ROTH JOSIAH

Point of Danger (Triple Threat Book #1) Penguin
This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly

all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Still Life (Chesapeake Valor Book #2) Baker Books

Burning debris littering the ground . . . smoke pluming in the acid air . . . this is just the beginning if he fails. Seven years ago, operative Luke Gallagher vanished to become part of an elite team set on capturing a

deadly terrorist. When Luke returns to face those he left behind, their help becomes his only hope of stopping his target's latest threat of an attack that would shake America to its core. Private investigator Kate Maxwell never stopped loving or looking for Luke after he disappeared. But she also never imagined he left her or his life by choice. Now he's back, and together they must unravel a twisting thread of secrets, lies, and betrayal, all while on the brink of a biological disaster. Will they and their love survive, or will Luke and Kate become the terrorist's next mark?

The Crushing Depths (Coastal Guardians Book #2) Simon and Schuster

Romantic Suspense's Rising Star Continues to Win Fans Blacklisted in

the photography business over a controversial shot, Avery Tate answered an ad for a crime scene photographer. She expected to be laughed at, but crime scene analyst Parker Mitchell hired her outright--and changed her life. But six months ago, when her feelings for Parker became too strong, she left his employ to sort out her heart. Now, for the first time, Avery is facing the world that rejected her to attend the gallery opening of a photography exhibit and support her best friend, who modeled for the show. But the only image of her friend is a chilling photo of her posing as if dead--and the photographer insists he didn't take the shot. Worse, her friend can't be found. She immediately calls Parker for help. As Avery, Parker, and his friends in law enforcement dig into the mystery, they find themselves face-to-face with a relentless and deadly threat.

Shadowed (Sins of the Past Collection) Bantam
 "A former Marine himself, Betley proves himself an able heir to the throne held by the likes of Brad Thor and the late, great Vince Flynn....Not to be missed" (The Providence

Journal). When Logan West impulsively answers a dead man's ringing phone, he triggers a global race against the clock to track down an unknown organization searching for an Iraqi artifact that is central to a planned attack in the Middle East—one that will draw the United States into a major conflict with Iran. Logan, a former Marine officer, is quickly contracted as a "consultant" to assist the FBI as part of a special task force bent on stopping the shadowy operatives, whatever the cost. The battles are nonstop, from the plains of the Midwest, to mansions in northern Mexico, to the war-torn Al-Anbar province, pitting an international team against trained mercenaries employed by the world's largest private security contractor...whose owner has a personal vendetta against the US government. Meanwhile, Logan is battling his own demons, especially the trauma of the ambush that his Force Recon unit suffered at an insurgent torture compound in Fallujah in 2004, which threatens to destroy everything he holds dear. With high-stakes and fully-realized characters,

Overwatch is a thriller unlike any you've read before: deftly plotted, up-to-the-minute, and impossible to put down. Albion's Seed Baker Books
 When an accident claims the life of an oil-rig worker on the first drilling platform off the North Carolina coast, Coast Guard investigators Rissi Dawson and Mason Rogers are sent to take the case. Tensions surrounding the oil rig are high and the death has everyone on edge. Environmental activists are threatening to do whatever it takes to stop the structure from being completed, while rumors are being whispered about ancient curses surrounding this part of the ocean. Mounting evidence shows the death may not have been an accident at all. Was he killed by one of the activists or, perhaps more frighteningly, a member of his own crew? Rissi and Mason have to sort through not only a plethora of suspects, but also their own past and attraction to each other. Just as the case seems like it'll break open, worse news arrives. A tropical storm has turned their way and soon they're cut off from any rescue--and right where the killer

wants them. It's a race to discover his identity before he eliminates the threat they pose.

