The magnificent new novel from the million-selling Booker Prize-winning author of *The White Tiger*: one of the most eagerly anticipated literary novels of 2011--"a kaleidoscopic portrait of a changing Mumbai." — *Guardian* (Best Books of 2011) Ask any Bombaywallah about Vishram Society--Tower A of the Vishram Co-operative Housing Society--and you will be told that it is unimpeachably pucca. Despite its location close to the airport, under the flight path of 747s and bordered by slums, it has been pucca for some fifty years. But Bombay has changed in half a century--not least its name--and the world in which Tower A was first built is giving way to a new city; a Mumbai of development and new money; of wealthy Indians returning with fortunes made abroad. When real estate developer Dharmen Shah offers to buy out the residents of Vishram Society, planning to use the site to build a luxury apartment complex, his offer is more than generous. Initially, though, not everyone wants to leave; many of the residents have lived in Vishram for years, and many of them are no longer young. But none can benefit from the offer unless all agree to sell. As tensions rise among the once civil neighbours, one by one those who oppose the offer give way to the majority, until only one man stands in Shah's way: Masterji, a retired schoolteacher, once the most respected man in the building. Shah is a dangerous man to refuse, but as the demolition deadline looms, Masterji's neighbours--friends who have become enemies, acquaintances turned co-conspirators--may stop at nothing to score their payday. A suspense-filled story of money and power, luxury and deprivation, and a rich tapestry peopled by unforgettable characters, not least of which is Bombay itself. Last Man in Tower opens up the hearts and minds of the inhabitants of a great city--ordinary people pushed to their limits in a place that knows none. This eBook edition includes a Reading Group Guide.

Winner of the 2021 Overseas Press Club of America Cornelius Ryan Award The former New York Times Pakistan bureau chief paints an arresting, up-

close portrait of a fractured country. Declan Walsh is one of the New York Times's most distinguished international correspondents. His electrifying portrait of Pakistan over a tumultuous decade captures the sweep of this strange, wondrous, and benighted country through the dramatic lives of nine fascinating individuals. On assignment as the country careened between crises, Walsh traveled from the raucous port of Karachi to the salons of Lahore, and from Baluchistan to the mountains of Waziristan. He met a diverse cast of extraordinary Pakistanis—a chieftain readying for war at his desert fort, a retired spy skulking through the borderlands, and a crusading lawyer risking death for her beliefs, among others. Through these “nine lives” he describes a country on the brink—a place of creeping extremism and political chaos, but also personal bravery and dogged idealism that defy easy stereotypes. Unbeknownst to Walsh, however, an intelligence agent was tracking him. Written in the aftermath of Walsh's abrupt deportation, *The Nine Lives of Pakistan* concludes with an astonishing encounter with that agent, and his revelations about Pakistan's powerful security state. Intimate and complex, attuned to the centrifugal forces of history, identity, and faith, *The Nine Lives of Pakistan* offers an unflinching account of life in a precarious, vital country.

Everyone knows about the Ramsays - even those who have never watched a Ramsay film. But who were they really? Where did they come from? Why did they make the films they did? And how? How, really, did they pull it off? In India, the Ramsay name remains synonymous with horror movies. Still, all these decades later.*Don't Disturb the Dead* is the story of their cinema, their methods and madneses, the people and the processes, arguments and agreements, about horror cinema as a business model, and more. It is also an open-minded and affectionate ode to the 'disreputable' Ramsay films, and to a family that was once a genre in itself, one whose contribution to cinema deserves to be recognized.

