We're the D'Artigo sisters: Half-human, half-Faerie, we're savvy—and sexy—operatives for the Otherworld Intelligence Agency. But our mixed-blood heritage short-circuits our talents at all the wrong times. My sister Delilah shapeshifts into a tabby cat whenever she's stressed. Menolly's a vampire who's still trying to get the hang of being undead. And me? I'm Camille—a wicked-good witch. Except my magic's as unpredictable as the weather, as my enemies are about to find out the hard way... At the Wayfarer Inn, a portal to Otherworld and the local hangout for humans and beasties alike, a fellow operative, Jocko, has been murdered. Every clue points to Shadow Wing, the soul-munching, badass leader of the Subterranean Realms. He's made it clear that he aims to raze humankind to the ground, turning both Earth and Otherworld into his private playground. Our assignment: Keep Shadow Wing and his minions from creeping into Earth via the Wayfarer. The demons figure they're in like Flynn. After all, with only my

bumbling sisters and me standing in the way, how can they miss? But we've got a secret for them: Faulty wiring or not, nobody kicks ass like the D'Artigo girls... **Dark Moon Saga - Crimson Moon-Book 1** Penguin

When we first meet Pearl - young in years but advanced in her drinking - she's sitting at a hotel bar in Florida, throwing back gin and tonics. Cradled in the crook of her arm is her infant son. But the relief she feels at having fled her abusive husband, and the Northeastern island his family calls home, doesn't last for long. Soon she's being shepherded back. The island, for Pearl, is a place of madness and pain, and her drinking might dull the latter but it spurs on the former. Through the lens of Pearl's fragile consciousness, readers encounter the horror and triumph of both childhood and motherhood. With language that flits between exuberance and elegy, the plainspoken and the poetic, Joy Williams has created a modern fairy-tale, entirely original and entirely consuming.
