FINN STEPHANY

Bizarre World Turtleback
Anarchically silly fun!' - Guardian
Sidesplitting middle grade comedy, with serious heart (and one very funny llama). Illustrated by Allen Fatimaharan, the official illustrator for World Book Day 2022.

Is Your Mama a Llama Ohio University Press

In this rich anthology of Guatemalan political writing, editors Zimmerman and Rojas have taken excerpts from poems, novels, stories, and essays and woven them into a powerful narrative of Guatemala's past. Forged in the midst of anti-dictatorial struggles, of rebellions and revolutionary crises, these discourses, both realistic and magical, show a nation attempting to move from social domination and fragmentation to a mythical community that has inspired its people to become soldiers and its soldiers to become poets.

Llama Llama Wakey-Wake Simon and Schuster

In the sixth novel in the series that is "sure to hook cozy fans" (Publishers Weekly) the Black Sheep Knitters must work to solve the mystery of the disappearance of their friend—and figure out who is trying to kill her before it's too late. Knitting graffiti, in Plum Harbor? Maggie Messina doubts it could ever

happen in her quiet village. Until the new parking meters on Main Street are found covered with cat-faced cozies. In the dark of night, the mysterious Knit Kats have struck again! The infamous gang of stitching graffiti artists are totally harmless, and their pranks all in good fun. Or so Maggie and her friends think. Until a yarn-covered corpse is discovered a few days later—the tangles identical to Knit Kat handiwork. These threads of evidence should be easy to follow. But the clever Knit Kats hide behind a website and secret identities. The murderer could be anyone. A familiar face in town, even a copy Kat. But when Maggie's assistant, Phoebe, becomes the prime suspect, the knitting friends know the police have dropped a few stitches. With no time to rest on their needles, the Black Sheep set out to unmask the crafty killer. No simple task, when all Knit Kats look the same in the dark.

Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures
Is Your Mama a Llama? Random House Books for Young Readers
Camelids are vital to the cultures and economies of the Andes. The animals have also been at the heart of ecological and social catastrophe: Europeans overhunted wild vicuña and guanaco and imposed husbandry and breeding practices that decimated llama and alpaca flocks that had been successfully

tended by Indigenous peoples for generations. Yet the colonial encounter with these animals was not limited to the New World. Llamas beyond the Andes tells the five-hundred-year history of animals removed from their native habitats and transported overseas. Initially Europeans prized camelids for the bezoar stones found in their guts: boluses of ingested matter that were thought to have curative powers. Then the animals themselves were shipped abroad as exotica. As Europeans and US Americans came to recognize the economic value of camelids, new questions emerged: What would these novel sources of protein and fiber mean for the sheep industry? And how best to cultivate herds? Andeans had the expertise, but knowledge sharing was rarely easy. Marcia Stephenson explores the myriad scientific, commercial, and cultural interests that have attended camelids globally, making these animals a critical meeting point for diverse groups from the North and South.

Llama Drama Bellanova Books
Llamas and alpacas can be hard to tell apart. But between face shape and hair length, these human helpers have subtle traits that make them unique! Side-by-side comparisons support simple text and stunning photos to help readers identify these Andean animals.
