Fodor's Travel For much of its history, Orkney had its own language, culture and institutions. The prehistoric inhabitants created monuments which are unmatched anywhere in Europe, and the medieval period saw the magnificent earldom that expressed itself through the Orkneyinga Saga and the building of St Magnus Cathedral in Kirkwall. Like Shetland, Orkney was heavily

influenced by Viking traders and raiders from Scandinavia, and for a long period it formed an outlying part of the kingdom of Norway. Over 500 years ago, however, the islands lost their Scandinavian links and since then have had a sometimes difficult association with mainland Scotland. More recent times have seen the use of Orkney as a strategic stronghold during two world wars,

and the far-reaching impact of oil and gas exploitation in the North Sea. This classic book covers the whole fascinating story and will be of interest to readers far beyond the rocky shores of Orkney itself.

Orkney and

Shetland

London : E. Stanford ; Kirkwall, Eng. : W. Peace ; Lerwick, Eng. : C. & A. Sandison

Orkney lies only 20 miles north of mainland Scotland, yet for many centuries its culture was more Scandanavian than Scottish. Strong westerly winds account for the scarcity of trees on Orkney and also for the tradition of well-constructed stone structures. As a result, the

islands boast a large number of exceptionally well-preserved remains, which help us to form a detailed picture of Orcadian life through the ages. Sites and remains to be explored include settlements from the Stone Age, stone circles and burials from the Bronze Age, Iron Age brochs, Viking castles, the magnificent cathedral of St Magnus in Kirkwall, Renaissance palaces, a

<p>Martello tower from the Napoleonic Wars and numerous remains from the Second World War. In this updated edition of her best-selling book, Caroline Wickham-Jones, who has worked extensively on Orcadian sites for many years, introduces the history of the islands and provides a detailed survey of the principal places and sites of historic interest. <i>The Other British Isles</i></p>	<p>Origin The BBC travel personality explores the Nordic legacy of these remote Scottish islands: “Engagingly written and superbly illustrated.” —Undiscovered Scotland Paul Murton has long had a love of the Viking north—the island groups of Orkney and Shetland and the old counties of Caithness and Sutherland—which, for centuries, were part of the Nordic</p>	<p>world as depicted in the great classic known as the Orkneyinga Saga. Today this fascinating Scandinavian legacy can be found everywhere—in physical remains, place names, local traditions and folklore, and much else. This is a personal account of Paul Murton’s travels in the Viking north. Full of observation, history, anecdote, and encounters with those who live</p>
---	---	--

there, it also serves as a practical guide to the many places of interest. From a sing-along with the Shanty Yell Boys to fishing off Muckle Flugga, from sword dancing with the men of Papa Stour to a Norwegian pub crawl in Lerwick, this book paints a vivid picture of these lands and their people, and explores their extraordinary rich heritage. *The Scottish Isles* John Donald For almost a century the

islands of Orkney and Shetland were under the rule of the Stewart earls, father and son, a rule remarkable for its infamous reputation in island history. Robert Stewart was an illegitimate son of James V, king of Scots, who seized power in Orkney in the 1560s and was created earl of Shetland in 1581. Robert's son was the extraordinary and ill-starred Earl Patrick, 'Black Patie', whose execution for

treason in 1615 brought the era to a close. This book has its foundations in two previous books by Peter Anderson, one on each character. The Stewart Earls of Orkney Cambridge University Press Survey of the archaeology and early history of the Orkney and Shetland islands. The Scottish Islands Pesda Press A guidebook to 80 walking routes on Scotland's

Northern Isles of Orkney and Shetland. Routes are described on the islands of Orkney (Orkney Mainland, Hoy, South Ronaldsay, Burray, Rousay, Eday, Westray, Papa Westray, North Ronaldsay) and the islands of Shetland (Shetland Mainland, West Burra, East Burra, Foula, Fair Isle, Isle of Noss, Bressay, Whalsay, Papa Stour, Muckle Roe, Out Skerries, Esha Ness, Yell,

Fetlar and Unst). Routes vary in length from 1 mile to 16 miles, with something to suit all abilities. Offering a variety of landscapes together with a wealth of remarkable archaeological sites such as Skara Brae and Jarlshof, Orkney and Shetland are a walker's dream. Step-by-step route descriptions are accompanied by clear OS mapping and a time estimate for completing each route.

