When a tempest—a violent storm—wrecks the ship of King Alonso of Naples and his entourage in the Mediterranean Sea, the men all find safety on a small, isolated island. The storm was conjured up by the magician Prospero, who lives on the island with his teenage daughter Miranda, his faithful spirit Ariel, and his half-human, half-animal slave Caliban. Why has Prospero brought the king, his teenage son Ferdinand, his devoted advisor Gonzalo, and the others to the island? What plans

does he have for them? A mixture of tender romance and cruel revenge, *The Tempest* is considered one of Shakespeare's greatest plays. Although the play, Shakespeare's last, is filled with the supernatural, its message is that real magic lies in the emotions of the human heart: love, loyalty, the desire to be free, remorse, and forgiveness. By the end of the story, the tempest—in its sense of severe storm and emotional upheaval—has enabled love to blossom, reunited old friends, freed the enslaved, washed away the sins of evildoers, and calmed the vengeance of a wronged man

John Dover Wilson's New Shakespeare, published between 1921 and 1966, became the classic Cambridge edition of Shakespeare's plays and poems until the 1980s. The series, long since out-of-print, is now reissued. Each work is available both individually and as a set, and each contains a lengthy and lively introduction, main text, and substantial notes and glossary printed at the back. The edition, which began with *The Tempest* and ended with *The Sonnets*, put into practice the techniques and theories that had evolved under the 'New Bibliography'. Remarkably by today's standards, although it took the best part of half a century to produce, the New Shakespeare involved only a small band of editors besides Dover Wilson himself. As the volumes took shape, many of Dover Wilson's textual methods acquired general acceptance and became an established part of later editorial practice, for example in the Arden and New Cambridge Shakespeares.

Romeo and Juliet Oxford University Press, USA

The Tempest gives us a magician, Prospero, a former duke of Milan who was displaced by his treacherous brother, Antonio. Prospero is exiled on an island, where his only companions are his daughter, Miranda, the spirit Ariel, and the monster Caliban. When his enemies are among those caught in a storm near the island, Prospero turns his power upon them through Ariel and other spirits. The characters exceed the roles of villains and heroes. Prospero seems heroic, yet he enslaves Caliban and has an appetite for revenge. Caliban seems to be a monster for attacking Miranda, but appears heroic in resisting Prospero, evoking the period of colonialism during which the play was written. Miranda's engagement to Ferdinand, the Prince of Naples and a member of the shipwrecked party, helps resolve the drama. Not illustrated. 1916 edition. Excerpt: ...Miranda's character, in which tenderness and simple faith in good are throughout the leading notes. Notice her description of the vessel as " brave" and "good," and her instinctive confidence that it carried "noble creatures." 7. Who follows a neuter antecedent when it is personified, as here, " in her." Il. or ere. The phrase is really pleonastic. Or represents E. E. wr, " before." As this meaning of or died out, it seems to have been combined with ere for the sake of emphasis. Cf. Abbott, 131. 13. fraughting souls, the souls who composed the fraught or freight. 14. piteous, pitying. 15. O, woe the day! Miranda, when she speaks these words, supposes not that the crew has escaped, but that her father counts their destruction " no harm." 19. Of whence. For this redundant phrase cf. Abbott, 179. more better. The double comparative is frequently used by Shakespeare. Cf. Abbott, 11. 20. full, completely. 25. Lie there, my art. Steevens quotes in illustration Fuller's

anecdote about Lord Burleigh, Elizabeth's Lord Treasurer, who, " when he put off his gown at night, used to say, 'Lie there, Lord Treasurer.'" Voss aptly notices that " Shakespeare here very skillfully separates Prospero, the man, from Prospero, the magician. A magician, devoted body and soul to his art, can claim but little of our sympathy.... But Prospero's magic resides only in his mantle, staff, and book. Prospero himself remains akin to us." 26. wreck. The Ff here, and in lines 390, 414, 488, read wracke, which gives a far finer rhythm. 27. The very virtue of compassion, the very essence of compassion. 29-31. no soul... vessel. There is no necessity to alter the reading of the Ff; the sense is clear, though grammatically there is an anacoluthon. Prospero begins..."

Shakespeare's comedy play "Much Ado About Nothing" pivots around the

impediments to love for young betrothed Hero and Claudio when Hero is falsely accused of infidelity and the "lover's trap" set for the arrogant and assured Benedick who has sworn of marriage and his gentle adversary Beatrice. The merry war between Benedick and Beatrice with the promptings of their friends soon dissolves into farcical love, while Hero's supposed infidelity is shown to be little more than "much ado about nothing."

creation with a remarkably diverse history. The authors, one a historian and the other a Shakespearean, explore the cultural background of Caliban's creation in 1611 and his disparate metamorphoses to the present time.
