Rick Steves Mediterranean Cruise Ports Twenty-First Century Books

Takes readers on a journey back in time in order to experience life in ancient Egypt, describing clothing, accommodations, foods, local customs, transportation, a few notable personalities, and more.

[A Visitors Guide to Ancient Greece](#) University of Hawaii Press

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Visitor's Guide to Ancient Rome Bradt Travel Guides

This unique approach to Egyptian mythology takes readers on a tour up the Nile, stopping at the most famous monuments and vividly retelling the myths connected to each site. Join Egyptologist Garry J. Shaw on an entertaining tour up the Nile, through a beautiful and fascinating landscape populated with a rich mythology: the stories of Horus, Isis, Osiris, and their enemies and allies in tales of vengeance, tragedy, and fantastic metamorphoses. Shaw retells these stories with his characteristic wit, and reconnects them to the temples and monuments that still stand today, offering a fresh look at the most visited sites of Egypt. The myths of ancient Egypt have survived in fragments of ancient hymns and paintings on the walls of tombs and temples, spells inked across coffins, and stories scrawled upon scrolls.

Illustrations throughout bring to life the creation of the world and the nebulous netherworld; the complicated relationships between fickle gods, powerful magicians, and pharaohs; and eternal battles on a cosmic scale. Shaw's evocative descriptions of the ancient ruins will transport readers to another landscape—including the magnificent sites of Dendera, Tell el-Amarna, Edfu, and Thebes. At each site, they will discover which gods or goddesses were worshipped there, as well as the myths and stories that formed the backdrop to the rituals and customs of everyday life. Each chapter ends with a potted history of the site, as well as tips for visiting the ruins today. Egyptian Mythology is the perfect companion to the myths of Egypt and the gods and goddesses that shaped its ancient landscape. [The Traveler's Key to Ancient Egypt](#) Lonely Planet

Walk in the steps of Socrates, test the acoustics of the amphitheater of Epidavros, and set sail for Santorini: with Rick Steves on your side, Greece can be yours! Archaeological Oddities Twenty-First Century Books

A guide to Ancient Rome providing information every tourist of past ages needs to know. Where to shop and places to eat are combined with facts about politics, history, art and architecture.

Your Travel Guide to Ancient Rome Turtleback

Of Japan's two great religious traditions, Shinto is far less known and understood in the West. Although there are a number of books that explain the religion and its philosophy, this work is the first in English to focus on sites where Shinto has been practiced since the dawn of Japanese history. In an extensive introductory section, authors Joseph Cali and John Dougill delve into the fascinating aspects of Shinto, clarifying its relationship with Buddhism as well as its customs, symbolism, and pilgrimage routes. This is followed by a fully illustrated guide to 57 major Shinto shrines throughout Japan, many of which have been designated World Heritage Sites or National Treasures. In each comprehensive entry, the authors highlight important spiritual and physical features of the individual shrines (architecture, design, and art), associated festivals, and enshrined gods. They

note the prayers offered and, for travelers, the best times to visit. With over 125 color photographs and 50 detailed illustrations of archetypical Shinto objects and shrines, this volume will enthrall not only those interested in religion but also armchair travelers and visitors to Japan alike. Whether you are planning to visit the actual sites or take a virtual journey, this guide is the perfect companion. Visit Joseph Cali's Shinto Shrines of Japan: The Blog Guide: <http://shintoshinesofjapanblogguide.blogspot.jp/>. A Visitor's Guide to Ancient Hippos Twenty-First Century Books

Iraq Travel Guide - Travel information and expert advice including Baghdad hotels and restaurants, archaeological sites, history, culture, safety and visas, itineraries and tour operators. Also covered are the Kurdistan Region, Erbil, Basra, Great Ziggurat of Ur, Nineveh, Khorsabad, the Marshes, the Shrine Cities of Kerbala and Najaf, and Babylon.

Visitors' Guide to Ancient Forests of Western Washington
Penguin

Take a boat trip down ancient Egypt's crocodile-infested Nile river or a chariot ride through ancient Rome, circa. a.d. 128, and don't forget to make the customary sacrifice at the altar outside the door before entering the Parthenon in ancient Greece. And, above all, try to avoid becoming a human sacrifice yourself if you dare visit the Aztec temple in Tenochtitlan! Written and organized in the style of a travel guide, this book takes the reader on an amazing tour of the greatest empires of the past and explores what it was really like to be a citizen of these intriguing civilizations. Packed full of useful information for would-be tourists as well as quirky sightseers' tips, this is a stimulating way for children to learn about history.

Amarna Rick Steves

Iraq is a country with a rich culture. Ancient sites such as Babylon and Ur, the stunning architecture of the country's mosques, the natural beauty and wildlife of the Marshes and beautiful Iraqi handicrafts create a myriad of attractions to inspire even the most seasoned traveler. This brand-new edition of Iraq gives up-to-date travel information and also informs the armchair traveler

about the history and exciting archaeological prospects of this ancient land. The authors, Geoff Hann and Karen Dabrowska, bring their considerable knowledge and understanding of Iraq to provide all the practical and background information needed to

explore this country and to get the most out of your trip: advice on cultural awareness and religious sensitivity in the context of Iraqi history, along with in-depth coverage of what to see and where to go make this an invaluable guide.
