The Hungry Family Cookbook Macmillan

Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, life, and love are one and the same.

Squeaky Clean Keto marries the principles of clean eating with the ketogenic diet, resulting in reduced inflammation, faster weight loss, and better overall health. It provides readers with the methods and principles of squeaky clean keto (no grains, dairy, alcohol, sweeteners, or nuts), 30 days of easy-to-follow meal plans, and more than 130 delicious recipes that are big on flavor and will appeal to even the pickiest of eaters. This book will help readers lose weight, feel healthier, and identify whether certain common allergens are hindering their progress—all while eating an abundance of delicious foods that the entire family can enjoy. Squeaky Clean Keto makes weight loss on keto almost effortless, even for people who are self-proclaimed "slow losers." Food intolerances and inflammation caused by common keto foods like dairy, nuts, and sweeteners can slow weight loss, so when those things are completely removed from the diet, many see rapid

results that they weren't getting on "regular" keto. After 30 days of squeaky clean keto, slowly reintroducing the potentially offending foods can shine a light on which foods may have been stalling weight loss. With this information in hand, readers can decide to limit or omit those foods completely moving forward for a fully customized approach to the keto diet.

Becoming Ageless St. Martin's Griffin

A Publishers Weekly Best Book of the Year From an obesity and neuroscience researcher with a knack for engaging, humorous storytelling, *The Hungry Brain* uses cutting-edge science to answer the questions: why do we overeat, and what can we do about it? No one wants to overeat. And certainly no one wants to overeat for years, become overweight, and end up with a high risk of diabetes or heart disease--yet two thirds of Americans do precisely that. Even though we know better, we often eat too much. Why does our behavior betray our own intentions to be lean and healthy? The problem, argues obesity and neuroscience researcher Stephan J. Guyenet, is not necessarily a lack of willpower or an incorrect understanding of what to eat. Rather, our appetites and food choices are led astray by ancient, instinctive brain circuits that play by the rules of a survival game that no longer exists. And these circuits don't care about how you look in a bathing suit next summer. To make the case, *The Hungry Brain* takes readers on an eye-opening journey through cutting-edge neuroscience that has never before been available to a general audience. *The Hungry Brain* delivers profound insights into why the brain undermines our weight goals and transforms these insights into practical guidelines for eating well and staying slim. Along the way, it explores how the human brain works, revealing how this mysterious organ makes us who we are.

Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150

amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started "skinny-fying" her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.

Cameron Diaz shares her formula for becoming happier, healthier, and stronger in this positive, essential guide grounded in science and inspired by personal experience, a #1 New York Times bestseller. Throughout her career, Cameron Diaz has been a role model for millions of women. By her own candid admission, though, this fit, glamorous, but down-to-earth star was not always health-conscious. Learning about the inseparable link between nutrition and the body was just one of the life-changing lessons that has fed Cameron's hunger to educate herself about the best ways to feed, move, and care for her body. In The Body Book, she shares what she has learned and continues to discover about nutrition, exercise, and the mind/body connection. Grounded in science and informed by real life, The Body Book offers a comprehensive overview of the human body and mind, from the cellular level up. From demystifying and debunking the hype around food groups to explaining the value of vitamins and minerals, readers will discover why it's so important to embrace the instinct of hunger and to satisfy it with whole, nutrient-dense foods. Cameron also explains the essential role of movement, the importance of muscle and bone strength and why we need to sweat a little every day. The Body Book does not set goals to reach in seven days or thirty days or a year. It offers a holistic, long-term approach to making consistent choices and reaching the ultimate goal: a long, strong, happy, healthy life.

The Hungry Girl Diet Cookbook St. Martin's Griffin

A dad's "charming, funny" memoir of trying to pass along his refined culinary tastes, with some kid-friendly recipes included (Neal Pollack). Armed with the belief that kids don't need puree in a jar or special menus when eating out, restaurant critic and food writer Matthew Amster-Burton was determined to share his love