The book includes plenty of information on the region's wildlife, archaeology and history, as well as practical tips such as when to go, what to take and getting to and around Orkney and Shetland. Quiet, remote and abounding in rare plants and wildlife, together with some of the world's most fascinating archaeological sites, Orkney and Shetland offer a treasure trove of natural and

historic wonders, and makes an ideal walking holiday destination. **CCC Orkney and Shetland Islands** Dundurn The Northern Isles stand at a crossroads of North Atlantic Europe, subject to the competing influences of Scandinavia and Scotland. Sandy Fenton's detailed study of the material culture of Orkney and Shetland is combined with thorough linguistic

analysis and is based on years of study and sifting of a mass of detail. Much of the material is new, based on extensive research by the author, on manuscript and other written sources and on knowledge freely imparted by many local inhabitants. It illuminates the complexity of numerous interlocking factors, draws a picture of a fascinating and varied existence and reveals the past not as a

static tableau but a process of continuous change. This book recreates the physical environment in which the people lived, their crops and livestock, the harvest of the sea, their houses, the food they ate. These things dominated their lives and form the background which is the key to understanding the character of these fascinating islands. This major work has earned its place as a key contribution to

European ethnology and won the Dag Stromback Award of the Royal Gustav Academy, Sweden. Shetland, Orkney and the Western Isles Oxford University Press, USA
 The first edition of Scottish Island--Orkney & Shetland immediately established itself as the leading guide to these mystical islands to the far north of Britain. The authors have now returned to the islands to produce

this fully revised second edition. Orkney and Shetland together consist of more than 170 islands and islets. Once remote from outside influence, they are now reaping the benefits of parliamentary devolution, oil, tourism, and modern communications, while still managing to preserve their individual characters and traditions unspoiled by commercialization. The islands have

much to offer the discerning visitor. Nature lovers will find wild flowers, some of which are found nowhere else on earth, and land and marine wildlife including whales, dolphins, and otters. Fishermen can catch fighting trout and salmon in the lochs while divers will find clean water plus the prospect of diving for treasure off Shetland. Bird watchers can see marlins, skuas, puffins, fulmars, and kittiwakes

<p>while those interested in history will find the richest archaeological legacy in the British Isles, including ancient stone circles, standing stones, burial chambers and Viking treasures. Walkers, cyclists, canoeists, yachtsmen, and kayakers can all pursue their individual sports in the islands' stunning countryside. Scottish Islands-- Orkney & Shetland will</p>	<p>lead visitors to sights and places that might otherwise be missed, including how to book a bed in a lighthouse or a castle, where to find the best preserved Stone Age village in Europe, how to find the best of the islands' traditional folk music, and where to buy the finest Shetland jerseys and lace. <u>The Celtic and Scandinavian Antiquities of Shetland</u> Imray Laurie Norie & Wilson</p>	<p>A guidebook to day walks on the Isles of Orkney, Shetland and Fair Isle - off the northeastern tip of Britain. Over 80 walking routes are described in this diverse landscape packed with archaeological sites, dotted with rare wildflowers and thronged with seabirds. A must for anyone wanting to explore on foot. <i>Fodor's Essential Scotland</i> Canongate Books As the leading</p>
---	---	--

guide to the Orkney and Shetland isles, this book provides excellent information on practicalities, such as transport to the islands, accommodation and events, as well as shedding light on hidden gems. Scottish Islands - Orkney & Shetland will lead the visitor to sights and places that might otherwise be missed, including how to book a bed in a lighthouse or a castle, where to find

the best preserved Stone Age village in Europe or a fossil fish 300 million years old and how to find the best of the islands' traditional folk music. Consisting of more than 170 islands and islets, the islands have much to offer the discerning visitor. Once remote from outside influence, they are now reaping the benefits of tourism and modern communications, while still managing to preserve their

individual characters and traditions unspoilt by commercialisation. The guide informs readers of species of wild flowers, some of which are found nowhere else on earth, and where to locate land and marine wildlife including whales, dolphins and otters. There is also information on how walkers, cyclists, canoeists, yachtsmen and kayakers can all pursue their individual

sports in the islands' stunning countryside The Northern Isles Vacation Work Publications From the abandoned crofts of Mingulay to the standing stones of Orkney, from the white beaches of Colonsay to the spectacular Cuillins of Skye, this is the first complete gazetteer to cover all of Scotland's many hundreds of islands, including both those which

are uninhabited and those which are notoriously difficult to reach. Packed with information on access, anchorages, points of historical or natural interest, and things to see and do, this fascinating compendium provides indispensable information for touring, for browsing, for reference, and for all those travellers who wish to sail to some of the most beautiful and remote places in the

world. No other book can begin to emulate the range and depth of the information contained in The Scottish Islands. This is an impressive work of reference, providing a fascinating personal view of Scotland's distant outposts. Guide, history, travelogue - it is essential reading for all who love Scotland. **Walking on the Orkney and Shetland Isles** Cicerone Press Limited This

