Domestic Engineering On a rainy day or in the back seat of the car, what could be more fun to a young horse lover than an activity book packed with 80 horse-show stickers? Children will love to groom and tack up their sticker-steeds, preparing them for exciting English, Western, and Olympic events. Reusable vinyl stickers include horses of different breeds and colors; various riders,

instructors, and judges; poles and jumps; and all the paraphernalia of horse shows - tack, hats, boots, costumes, barrels, dressage letters, trail obstacles, flags, and, of course, ribbons and trophies. Children arrange the stickers on background scenes that include an indoor arena, a fenced paddock, a "backstage" trailer area, and a colorful country fair with a show ring. To help children create interesting play scenes, informative text explains how horse shows work - what to wear, how to perform for the judges, the differences between Western and English events, how prizes are awarded, and much more. A short glossary reminds children of key phrases they will love to learn and teach to anyone who will listen. È

This six-page (tri-fold) laminated guide provides information on using principles of applied behavior analysis (ABA) to teach students who have autism spectrum disorder (ASD). ABA is strongly supported as an evidence-based practice and is highly recommended for students with ASD.

Designed for use in both inclusive and special education environments, *Autism: Classroom Success with Applied Behavior Analysis* is a valuable tool for teachers and paraprofessionals trained to use ABA in their classrooms, especially those who are consulting with board certified behavior analysts (BCBAs). It also serves as

a useful resource for parents whose children are receiving ABA services. Written by experienced special education teachers who are also BCBAs, this guide includes clear descriptions of principles of ABA such as reinforcement, prompting, modeling, and shaping along with examples for instruction in the classroom to teach language, social, and academic skills. Also included are strategies for collecting data, monitoring progress, and reducing interfering behavior.
