The first part of each book covers specific parts of speech such as nouns, adjectives, pronouns, verbs, and adverbs as well as the structure of sentences.

The last part provides games for a bit of fun, task cards for extra practice, and word banks to save teachers some time.

The overall goal is to help students learn enough about grammar to communicate easily and effectively, to evaluate the myriad of messages that surround them, and to function successfully in business and society.

Headway: Beginner: Workbook Without Key Oxford University Press

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English.

Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at

Into the Classroom is a series of short, practical guides that help teachers who work in the primary and secondary school setting to make sense of new teaching tools, techniques, and educational policy, with ideas for implementing them in the classroom.

Mobile Learning provides clear guidance and essential support for teachers who want to use mobile devices in and outside the language classroom. Full of

practical ideas and activities, it emphasizes the power of the mobile device as a tool for language learning. Mobile Learning: • helps teachers get started with using mobile devices and apps in class. • shows how to make the most of in-built features, such as messaging, photos, and audio recording. • introduces more advanced project ideas, including digital storytelling, video and animation, multimodal approaches, and augmented reality. • addresses issues such as acceptable use policies and staying safe. • provides teachers with dozens of practical ideas and activities they can immediately incorporate into their teaching. Shaun Wilden is a teacher, teacher trainer, and materials writer who has been helping teachers integrate technology into their

teaching for over a decade. His main areas of interest are mobile devices, online teaching, and creating podcasts.