comprehensive volume of folkloric traditions in Scotland's Northern Isles is a treasure trove of stories, history, and cultural legacy. The two island groups of Orkney and Shetland have much in common. In each the grey stone houses and treeless landscapes are scoured in winter by stinging gales, and in summer lie under the endless days of the 'summer din'. Originally Norwegian,

they have been part of Scotland for centuries, but their many and varied legends, folk tales and customs are still saturated with Norse influences. While this book tells tales and discusses beliefs that are known throughout the northern isles, it also outlines those elements which are unique to each island group. Ernest Marwick not only recounts countless tales which have been

transmitted orally and by writing, but also places these tales within geographical and historical contexts, thus enabling a deeper appreciation of this wonderful material. A bibliography is also included, together with an index of tale types and motifs. Orkney & Shetland Robert Hale Walk, scramble, cycle, wade or even swim around the outer edge of our wildest islands.

Islandeering provides all the information you need to circumnavigate 50 amazing hidden islands off the shores of England, Scotland & Wales. From Essex, Somerset and Cornwall to Pembrokeshire, Northumberland and the Hebrides; follow wild foreshores and remote coast paths. Complete each journey to discover a magical archipelago world. 50 islands to bag, with routes

from easy to difficult and detailed directions with GPX downloads. Beautiful photography and maps. Hidden islands for the best wildlife, local food, swimming, wild camping, secret beaches, coastering, legends and foraging. Engaging writing charting historical, geographical and wildlife highlights. Tips for coastering, scrambling, camping, wild swimming and

kayaking.

Islandeering Origin

This is a completely new volume for the Orkney and Shetland Islands and includes Fair Isle. It also covers the 'jumping off' harbours on south side of the Pentland Firth and the mainland coast of Scotland between Inverness and Cape Wrath. The area has been fully researched by the authors during the last two seasons. In the same style as the other Clyde

Cruising Club Sailing directions that have been published recently under the Imray imprint. The section on the North coast of Scotland draws on work previously published from Martin Lawrence Reminiscences of a Voyage to Shetland, Orkney & Scotland in the Summer of 1839 ... Birlinn
A sea kayakers guide to the Orkney and Shetland Islands. Their relative isolation,

stunning scenery and Norse history make Orkney and Shetland a very special place. For the sea kayaker island archipelagos are particularly rewarding . none more so than these. Illustrated with superb colour photographs and useful maps throughout, this book is a practical guide to help you select and plan trips. It will provide inspiration for future voyages and a souvenir of

journeys undertaken. As well as providing essential information on where to start and finish, distances, times and tidal information, the book does much to stimulate interest in the environment. It is full of facts and anecdotes about local history, geology, scenery, seabirds and sea mammals. *Orkney Folk Tales* McFarland
Containing information on access,

anchorages, points of historical or natural interest, and things to see and do, this book provides a guide to the islands of Scotland. Previous ed.: 1996. *The People of Orkney* Lulu.com Their names bespeak a rich past. From the Norse Hjaltland comes the modern Shetland: islands nominally Scottish, steeped in Nordic culture, closer to the Arctic Circle than to London. Important Neolithic sites are at Skara Brae and Maes Howe in the Orkneys. Holy Iona, island center of Celtic Christianity, the Isle of Man, former seat of rule over the Irish Sea, and Anglesey and Islay, homes of medieval courts at Aberffraw and Loch Finlaggan, are just a few of the more than 6,000 islands that form the archipelago known as the British Isles. The offshore isles are home to half a million people. Focusing on the eight islands or chains that have long supported substantial populations, this history tells the stories of Shetland, Orkney, the Hebrides, Anglesey, the Channel Islands, the Scilly Isles, and the Isles of Man and Wight, from their Neolithic settlement, to Roman, Norse and Norman occupation, to the struggle to maintain their uniqueness in today's world.

Instructors considering this book for use in a course may request an examination copy here. The New History of Orkney Wild Things Publishing The Orkney Islands are a place of mystery and magic, where the past and the present meet, ancient standing stones walk and burial mounds are the home of the trows.

Orkney Folk Tales walks the reader across invisible islands that are home to fin folk and mermaids, and seals that are often far more than they appear to be. Here Orkney witches raise storms and predict the outcome of battles, ghosts seek revenge and the Devil sits in the rafters of St Magnus Cathedral,

taking notes! Using ancient tales told by the firesides of the Picts and Vikings, storyteller Tom Muir takes the reader on a magical journey where he reveals how the islands were created from the teeth of a monster, how a giant built lochs and hills in his greed for fertile land, and how the waves are controlled by the hand of a goddess.