of all things culinary with his daughter, Iris. From the high of rediscovering tastes through a child's unedited reaction to the low of realizing his precocious vegetable fiend was just going through a phase, Matthew discovered that raising an adventurous eater is about exposure, invention, and patience. Sharing in Matthew's culinary capers is little Iris, a budding gourmand and a zippy critic herself—who makes huge sandwiches, gobbles up hot chilies, and even helps around the kitchen. This account, with dozens of delicious recipes and notes on which dishes can be prepared by "little fingers," reminds us: "Food is fun, and you get to enjoy it three times a day, plus snacks." "A very timely and excellent book." —Anthony Bourdain "A fast, funny memoir punctuated with sensible advice and recipes . . . Encourages adults to chill the heck out and have fun cooking with their kids." —Seattle Weekly "An antidote to the ubiquitous advice that bland food is best for little ones." —Associated Press "Full of great ideas for family meals. In a world of culinary pandering to kids . . . Amster-Burton gets the recipe right." —Neal Pollack, author of *Alternadad* "Amster-Burton is equal parts Mario Batali, Ray Romano, Dr. Spock of toddler cuisine, and Mr. Spock of child logic." —Steven Shaw, author of *Turning the Tables Squeaky Clean Keto* St. Martin's Griffin

In *The Skinnygirl Dish*, four-time New York Times bestselling author Bethenny Frankel builds on the foundation of healthy living from her bestseller, *Naturally Thin* to share her passion for healthful, natural foods. In the New York Times bestseller *The Skinnygirl Dish*, Bethenny Frankel adds additional healthy eating advice to the foundation she created with her hugely popular book, *Naturally Thin*. In *The Skinnygirl Dish* she shows how to find your food voice, know when you are really hungry, and which filling and fiber-rich foods to reach for. *The Skinnygirl Dish* serves up three weeks of tasty meals, snacks, and drinks to break the cycle of yo-yo dieting. Drawing on her now famous rules like "Your Diet is a Bank Account" and "Taste Everything, Eat Nothing," Bethenny caters to real lifestyles and shows how to maintain a healthy diet wherever you are: in a restaurant, on a plane, or with your family. With recipes and advice for holidays and special occasions and a guide to a healthful kitchen—all with Bethenny's fun, informative personality—here's another breakout hit from everyone's favorite fixologist.

"If you enjoyed *An American Marriage* by Tayari Jones, read *The Care and Feeding of Ravenously Hungry Girls*...an absorbing commentary on love, family and forgiveness."—The Washington Post "A fast-paced, intriguing story...the novel's real achievement is its uncommon perceptiveness on the origins and variations of addiction."—The New York Times Book Review One of the most anticipated reads of 2019 from Vogue, Vanity Fair, Washington Post, BuzzFeed, Essence, Bustle, HelloGiggles and Cosmo! "The Mothers meets *An American Marriage*" (HelloGiggles) in this dazzling debut novel about mothers and daughters, identity and family, and how the relationships that sustain you can also be the ones that consume you. The Butler family has had their share of trials—as sisters Althea, Viola, and Lillian can attest—but nothing prepared them for the literal trial that will upend their lives. Althea, the eldest sister and substitute matriarch, is a force to be reckoned with and her younger sisters have alternately appreciated and chafed at her strong will. They are as stunned as the rest of the small community when she and her husband, Proctor, are arrested, and in a heartbeat the family goes from one of the most respected in town to utter disgrace. The worst part is, not even her sisters are sure exactly what happened. As Althea awaits her fate, Lillian and Viola must come together in the house they grew up in to care for their sister's teenage daughters. What unfolds is a stunning portrait of the heart and core of an American family in a story that is as page-turning as it is important.

Hunger Makes Me a Modern Girl Little, Brown

Four secrets to looking and feeling younger than ever. *Becoming Ageless* presents a three-month, detailed diet and exercise plan to create a leaner, more muscular and happier you. Developed by business mogul and fitness buff Strauss Zelnick—founder of the private equity firm Zelnick Media Capital and president and CEO of Take-Two Interactive, the company behind blockbuster video games such as *Grand Theft Auto* and *NBA2K*-- the strategies contained in *Becoming Ageless* are the same tactics that allowed Zelnick to evolve from a skinny, out-of-shape business executive (a workaholic wunderkind who headed the film studio 20th Century Fox in his early 30s) to one of the world's fittest and most physically active executives who reached his best-ever shape in his late 50s! "If you believe my fitness buddies," Zelnick writes, "I have a body that's aging in reverse...And *Becoming Ageless* is filled with the amazing tips and unique principles you'd find if you

trained with me."

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his weight and health. The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto *Skinny Bitch*. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In *Skinny Bastard*, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girlie" thing—and the Bitches will whip any man into shape with their straight-talk, sound guidance, and locker room language.
