## MYLA CARR

**Finis Austriae e la nuova speranza: Israele** Dragonfly Books  
La vita della giovane liceale Bianca scorre in maniera piuttosto lineare nonostante gli alti e bassi tipici dell'adolescenza: ha assorbito con coraggio il duro colpo dell'abbandono dei suoi genitori già in tenera età, e condivide le proprie giornate in compagnia della zia Giada e della migliore amica Andrea. Ha una forte passione per la musica, e proprio in occasione di una festa scolastica viene notata tra il pubblico dai Blue Flame, la band giovanile che sta iniziando a mietere i primi successi, ricevendo la proposta di entrare a far parte del gruppo. Sembra un sogno a occhi aperti per Bianca, che stravede per quei suoi coetanei così fascinosi e idolatrati: ma le luci della ribalta promettono davvero un radioso futuro, o celano invece un doloroso passato? Cresciuta tra i libri di storia e letteratura della madre e i manuali di anatomia del padre, Giulia Mochi si sente a proprio agio tra le parole. Dopo gli studi classici, l'accademia di illustrazione e una serie di pubblicazioni vincenti per i concorsi più disparati, è ormai sicura di aver trovato la propria felicità nell'arte. Un incontro inaspettato le fa rivedere ogni certezza, portandola sulla strada della musica: un percorso pericoloso ma necessario a farla crescere. Questo romanzo è dedicato alla persona che le ha cambiato per sempre la vita.

**Sofia Loren. The quintessence of being an italian woman.** Ediz. italiana e inglese Alma Books

This volume proposes a rich corpus of papers about the 'Other City', a subject only few times dealt with, but worthy of all our attention: it imposes itself on the scene of international modern and contemporary historiography for its undeniable topicality. Throughout history, the city has always had to deal with social 'otherness', i.e. with class privileges and, consequently, with discrimination and marginalization of minorities, of the less well-off, of foreigners, in short, with the differences in status, culture, religion. So that the urban fabric has ended up structuring itself also in function of those inequalities, as well as of the strategic places for the exercise of power, of the political, military or social control, of the spaces for imprisonment, for the sanitary isolation or for the 'temporary' remedy to the catastrophes. From the first portraits of cities, made and diffused at the beginning of the fifteenth century for political exaltation purposes or for religious propaganda and for devotional purposes, which often, through increasingly refined graphic techniques, distort or even deny the true urban image, we reach, at the dawn of contemporary history, the new meaning given by scientific topography and new methods of representation; these latter aimed at revealing the structure and the urban landscape in their objectivity, often unexpected for who had known the city through the filter of 'regime' iconography. The representation of the urban image still shows the contradictions of a community that sometimes includes and even exalts the diversities, other times rejects them, showing the unease of a difficult integration.

*I Love You Always* Gli Ori

Francesco Koslovic—even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of Italians and Slavs. Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**The Silver Dream** Gruppo Albatros Il Filo

Written by New York Times bestselling authors Neil Gaiman and

Michael Reaves with Mallory Reaves, The Silver Dream is a riveting sequel to InterWorld, full of bravery, loyalty, time and space travel, and the future of a young man who is more powerful than he realizes. Dangerous times lie ahead, and if Joey Harker has any hope of saving InterWorld and the Altiverse, he's going to have to rely on his wits—and, just possibly, on the mysterious Time Agent Acacia Jones.

*Una guerra di spie* Gruppo Albatros Il Filo

Light art is a field in contemporary art that uses artificial light as its primary expressive tool. This volume examines how investigation into the chromatic values of light has been carried out throughout the history of art from its very beginning until its most recent developments. The book features an interview with James Turrell, the American artist unanimously considered the greatest master of light art. The second section is devoted to the Targetti Light Art Collection, one of the world's most prestigious collections of artificial light. The images and descriptions of each work are accompanied by critical texts on the artists. The book includes works by artists such as Olafur Eliasson, Gilberto Zorio, Anne and Patrick Poirier, Fabrizio Plessi and Hidetoshi Nagasawa, as well as emerging talents.

