When Kid accompanies her parents to New York City, she discovers a goat living on the roof of her Manhattan apartment building— but she soon realizes a goat on the roof may be the least strange thing about her new home, whose residents are both fascinating and unforgettable. When Kid accompanies her parents to New York City for a six-month stint of dog-sitting and home-schooling, she sees what looks like a tiny white cloud on the top of their

apartment building. Rumor says there's a goat living on the roof, but how can that be? As Kid soon discovers, a goat on the roof may be the least strange thing about her new home, whose residents are both fascinating unforgettable. In the penthouse lives Joff Vanderlinden, the famous skateboarding fantasy writer, who happens to be blind. On the ninth floor are Doris and Jonathan, a retired couple trying to adapt to a new lifestyle after Jonathan's stroke. Kenneth P. Gill, on the tenth, loves opera and tends to burble on nervously about his two hamsters — or are they guinea pigs? Then there's Kid's own high-maintenance mother, Lisa, who is rehearsing for an Off Broadway play and is

sure it will be the world's biggest flop. Then Kid meets Will, whose parents died in the Twin Towers. And when she learns that the goat will bring good luck to whoever sees it, suddenly it becomes very important to know whether the goat on the roof is real. Opera houses--temples to the art of Mozart, Verdi, Tchaikovsky, and more--have been created by some of the most talented architects and designers of their

generations, inspiring centuries of veneration from audiences, filled with royalty and commoners alike. In this sumptuous book, photographer Guillaume de Laubier and journalist Antoine Pecqueur explore more than 25 of the world's most beautiful opera houses, from Tokyo to Covent Garden, from Oslo to Chicago, from Milan to New York. The buildings are described in their historical contexts, while stunning photography reveals the theaters' most captivating spaces. In addition to offering sweeping views of ornate auditoriums and facades, the book opens doors normally closed to the public, entering the artists' dressing rooms, rehearsal halls, scenery workshops, and more, presenting a wide-ranging and compelling look into a spectacular world. Praise for *The Most Beautiful Opera Houses in the World*: "Performance spaces take the spotlight in *The Most Beautiful Opera Houses in the World* and you don't need to be a music buff to appreciate their range. The photographs by Guillaume de Laubier capture 32 theaters across the globe in rich detail . . . Who knew empty stages made for such good theater?" -- Wall Street Journal "With the growing

popularity of massive arenas, it is often difficult to think back to a time when going out for a night of music was synonymous with elegance. But a new book has rediscovered the high art of these exquisite theater spaces. The Most Beautiful Opera Houses in the World contains hundreds of photographs showing the exteriors and auditoriums of these cultural treasures--and is a reminder why these architectural wonders are worth a visit." --FOXNews.com

In 1968, the Beatles went to Rishikesh, India, studied transcendental meditation, and wrote music. These intimate photos are the only record of their time in this sacred retreat. This new edition of *The Beatles in India* brings intimate images of the group, taken at an ashram in Rishikesh, India, to a wider audience than ever before. No photographers or press were allowed at Maharishi Mahesh Yogi's ashram in the foothills of the Himalayas, but the Beatles had no objection to fellow visitor Paul Saltzman freely snapping pictures during their time there. This unprecedented access resulted in an extensive collection of intimate photos of the world's most beloved rock band during one of their most serene and productive periods, only two years before the official dissolution of the group. Containing a wide-ranging narrative by Saltzman—about everything from the

story of how “Dear Prudence” came to be to George Harrison’s description of the first time he picked up a sitar—this unique and exclusive exploration of one of the Beatles’ most tender and bittersweet periods is a must-have for all fans of the legendary rock group.

From bestselling poet Daniel Ladinsky, a rich collection that brings the great Sufi poet Hafiz to Western readers To Persians, the poems of Hafiz are not “classical literature” from a remote past but cherished wisdom from a dear and intimate friend that continues to be quoted in daily life. With uncanny insight, Hafiz captures the many forms and stages of love. His poetry outlines the stages of the mystic's “path of love”—a journey in which love dissolves personal boundaries and limitations to join larger processes of growth and transformation. With this stunning collection, Ladinsky has succeeded brilliantly in capturing the essence of one of Islam’s greatest poetic and spiritual voices. “If you haven’t yet

had the delight of dining with Daniel Ladinsky's sweet, playful renderings of the musings of the great saints, I Heard God Laughing is a perfect appetizer. . . . This

newly released edition of his first playful foray into Hafiz's divinely inspired poetry is essential reading. . . . Ladinsky is a

master who will be remembered for finally bringing Hafiz alive in the West."