The Present Volume Includes Critical And Insightful Essays On Native Responses To Contemporary Indian English Novel. Nativism As An Ideology Cannot Be Accepted In Toto In The Indian Context, As There Are Several Paradoxical And Self-Contradictory Factors Operating Within The Indian Social Structure. The Nativist Approach To Indian English Literature Cannot Be An Effective Device To Assess The Genre. To Be Carried Away By The Waves Of The Western Thought Would Also Be Equally Ridiculous. Therefore, To Understand The Not So New Phenomenon Now, Dispassionate And Objective Criteria Has To Be Evolved. The Essays In This Volume Endeavour To Reach Out To The Indian English Novel With As Much Objective Understanding Of The Discipline As Necessary. The Title Of The Book Indicates Native Responses, Not Nativist, Because There Is No Theory Involved, Or Any Permanent Set Of Values To Be Adopted For Evaluating Indian English Novel. Nevertheless, The Essays Included In The Volume Are Meant To Clear The Web Of Misunderstanding Created By Nativism And Cosmopolitanism Together And Find A Way Out To Better Understanding And Appreciation Of Contemporary Indian English Novel.It Is Hoped That The Volume Will Be Of Immense Use To The Common Reader As Well As To The Serious Critics Of Contemporary Indian English Novel.

Description A prayer for cancer, a prayer to make millions. A prayer to kill an enemy's reproductive functions, a prayer to remove the devil inside a girl who had suddenly started misbehaving and doing badly in school exams. The man sitting here wanted his neighbour's daughter to fall in love with him, and for her fiancé's mustard crops to be affected by drought. In the lush Murree hill-country of Pakistan, a wedding has been announced, between Colonel Anwar Ahmed Ali, and Saika, a younger schoolteacher. Anwar is regarded by all as an upstanding figure - yet his glamorous former wife Zaireena died under mysterious circumstances, not to mention the poisoning of her pet poodle. And Saika has now been told her new bridegroom is 'a dangerous man'... Across town, there is a seething cauldron of corruption, black magic, and close-knit families who can barely stand each other. So when Saika's disreputable cousin Pervez is stabbed to death in his own hotel by a cloaked assailant, no one is very surprised. Saika is however shocked when she finds evidence which might implicate her husband. Inspector Sharif, in charge of the case, is looking everywhere for clues to the crime - and unearthing smoking guns and red herrings alike. All the while, up in her eyrie the sinister Begum, Anwar's invalid mother in law, lies... waiting and plotting. In this accomplished and blackly comedic debut novel, Azma Dar captures the exuberance and dark side of a small community whose traditions are under attack from the forces of greed, jealousy and thwarted revenge. 'An incredible new voice; witty and wise' Adele Parks

"The Rohingya poets gathered here for the first time in English hold a mirror to the light for the rest of humanity, flashing their poems of misery and

warning from the genocidal zone and refugee camp of Cox's Bazaar. Their songs are more accurate than news reports for word of the plight of the most oppressed. These are poems that begin with the fragrance on the bird's handkerchief and end by walking among the mass graves. They write from a dire present to a possible future, wondering in their peril if the world outside was too quiet to hear them. Let the world not be quiet, let the world listen to these poems." - Carolyn Forché "I Am a Rohingya implores the world to listen to the spirit of a people who have experienced some of the worst human rights abuses on the planet. These poems have no alternative but to speak out, they are from a crisis that must be addressed. There is brilliance in here!" - John Kinsella

A major activity of the Sahitya Akademi is the preparation of an encyclopaedia of Indian literature. The venture, covering twenty-two languages of India, is the first of its kind. Written in English, the encyclopaedia gives a comprehensive idea of the growth and development of Indian literature. The entries on authors, books and general topics have been tabulated by the concerned advisory boards and finalised by a steering committee. Hundreds of writers all over the country contributed articles on various topics. The encyclopaedia, planned as a six-volume project, has been brought out. The Sahitya Akademi embarked upon this project in right earnest in 1984. The efforts of the highly skilled and professional editorial staff started showing results and the first volume was brought out in 1987. The second volume was brought out in 1988, the third in 1989, the fourth in 1991, the fifth in 1992, and the sixth volume in 1994. All the six volumes together include approximately 7500 entries on various topics, literary trends and movements, eminent authors and significant works. The first three volumes were edited by Prof. Amaresh Datta, fourth and fifth volume by Mohan Lal and sixth volume by Shri K.C. Dutt.