*Conversazioni della domenica giornale d'amene letture, letterario-artistico illustrato* Penguin

In un'epoca come quella nella quale viviamo, dominata dall'influenza nella vita individuale e sociale delle tecnologie digitali che prediligono la semplificazione alla complessità, diventa ancora più importante tenere presente che non esiste un'unica verità interpretativa anche delle storie letterarie e delle altre forme della creatività. Vi sono invece verità parziali e punti di vista soggettivi da mettere in relazione con il maggior numero di adulti che svolgono, in diversi ambiti, una funzione educativa e formativa. E tutto ciò è ancora più importante quando il tema riguarda la prima e la seconda infanzia, sulle quali Giovanni Greci si sofferma in questo saggio con l'obiettivo di contribuire a un arricchimento collettivo, grazie a un'analisi imperniata sull'ascolto e sul confronto in relazione alle varie fasi di sviluppo del bambino, nella consapevolezza che ogni storia condivisa è anche fonte di una contaminazione e di una crescita reciproca. Giovanni Greci è stato responsabile dal 1985 al 2018 della Biblioteca "C. Pavese" del Comune di Parma, rivolta prevalentemente ai minori e agli adulti che con varie funzioni si occupano di loro. In merito all'educazione alla lettura e alla letteratura giovanile ha pubblicato varie opere, ultima delle quali: "Su onde d'acqua, di sabbia e di terra: Vite di migranti... nella letteratura per ragazzi da fine '800 ai giorni nostri" (Albatros, 2021). Sempre in merito a dette tematiche ha tenuto conferenze in Italia, in Europa e negli U.S.A. Per quanto riguarda la letteratura 0/6 anni ha scritto sulla rivista Bambini (Ediz. Junior) dal 1985 al 1998 e tenuto corsi di formazione professionale a educatori e insegnanti. Si sottolinea, contemporaneamente, la sua attività in campo fotografico con diverse esposizioni anche all'estero e con la pubblicazione di opere, per ultimo: Oltre a ciò, vedi (Silvana editoriale, 2022).

**I Libri del giorno** Kaba Edizioni

William Carlos Williams's examination of American history in a series of reflective essays.

**Phileas's Fortune** De Luca Editori d'Arte

*I Love You Always* is an ode to motherly love that approaches a timeless topic with elegant simplicity and refreshing honesty. With a simple question, "Mom, will you love me my whole life?" Archibald sparks the most honest and relatable of answers from his mother, who goes on to tell her son about all the moments in life through which she loves him. "I love you when you behave and when your good behavior doesn't last" and "I love you when you look your best and when you're feeling your worst" are some of the scenes author Astrid Desbordes and illustrator Pauline Martin succeed in depicting with heartwarming candidness. A refreshing take on a timeless subject, *I Love You Always* beautifully recounts a mother's unconditional love for her child. **Los Angeles. Now here, nowhere.** Ediz. italiana e inglese Gremese Editore

The beloved fable about loving your home from four-time Caldecott Honor-winner Leo Lionni. A young snail dreams of having the biggest house—or shell—in the world. Then one day, his wise father tells him the story of another snail with the same dream. He grew and grew, adding bright colors and beautiful designs, until he found that his house came at a terrible cost. The young snail decides that a small, easy-to-carry shell might be best for a life of adventure and exploration.

**Index translationum** Dragonfly Books

A bestselling Italian writer makes her American debut with this delightful dramedy of manners, family, romance, and fashion that is set on the island of Sardinia at the end of the nineteenth century—a dazzling and original literary blend of Jane Austen and

Adriana Trigiani. In 1900 Sardinia, a young woman's remarkable talent with a needle earns her a position as a seamstress with a wealthy family. Inside this privileged world far different from her own humble beginnings, the skilled sewer quietly takes measurements, sketches designs, mends hems—and in the silence, hears whispered secrets and stories of all those around her. Through the watchful young seamstress's eyes, this small Italian city and its residents emerge in all their vitality, vanity, and fragility—flawed yet congenial people who are not quite what they pretend to be. There is the Marchesa Esther, who rides horses and studies mechanics and ancient Greek; Miss Lily Rose, a spirited American journalist who commissions a special corset—with pockets to hide more than just her flaws; the Provera sisters with their expensive Parisian fashions that belie their financial hardships; and Assuntina, the wild child. There are men, young, old, and in between; love affairs and broken hearts; and even a murder (or was it suicide?). And at the center, watching and waiting is the seamstress herself, an intelligent, ambitious girl with a tender heart and her own impossible dream. An irresistible literary confection rich in atmosphere and period detail and packed with compelling characters. The Seamstress of Sardinia transports us to a long-ago world not so removed from our own—to a society rigidly divided by wealth and shaped by passion, hope, ambition, and love—the elemental forces that drive human lives.

