Taught to Believe the Unbelievable tells the story of how Sister Jane Kelly contested Church leaders' efforts to shield the sexual and fiscal misconduct of its priests. Rather than collude in the cover-up, she went to the press, at great risk to her reputation and her relationship to the Church she had served for fifty-five years. When newspaper headlines at last broke the news, Sister Jane's role in her community was changed forever. Sister Jane's courageous actions, recounted here, reveal how this crisis of faith ultimately became an opportunity to revitalize the Church's most fundamental spiritual teachings. In Taught to Believe the Unbelievable, her amazing story reminds every reader, regardless of their faith, that the call of one's own heart and conscience supersedes all externally imposed authority.

LURED FROM THE SAFETY OF HOME -- INTO THE JAWS OF HELL

"America's principal chronicler of its greatest psychopathic killers"

(The Boston Book Review), Harold Schechter shatters the myth that violent crime is a modern phenomenon -- with this seamless true account of unvarnished horror from the early twentieth century. Journey inside the demented mind of Albert Fish -- pedophile, sadist, and cannibal killer -- and discover that bloodlust knows no time or place.... On a warm spring day in 1928, a kindly, white-haired man appeared at the Budd family home in New York City, and soon persuaded Mr. and Mrs. Budd to let him take their adorable little girl, Grace, on an outing. The Budds never guessed that they had entrusted their child to a monster. After a relentless six-year search and nationwide press coverage, the mystery of Grace Budd's disappearance was solved -- and a crime of unparalleled gore and revulsion was revealed to a stunned American public. What Albert Fish did to Grace Budd, and perhaps fifteen other young children, caused experts to pronounce him the most deranged human being they had ever seen.

Unbelievable Crimes Volume Five Simon and Schuster

I'm not supposed to leave the house. But what my husband doesn't know won't kill him. I break his rules every morning on my runs. It's always been best when I have a routine. So every day I wake up, run, clean the house, wish for a better life, repeat. And every day is exactly the same. Except for Thursdays. I live and breathe for Thursdays. It's when he comes. I watch him from a distance. I can't help myself. But I was never supposed to talk to him. I know what you're thinking. But you don't know my story. You don't know the kind of monster my husband is. And trust me, you have no idea who I am.*This is a standalone thriller with an unforgettable twist.*

Come with me to investigate some of the most unnerving tales of human wickedness in Unbelievable Crimes Volume Five. In the fifth installment of the series, I'll take you deep into the shadows of true crime history to uncover a new selection of shocking crimes you may not have heard of before. From deranged kidnappings to murderous teenage gangs, this volume of Unbelievable Crimes will cover some truly twisted tales from truly wicked people. Discover the crimes of a master manipulator and cold-blooded killer who acted like an upstanding member of his community in Mesa, Arizona. When his horrific crimes came to light, no one could believe he was capable of such cruelty - but irrefutable DNA evidence proved otherwise. Retrace the harrowing saga of the Gallegos, a married couple who just so happened to be dangerous predators. The sadistic duo prowled the streets of California in the late 70s, searching for young victims to lure into their van before carrying out their depraved desires. I'll cover the story behind the murder of Danielle Jones, a young life cut short in England in 2001. Sadly, her body was never found, but in an unusual twist, the case was cracked by analysis of text messages sent by the killer. Explore the tale of Armin Meiwes, a German man who craved human flesh. Not only did Armin act upon his macabre desire, but he also found a victim who was willing to be eaten. His twisted appetite would be satisfied - but a man would die in the process. Learn about a case so callous it defies belief: a British mother who killed her children in a sick act of filicide. Why? Because they got in the way of her dating life. Get to know about the devastating murder of a young girl whose killer escaped justice for over three decades. In the early 90s, Nikki Allan was horrifically and senselessly killed, and

for years it seemed like her murderer would never be brought to justice. A new phenomenon of true crime sees historic crimes getting solved with new DNA capabilities. Therefore, criminals from years ago are now being brought to justice - this is one such case. Uncover these cases, as well as six more stories in Unbelievable Crimes Volume Five. Just like the previous books in this series, I do my best to ensure the victims' suffering is remembered and the shameful actions of the criminals are highlighted. As with all the installments of this series, I'll examine the darkest depths of human malice. I recount real-life cases of murder, violence, and unimaginable cruelty. Please bear this in mind before reading.

From an award-winning New York Times reporter comes the full, mind-boggling true story of the lies, crimes, and ineptitude behind the Enron scandal that imperiled a presidency, destroyed a marketplace, and changed Washington and Wall Street forever. It was the corporate collapse that appeared to come out of nowhere. In late 2001, the Enron Corporation—a darling of the financial world, a company whose executives were friends of presidents and the powerful—imploded virtually overnight, leaving vast wreckage in its wake and sparking a criminal investigation that would last for years. Kurt Eichenwald transforms the unbelievable story of the Enron scandal into a rip-roaring narrative of epic proportions, taking readers behind every closed door—from the Oval Office to the executive suites, from the highest reaches of the Justice Department to the homes and bedrooms of the top officers. It is a tale of global reach—from Houston to Washington, from Bombay to London, from Munich to Sao Paulo—laying out the unbelievable scenes that twisted together to create this shocking true story. Eichenwald reveals never-disclosed details of a story that features a cast including George W. Bush, Dick Cheney, Paul O'Neill, Harvey Pitt, Colin Powell, Gray Davis, Arnold Schwarzenegger, Alan Greenspan, Ken Lay, Andy Fastow, Jeff Skilling, Bill Clinton, Rupert Murdoch and Sumner Redstone. With its you-are-there glimpse into the secretive worlds of corporate power, *Conspiracy of Fools* is an all-true financial and political thriller of cinematic proportions.

