First published in 1992. A Theory of Liberty seeks to change the way we think about the American constitution. The focus of the book is the legal status of minority groups in the United States a topic at the top of the current political agenda.

Arguing that minority rights were vitally important to the founding fathers, H. N. Hirsch presents an original and provocative look at issues such as affirmative action, abortion, and the rights of children, lesbians and gay men, mental patients, and the physically disabled. In an analysis which blends history, philosophy, law, and social science, Hirsch attacks both liberals who hide from history and conservatives who push for "original intent." He argues that we can remain faithful to the most basic intent of the founding fathers without losing our ability to reinterpret the Constitution against the backdrop of contemporary social "facts." Hirsch exposes the errors and hypocrisy of the current Supreme Court majority, and argues that the Constitution's liberty can and should be interpreted to protect the rights of minority groups. Timely and controversial, this title offers a challenging look at some of America's most basic ideological commitments, and will appeal

to anyone concerned with the current state of American law or the treatment of minority groups.

Something Borrowed, Someone Dead continues the tradition in M. C. Beaton's beloved Agatha Raisin cozy mystery series—now a hit show on Acorn TV and public television. Gloria French was a jolly widow with dyed blonde hair, a raucous laugh and rosy cheeks. When she first moved from London to the charming Cotswolds hills, she was heartily welcomed. She seemed a do-gooder par excellence, raising funds for the church and caring for the elderly. But she had a nasty habit of borrowing things and not giving them back, just small things, a teapot here, a set of silverware there. So it's quite the shock when she is found dead, murdered by a poisoned bottle of elderberry wine. Afraid the murder will be a blight on the small town, Parish councillor, Jerry Tarrant, hires private detective Agatha Raisin to track down the murderer. But the village is secretive and the residents resent Agatha's investigation. Of course that doesn't stop the ever-persistent Agatha from investigating and sticking her nose where no one wants it—especially as the suspect list grows. And, as if it isn't enough that Agatha's ex has reentered the picture, the murderer is now targeting Agatha! With M.C. Beaton's Something Borrowed, Someone Dead the bossy, vain, and absolutely irresistible, Agatha Raisin continues to be a fan favorite.

Written by Alex Rovira and Fernando Trias de Bes—two leading marketing consultants—this simple tale is universally applicable and uniquely inspirational. Good Luck tells the touching story of two old men, Max and Jim, who meet by chance in Central Park fifty years after they last saw each other as children.
