling between them warm two hearts suspicious of love? Praise for *Want You More*, the third Mile High Romance “An intimate, rewarding romance with a hot hero whose emotional growth is as sexy as his moves in the bedroom.” —Kirkus Reviews “Humorous familial schemes, solidarity, and snark make this a satisfying, intense

romance.”—Publishers Weekly “Helm's tale breathes fresh air into a satisfying second-chance-at-love story . . . Humor pervades the pages as conniving family members strive to bring the pair together.”—RT Book Reviews

Chelsea Karnes has dreamed of moving out west to “wide open spaces” ever since reading her first cowboy romance at age ten. So when Chelsea gets offered a teaching position in an “alternative” elementary school in Texas she sees it as fate's design and goes all in. Even hooking up with a cowboy on her preparation trip to find a place to live. After a childhood spent basically screwing-up everything he cared about, Parker Trent is now a careful man. He's

inherited a sizeable dairy farm from his father and prides himself on the purity of his milk and the purity of his dating record: he only dates tourists. But when his dairy farm's accounts are called into question and his hot hookup from the summer turns up—pregnant—as the alternative school's new kindergarten teacher, not only is his dating record broken, but his world is turned upside down. Chelsea is perfectly happy raising the baby on her own, but Parker refuses to fail at fatherhood. The more time they spend together, the more Parker is determined to show he can be the father their child needs. Recruiting himself to help with the school's adaptive animal program—the program Chelsea happens to run—seems like a chance to show Chelsea that he means business when it

comes to parenting and to get him back into her good graces after his less than excited reaction to their bundle of joy. But spending time with Chelsea has Parker longing to be more than just a father...for the first time in his life he's wondering what it would be like to be a husband too.

He'll take care of Charity, like he's always done. The only thing is, Charity insists she doesn't want or need his help, thank you very much.

Ruby Barclay knows she isn't marrying for love. Love was never the plan. After losing her parents at the age of sixteen

and fighting the state for guardianship of her siblings, Ruby is a pragmatist, not a romantic. And Wesley Landry, a fellow surgeon, is her best option for a safe and stable future. That is until she catches him with the florist's assistant moments before their wedding ceremony. For five years now, Ethan Shuff has watched the love of his life plan her future with another man, a man not even close to worthy of her. Ethan had helped Ruby fight for her siblings. He'd driven her back and forth to med school, then to her residency. He'd only held off on telling her his feelings because she was so determined to have the perfect life, a life he wasn't sure he could give her as a cowboy working with underprivileged kids on the side. He'd only come to her wedding to close that unrequited

chapter of his life for good. But perhaps it wasn't as unrequited as he thought. Because when Ruby falls into his arms for comfort at the church after Wesley's betrayal, they both feel something. He can see it in her eyes. So, when she begs him to whisk her away from the wedding on his motorcycle, Ethan is more than happy to oblige. And even as Ruby tries to convince herself she feels nothing for Ethan but friendship, her repeated dreams of him kissing her say otherwise. Listen for FREE to the incredible Jay Dyess perform this book on the Say with Jay channel on YouTube. Reviews for Dreaming of Her Cowboy's Kiss: ★★★★★ "Ruby was at the church getting married and Ethan was there too, his heart was about to fall out of his chest because the woman he had

secretly loved all his life was marrying somebody else. Would something happen before the wedding to change her mind and if so, how would she escape the pain that it caused and who would be right there to take her away and keep her safe?" - KRP ★★★★★ "A person's love for another person can never be as great as God's love for each and every person. But stories about how two people of good character love one another, give me a glimpse of how God loves me, and of how God loves each of us. Ruby's love for Ethan, and Ethan's love for Ruby are that type of a love story." - Old Dog ★★★★★ "Once again, Jessie helps the word of God collide with the real world, and the hopes and dreams we have in our hearts. Ruby has plans to marry Wesley, while a man who

loves her watches the woman he's loved since they met prepare to walk to the altar. He stands back because circumstances are insurmountable. Well, they are insurmountable to anyone but God. With God, all things are possible. Truly." - L.Gross ★★★★★ "God's hand was very definitely upon Ethan and Ruby's life. I laughed; cringed; sighed and cried throughout this book. Your amazing storytelling wrapped up so many emotions and happenings together that completely captivated me. Thanks for another fascinating book." - Judi T ★★★★★ "This book is another example of why I love Jessie Gussman and her books. This story had heart and soul as it showed how God works in our life if we let him. That doesn't mean that everything is sunshine, but you can be

sure that God will not give you more than you can bear. He brings peace and joy. Jessie shows this and doesn't preach. She will enrich you with her stories showing how character can develop along the way." - HiDesert Granny Books in the Cowboy Mountain Christmas series: Dreaming of Her Cowboy's Kiss Dreaming of His Convenient Kiss Dreaming of Her Secret Santa's Kiss Dreaming of His Snowed In Kiss Dreaming of Her Best Friend's Kiss Dreaming of His Pen Pal's Kiss [A Cowboy for All Seasons](#) Greenwords Media "Helm delves into the depths of her characters' emotions, revealing their foibles and making them incredibly human.