Always Watching (Elite Guardians Book #1)

Applewood Books

Lieutenant Eve Dallas tails a serial killer who has a passion for the "Twelve Days of Christmas" in this novel in the #1 New York Times bestselling In Death series. No one likes to be alone during the holidays. For New York's most posh dating service, Personally Yours, it is the season to bring lonely hearts together. But Lieutenant Eve Dallas, on the trail of a ritualistic serial killer who likes to dress up as Santa Claus, has made a disturbing discovery: all of the victims have been traced to Personally Yours. As the murders continue, Eve enters into an elite world of people searching for their one true love. A world where the power of love leads men and women into the ultimate act of betrayal...

1861 Baker Books

Coral and Brass is the biography of General Holland McTyeire "Howlin' Mad" Smith, known as the "father" of modern U.S. amphibious warfare. His book is a riveting first-hand account of key battles fought in the Pacific between the U.S.

Army and Canadian troops against the Japanese, including assaults on the Gilbert Islands, the Marshall Islands, the island of Saipan, Tinian in the Marianas and Iwo Jimo. Cold Shot (Chesapeake Valor Book #1) Oxford University Press
Thayer Soule couldn't believe his orders. As a junior officer with no military training or indoctrination and less than ten weeks of active duty behind him, he had been assigned to be photographic officer for the First Marine Division. The Corps had never had a photographic division before, much less a field photographic unit. But Soule accepted the challenge, created the unit from scratch, established policies for photography, and led his men into combat. Soule and his unit produced films and photos of training, combat action pictures, and later, terrain studies and photographs for intelligence purposes. Though he had never heard of a photo-litho set, he was in charge of using it for map production, which would prove vital to the division. Shooting the Pacific War is based on Soule's detailed wartime journals. Soule was in the

unique position to interact with men at all levels of the military, and he provides intriguing closeups of generals, admirals, sergeants, and privates -everyone he met and worked with along the way. Though he witnessed the horror of war firsthand, he also writes of the vitality and intense comradeship that he and his fellow Marines experienced. Soule recounts the heat of battle as well as the intense training before and rebuilding after each campaign. He saw New Zealand in the desperate days of 1942. His division was rebuilt in Australia following Guadalcanal. After a stint back in Quantico training more combat photographers, he went to Guam and then to the crucible of Iwo Jima. At war's end he was serving as Photographic Officer, Fleet Marine Force Pacific, at Pearl Harbor.

Last Lecture The Minerva Group, Inc.

This collection bundles all seven romantic suspense titles in Dee Henderson's best-selling O'Malley series into one e-book for a great value! Introducing the O'Malleys, an inspirational group of seven, all abandoned or orphaned as teens, who have made the choice to

become a loyal and committed family. They have chosen their own surname, O'Malley, and have stood by each other through moments of joy and heartache. Their stories are told in CBA best-selling, inspirational romantic suspense novels that rock your heart and restore strength and hope to your spirit. *Danger in the Shadows* (prequel): Sara is terrified. She's doing the one thing she cannot afford to do: fall in love with former pro-football player Adam Black, a man everyone knows. Sara's been hidden away in the witness protection program, her safety dependent on staying invisible—and loving Adam could get her killed!

#1 *The Negotiator* FBI agent Dave Richman from *Danger in the Shadows* is back. He's about to meet Kate O'Malley, and his life will never be the same. She's a hostage negotiator. He protects people. He's about to find out that falling in love with a hostage negotiator is one thing, but keeping her safe is another!

#2 *The Guardian* A federal judge has been murdered. There is only one witness, and an assassin wants her dead. U.S. Marshall Marcus O'Malley thought

he knew the risks of the assignment . . . but he was wrong. #3 *The Truth Seeker* Women are turning up dead, and Lisa O'Malley has a habit of walking into crime scenes, curious. She's a forensic pathologist, and mysteries are her domain. U.S. Marshall Quinn Diamond has found loving her is easier than keeping her safe. Lisa's found the killer, and now she's missing too. #4 *The Protector* Jack O'Malley is a fireman who is fearless when it comes to facing an inferno. But when an arsonist begins targeting his district, his shift, his friends, Jack faces the ultimate challenge: protecting the lady who saw the arsonist before she pays an even higher price. #5 *The Healer* Rachel O'Malley works disasters for a living. Her specialty? Helping children through trauma. When a school shooting rips through her community, she finds herself dealing with more than just grief among the children she is trying to help. One of them saw the shooting, and the gun is still missing. #6 *The Rescuer* Stephen O'Malley is a paramedic who has been rescuing people all his life. His friend Meghan is in trouble: Stolen jewels

are turning up in interesting places, and she's in the middle of it. Stephen is about to run into a night he will never forget—a kidnapping, a tornado, and a race to rescue the woman he loves.

