This book presents Arab immigrant youths' voices through storytelling that reveals the challenges and achievements they experience at school and at home in a Canadian educational context. While Arab immigration to Canada dates back to the late eighteenth century, Canada has witnessed a significant rise in Arab immigration rates over the last twenty-five years, marking the fastest growth among all immigrant groups. These stories highlight the complexity of Arab-Canadian youths' cross-cultural schooling experiences and provide valuable opportunities for reciprocal learning among all stakeholders in Canadian schools. With an educator's vision, Elkord foregrounds the tensions between Arab youths' home and school experiences to help build bridges and make high school less opaque to Arab immigrant students and their parents, while offering insights into multicultural education and resources for teacher education.

Timeless insights from one of the most important people in church history. Some people value good works so much that they overlook faith in Christ. Faith should be first.... It is faith—without good works and prior to good works—that takes us to heaven. We come to God through faith alone. —Martin Luther
Resounding across the centuries, Martin Luther's prolific writings as a pastor, theologian, scholar, Bible translator, father, and more, remain powerful and richly relevant. Faith Alone is a treasury of accessible devotionals taken from Luther's best writings and sermons from the years 1513

through 1546. This carefully updated translation retains the meaning, tone, and imagery of Luther's works. Through daily readings, Luther's straightforward approach challenges you to a more thoughtful faith. Read one brief section a day or explore themes using the subject index in the back of the book. Faith Alone will deepen your understanding of Scripture and help you more fully appreciate the mystery of faith.

Review by Pastor Kevin Wenker (LCMS): In my 41 years as a parish pastor, I have had the opportunity to review many books and workbooks on Bible studies, Confirmation, the Small Catechism and the like. ... Learning the Bible with Martin Luther contains lessons which are appropriate in length and understanding for the average confirmand. It has tests, practical examples, and illustrations. And, above all, it is absolutely faithful to Scripture, Lutheran doctrine, and the Confessions. It presents topics and lessons on stewardship and Christian service and life beyond Confirmation in addition to the chief parts of the Catechism. I wish I had had this Workbook when I first started teaching Confirmation many years ago. I also wish I had this when leading adult member classes or reviews of the Small Catechism in Bible Class in Sunday morning Adult Bible Class. Why? Because this Workbook works for all age groups. The Workbook does not shy away from difficult applications, but addresses them faithfully in a way that is understandable for teens and adults. What a great resource this is for either a pastor or a lay person. The teacher's guide is especially valuable. I will be using this Workbook with teens and adults, and it has been very well received by both. Peter Kucenski's Workbook on Luther's Small Catechism has my highest recommendation.
