Our greatest fear is the fear of the unknown. We've all had that feeling at some point, that gnawing, gut-wrenching fear that comes from our desire to know, and at the same time, not to know. When it comes to a paranormal encounter, we try to rationalize that what is happening isn't real. How could it be? Ghosts, aliens, monsters—they aren't real ... right? It must be something rational. We try to explain things to make ourselves feel safe. We try to believe that the world is still normal. But sometimes ... it's not. In *My Creepy Paranormal Story Scary Stories Inspired by Real Encounters with Ghosts, Creatures, and the Unknown* we plunge deep into the terrifying world of the supernatural in a bone-chilling anthology of paranormal encounters from people who've experienced the unexplainable. These spooky selections are all based on alleged real encounters of first-hand experiences—stories so strange they will have you questioning the world you thought you knew. From ghosts, to extraterrestrials, to unknown creatures lurking in the dark, you'll be on the edge of your seat as you take an unfiltered trip through the horrifying realms of the paranormal and beyond. David Hann and H. J. Tidy share these stories in an entertaining way while still maintaining the realism that makes them truly bloodcurdling to read.
