A Complete Guide to Formations for the New Business Owner This comprehensive handbook describes the different types of business formations (sole proprietorships, partnerships, C corporations, S corporations, and limited liability companies), including the advantages and drawbacks of each, to help new small business owners make well-informed decisions. The first part of the book covers all the various legal business formations, with specific headings designed to help you eliminate the types of formations you cannot or should not use. Each type of formation includes examples of tax consequences as well as liability scenarios. The second part is dedicated to the forms you will need and the procedures you should follow to make your business run smoothly, in addition to the steps you should take to protect yourself from incurring penalties from various government agencies—state, local, and federal (most notably the IRS). You'll find samples of all the necessary business and legal forms, including articles of incorporation,

stockholder agreements, relevant IRS forms, and other government forms. Whether you're just setting up a business or you're already up and running and need to pinpoint the details you may have missed, the Small Business Formation Handbook puts all the answers you need right at your fingertips.

Resource Guide Penguin

It's wintertime at Greenglass House. The creaky smuggler's inn is always quiet during this season, and twelve-year-old Milo, the innkeepers' adopted son, plans to spend his holidays relaxing. But on the first icy night of vacation, out of nowhere, the guest bell rings. Then rings again. And again. Soon Milo's home is bursting with odd, secretive guests, each one bearing a strange story that is somehow connected to the rambling old house. As objects go missing and tempers flare, Milo and Meddy, the cook's daughter, must decipher clues and untangle the web of deepening mysteries to discover the truth about Greenglass House—and themselves.

The Learning Annex

Presents Small Business Basics If you're a small business owner, you probably dedicate the majority of your time to the day-to-day activities that keep your company up and running. After all, why should you have to worry about taxes or other financial issues when you can hire someone else to handle them? The answer is simple: you, not your accountant or financial advisor, run the business. And if you truly want to be successful, you need to understand how your actions in business today can affect your bottom line tomorrow. If you want to make more tax-efficient financial decisions for your business, The Learning Annex Presents Small Business Basics can show you how. This accessible guide provides useful and authoritative advice that will help you save time and money throughout the year. Topics discussed include: * Organizing your business--from S Corporations and C Corporations to Sole Proprietorships and Limited Liability Companies * Income and losses--from business operations to the sale of business property * Business deductions and

credits--from home office deductions and advertising expenses to rent and retirement plans As a small business owner, each decision you make is important. With The Learning Annex Presents Small Business Basics as your guide, you'll quickly discover how to make tax-savvy decisions that will improve your overall business.

How to Incorporate

Lulu.com

If you're a business owner, incorporation can help you protect your personal assets and cut down your tax bill. But all the paperwork and legalese can make incorporation seem like more trouble than it's worth. Incorporating Your Business For Dummies offers all the savvy tips you need to get incorporated — starting today! Whether your business is big or small, incorporating isn't as simple as it could be. This handy reference makes incorporation make sense, and guides you through the process step by step. From handling the mountain of paperwork to getting back to business once you're finished, Incorporating Your Business For Dummies offers a wealth of helpful advice on these and many

more topics: Knowing whether or not incorporation can help you Choosing the type of entity that will work best for your business Dealing with shareholders and shareholder agreements Transferring money and assets in or out of the corporation Documenting corporate actions and maintaining compliance Finding the right attorney, accountant, tax advisor, and other professionals Written by the experts at The Company Corporation, who handle more than 100,000 incorporations every year, this helpful book offers the kind of advice you can

only get from professionals — but in a user-friendly, lingo-free format. Whether you just want a little help with the paperwork, or don't even know what a corporation is, you'll find everything you need to know: What limited liability means Corporate statutes, bylaws, and articles Choosing directors and assigning duties The benefits of S corporation status Deciding where to incorporate Registering corporate names and domain names Balancing equity versus debt Understanding shareholder rights Getting your financial information in order Hiring a

professional to help with corporate compliance If you want step-by-step help on setting up your corporation, dealing with the paperwork, and getting off on the right foot, *Incorporating Your Business For Dummies* is the only resource you need.