Rescue Mission Report

Tyndale House Publishers, Inc.

The bodyguards of Elite Guardians Agency have more than just skill and prowess in common--they're also all women. When it becomes clear that popular psychiatrist and radio personality Wade Savage has a stalker, his father secretly hires Elite Guardians in order to protect his son. But when Wade's bodyguard is attacked and nearly killed, agency owner Olivia Edwards must step in and fill the gap. Olivia's skills are about to be tested to the limit as Wade's stalker moves from leaving innocent gifts at his door to threatening those closest to him. Olivia has the feeling that she's next on the list. And to complicate things even further, she realizes that her heart may be in as much danger as her client. Bestselling author and fan favorite Lynette Eason drops readers right into the action in this fast-

paced new series with a unique twist. Readers will love these strong female characters who put it all on the line to save lives. Submerged (Alaskan Courage Book #1)
 Thomas Nelson
 A New York Times Notable Book and a San Jose Mercury News Top 20 Nonfiction Book of 2003
 In 1606, approximately 105 British colonists sailed to America, seeking gold and a trade route to the Pacific. Instead, they found disease, hunger, and hostile natives. Ill prepared for such hardship, the men responded with incompetence and infighting; only the leadership of Captain John Smith averted doom for the first permanent English settlement in the New World. The Jamestown colony is one of the great survival stories of American history, and this book brings it fully to life for the first time. Drawing on extensive original documents, David A. Price paints intimate portraits of the major figures from the formidable monarch Chief Powhatan, to the resourceful but unpopular leader John Smith, to the spirited Pocahontas, who twice saved Smith's life. He also gives a rare

balanced view of relations between the settlers and the natives and debunks popular myths about the colony. This is a superb work of history, reminding us of the horrors and heroism that marked the dawning of our nation. *The Father I Never Had*
 Lucid Books
 In a rousing account of one of the critical turning points in American history, *Through the Perilous Fight* tells the gripping story of the burning of Washington and the improbable last stand at Baltimore that helped save the nation and inspired its National Anthem. In the summer of 1814, the United States of America teetered on the brink of disaster. The war it had declared against Great Britain two years earlier appeared headed toward inglorious American defeat. The young nation's most implacable nemesis, the ruthless British Admiral George Cockburn, launched an invasion of Washington in a daring attempt to decapitate the government and crush the American spirit. The British succeeded spectacularly, burning down most of the city's landmarks—including the White House and the Capitol—and driving

President James Madison from the area. As looters ransacked federal buildings and panic gripped the citizens of Washington, beleaguered American forces were forced to regroup for a last-ditch defense of Baltimore. The outcome of that "perilous fight" would help change the outcome of the war—and with it, the fate of the fledgling American republic. In a fast-paced, character-driven narrative, Steve Vogel tells the story of this titanic struggle from the perspective of both sides. Like an epic novel, *Through the Perilous Fight* abounds with heroes, villains, and astounding feats of derring-do. The vindictive Cockburn emerges from these pages as a pioneer in the art of total warfare, ordering his men to "knock down, burn, and destroy" everything in their path. While President Madison dithers on how to protect the capital, Secretary of State James Monroe personally organizes the American defenses, with disastrous results. Meanwhile, a prominent Washington lawyer named Francis Scott Key embarks on a mission of mercy to negotiate the release of an American prisoner. His

