The truth is, when you banish the gods from the world, they eventually come back—with a vengeance. In the near future, Justin March lives in exile from the Republic of United North America. After failing in his job as an investigator of religious groups and supernatural claims, Justin is surprised when he is sent back with a peculiar assignment—to solve a string of ritualistic murders steeped in seemingly unexplainable phenomena. Justin's return comes with an even bigger shock: His new partner and bodyguard, Mae Koskinen, is a praetorian, one of the Republic's technologically enhanced supersoldiers. Mae's inexplicable beauty and aristocratic upbringing attract Justin's curiosity and desire, but her true nature holds more danger than anyone realizes. As their investigation unfolds, Justin and Mae find themselves in the crosshairs of mysterious enemies. Powers

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they

believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