**Dizionario del cinema italiano** Giunti Editore

Classified under country, with indexes of authors and translators.

**The Greentail Mouse** Tangram Ediz. Scientifiche

Al di là di illustrare l'impegno congiunto dei tre servizi - OSS, SOE e SIM - al fine di portare aiuto alla Resistenza italiana, il volume mostra anche l'importanza del ruolo assolto dal SIM di Badoglio, sino a oggi praticamente sconosciuto. Quest'ultimo e le Autorità Militari italiane, dalle quali il SIM appunto dipendeva, dispiegarono a favore della Resistenza italiana un'ingente mole di aiuti (basi logistiche e archivi) nonché un numero consistente di agenti scelti che sommati con il poderoso impegno angloamericano di avio-lanci di armi e rifornimenti; finanziamenti e istruttori militari durate i mesi della Lotta consentirono di far giungere alla Resistenza italiana (Comunisti inclusi) tonnellate di aiuti militari e diverse decine di indispensabili missioni di spie militari e team commando. [Testo dell'editore].

**Bollettino delle pubblicazioni italiane ricevute per diritto di**

**stampa** Tangram Ediz. Scientifiche

Originally published in 1973, this is the offbeat fable of a city mouse who visits his peaceful country cousins and tells them about Mardi Gras in the city. The country mice are inspired to have their own Mardi Gras. And at first, it is fun wearing their masks with sharp teeth and tusks and scaring each other, but after a while, they begin believing that they really are ferocious animals. Leo Lionni's winsome mice cavort across big double-page spreads of oil paintings and tell a story about what is real and what is not that is just right for preschoolers. Reissued in hardcover in 2003, it now makes its debut in Dragonfly paperback.

**Paragone** Random House Digital, Inc.

All children dream of having a secret house where they can live on their own, far from any rules and regulations. But not all of them are as lucky as Aglaia, who lives at the top of a magical tree together with her friend Bianca and an incredible host of flying dogs, talking cats, carnivorous flowers and children who speak in verse. Inventively illustrated by Quentin Blake, Aglaia's adventures – and her battles with the gruff Signor Brullo and the woodmen who want to cut down the tree – are sure to enchant and inspire the imagination of every child.

**Deranged** FedOA - Federico II University Press

Based on a true story, tells the tale of a Somali girl who risked her life on a migrant journey to Europe to run in the Olympic Games.

Santa Claus has a complicated and sophisticated Christmas operation, which includes the training of and numerous jobs for his elves to the celebrations at his own Christmas Day party. **Bollettino del Servizio per il diritto d'autore e diritti connessi** Penguin UK

A tutti è noto "Lontano da dove", il volume che Claudio Magris ha dedicato all'opera di Joseph Roth e alla tradizione ebraico-orientale. Roth ha ispirato anche l'autore di questo libro che si è soffermato a studiare questo singolare scrittore mitteleuropeo. L'attenzione di Facinelli è attratta in particolare da tre opere: "La Marcia di Radetzky", "La Cripta dei Cappuccini", "Ebrei Erranti". Egli individua gli elementi storici, gli aspetti sociologici di cui le opere sono intessute e non manca di soffermarsi sull'odio antisemita che si manifesta in concomitanza con il declino

dell'Impero e che prelude all'imminente genocidio del Popolo ebraico. La parte più notevole del suo lavoro riguarda l'analisi di "Ebrei Erranti" di Roth e il raffronto con "Der Judenstaat" di Theodor Herzl dato alle stampe nel 1896. Lo Stato che Herzl caldeggia non è un'utopia, ma l'unica possibilità di salvezza e rifugio per il Popolo ebraico. (a. n.)

**Io e te in viaggio in oltre 1000 storie per la prima e la**

**seconda infanzia** Simon and Schuster