journey will place him with the British fleet during the climactic Battle for Baltimore, and culminate in the creation of one of the most enduring compositions in the annals of patriotic song: “The Star-Spangled Banner.” Like Pearl Harbor or 9/11, the burning of Washington was a devastating national tragedy that ultimately united America and renewed its sense of purpose. Through the *Perilous Fight* combines bravura storytelling with brilliantly rendered character sketches to recreate the thrilling six-week period when Americans rallied from the ashes to overcome their oldest adversary—and win themselves a new birth of freedom. Praise for *Through the Perilous Fight* “Very fine storytelling, impeccably researched . . . brings to life the fraught events of 1814 with compelling and convincing vigor.”—Rick Atkinson, Pulitzer Prize-winning author of *An Army at Dawn* “Probably the best piece of military history that I have read or reviewed in the past five years. . . . This well-researched and superbly written history has all the trappings of a good novel. . . . No one

who hears the national anthem at a ballgame will ever think of it the same way after reading this book.”—Gary Anderson, *The Washington Times* “[Steve] Vogel does a superb job. . . . [A] fast-paced narrative with lively vignettes.”—Joyce Appleby, *The Washington Post* “Before 9/11 was 1814, the year the enemy burned the nation’s capital. . . . A splendid account of the uncertainty, the peril, and the valor of those days.”—Richard Brookhiser, author of *James Madison* “A swift, vibrant account of the accidents, intricacies and insanities of war.”—Kirkus Reviews
Coral and Brass Simon and Schuster
 Adventure, romance, and danger collide when a young Alaskan fisherman nets the body of a Russian open water swimming competitor. Another swimmer, who'd been the dead woman's roommate years ago, is pulled into the search for answers as it grows more and more clear that something sinister is at play.
Spearhead of Logistics Baker Books
 Radio talk show host Eve Reilly is used to backlash from her pot-stirring on-air commentary and

interviews, but now it seems a disgruntled listener is resorting to more than angry words to express their displeasure. When a suspicious package arrives on her doorstep, Eve turns to law enforcement for help. Police detective Brent Lange can't find any evidence to link the string of unsettling incidents that follows, but he's convinced they're connected. As the harassment grows more menacing, it becomes clear someone wants Eve's voice silenced--permanently. But unless he can track down her foe, fast, the gutsy woman who is willing to take risks for what she believes--and who is swiftly winning his heart--may not survive.

beyond compromise and end slavery.

Faith of My Fathers

Lulu.com

Explores neurological disorders and their effects upon the minds and lives of those affected with an entertaining voice.

A Patriot's History of the United States Baker Books

Finalist for the Pulitzer Prize and the National Book Critics Circle Award

A New York Times Notable Book *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (The New York Times Book Review).

Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who

became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads,

and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history.

Dead Drift

(Chesapeake Valor

Book #4) Random House Trade Paperbacks

Spearhead of Logistics is a narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years. Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the

unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students

and military historians may be interested in this volume.

Love and Hate in Jamestown Baker Books
"The Father I Never Had" is a story of how God's love slowly transformed a broken and dysfunctional young man into a whole and loving husband and dad. It is a raw, honest, and open look into the pain and redemption of Engle's spiritual and emotional journey with God.

Through the Perilous Fight
Vintage

God's not dead . . . but they're trying to kick him out of the public square! Welcome back to Hope Springs . . . where Christian Grace Wesley teaches high school history. She is on the hot seat with the school district after she answers Brooke Thawley's question about Jesus during a classroom discussion. Suddenly, Brooke becomes a pawn in an epic court case that

could cost Grace the career she loves. Tom Endler, a lawyer with the teachers' union, is tapped to reluctantly represent Grace in her fight for her First Amendment rights. He finds himself fighting for a cause he doesn't even believe in. Tom's research leads him to Amy Ryan, a reporter and former skeptic who found faith while battling cancer and watching the classroom battle unfold at Hadleigh University a year ago. Both are soon on a journey to understand what genuine faith really means as they fight to save Grace's job and avoid a court decision that could cripple the free speech rights of all Christians in the marketplace. Based on the highly anticipated movie sequel, this novel tells more about the story behind the new blockbuster film and gives fans an update on favorite characters from the original film.