The Shocking Story of Helmuth Schmidt Random House

In 1988, detectives from the Sacramento Police Department were called to investigate the disappearance of a man at his last known

address, a boarding house for the elderly, homeless and mentally ill. The owner, Dorothea Puente, was an adorable old lady who cared for stray cats and the rest of society's castaways. She had a strong standing in the community and was celebrated for her selfless charitable work. The search revealed nothing untoward but one of the guests recalled some unusual incidents leading up to the disappearance. He shared stories about holes being dug in the garden and filled in overnight. Guests who were taken ill and vanished overnight, and a number of excuses why they couldn't be contacted. This was enough to launch a thorough investigation and on 11th November 1988, the Sacramento Police Department headed back to the boarding house with shovels in hand. Were they wasting their time pursuing a charming and charitable old lady or were they closing in on a clandestine killer who exploited the most vulnerable members of society? The investigation gripped the entire nation and the answers lay Buried Beneath the Boarding House. Ryan Green presents a dramatic and chilling account of one of the most bizarre true crime stories in American history. Green's riveting narrative draws the reader into the real-life horror experienced by the victims and has all the elements of a classic thriller. The unbelievable true story of Canada's first known spree killer, told by a veteran of the Royal Canadian Mounted Police. In June 1966, Matthew Charles Lamb took his uncle's shotgun and wandered down Ford Blvd in Windsor, Ontario. At the end of the bloody night, two teenagers lay dead, with multiple others injured after an unprovoked shooting spree. In his investigation into Lamb's story, Will Toffan pieces together the troubled childhood and history of violence that culminated in the young man's dubious distinction as Canada's first known spree killer—at which point the story becomes, the author writes "too strange for fiction." Travelling from the border city streets, to the courtroom, to the Oak Ridge rehabilitation centre, and finally Rhodesia, *Watching the Devil Dance* is both a thrilling narrative about a shocking true crime and its bizarre aftermath and an insightful analysis of the 1960s criminal justice system.

_____ The real-life investigation behind the hit Netflix series, from two Pulitzer Prize-winning journalists. SHORTLISTED FOR THE GOLD DAGGER AWARD She said she was raped. Police said she lied. She was made to retract the report - but the nightmare only got worse. On 11 August 2008, eighteen-year-old Marie reported that a masked man had broken into her home and raped her. Within days, police - and even those closest to Marie - became suspicious of her story. Confronted by these minor inconsistencies and doubt, Marie broke down and said her story was a lie. The police charged her with making a false report. Two years later, Colorado detective Stacy Galbraith was assigned to a case of sexual assault. It bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. Joining forces with the detective on that case, Edna Hendershot, the two soon discovered they were dealing with a serial rapist. As their investigation deepened, it became clear that numerous police departments had extremely similar cases on their hands - and that Marie's story bore an eerie resemblance to the cases they were investigating. Unbelievable is a chilling tale of doubt, lies, and the hunt for justice, unveiling the disturbing reality of how sexual assault is investigated and the long history of scepticism toward its victims.

America's #1 true-crime writer fulfills a murder victim's desperate plea with this shattering New York Times bestseller. "If anything ever happens to me...find Ann Rule and ask her to write my story." In perhaps the first true-crime book written at the victim's request, Ann Rule untangles a web of lies and brutality that culminated in the murder of Sheila Blackthorne Bellush—a woman Rule never met, but whose shocking story she now chronicles with compassion, exacting detail, and unvarnished candor. Although happily ensconced in a loving second marriage, and a

new family of quadruplets, Sheila never truly escaped the vicious enslavement of her ex-husband, multi-millionaire Allen Blackthorne, a handsome charmer—and a violent, controlling sociopath who subjected Sheila to unthinkable abuse in their marriage, and terrorized her for a decade after their divorce. When Sheila was slain in her home, in the presence of her four toddlers, authorities raced to link the crime to Blackthorne, the man who vowed to monitor Sheila's every move in his obsessive quest for power and revenge.

Now the Netflix Limited Series *Unbelievable*, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth. “Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon, *New York Times Book Review* (Editors’ Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, *Unbelievable* is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Before He Wakes The History Press

Bestselling true-crime master Harold Schechter explores the real-life headline-making psychos, serial murderers, thrill-hungry couples, and lady-killers who inspired a century of classic films. The necktie murders in Alfred Hitchcock's *Frenzy*; Chicago's Jazz Age crime of passion; the fatal hookup in *Looking for Mr. Goodbar*; the high school horrors committed by the costumed slasher in *Scream*. These and other cinematic crimes have become part of pop-culture history. And each found inspiration in true events that provided the raw material for our greatest blockbusters, indie art films, black comedies, Hollywood classics, and grindhouse horrors. So what's the reality behind *Psycho*, *Badlands*, *The Hills Have Eyes*, *A Place in the Sun*, *Arsenic and Old Lace*, and *Dirty Harry*? How did such tabloid-ready killers as *Bonnie and Clyde*, body snatchers *Burke and Hare*, Texas sniper *Charles Whitman Jr.*, nurse-slayer *Richard Speck*, and *Leopold and Loeb* exert their power on the public imagination and become the stuff of movie lore? In this collection of revelatory essays, true-crime historian Harold Schechter takes a fascinating trip down the crossroads of fact and fiction to reveal the sensational real-life stories that are more shocking, taboo, and fantastic than even the most imaginative screenwriter can dream up.

This riveting inside story of the intense search for the Salt Lake City teenager reveals never-before-told details of the largest investigation in Utah state history. The firsthand account of Tom Smart, Elizabeth's uncle and one-time suspect, reveals the details of the flawed police investigation, the media's manipulation of the family, and the eyewitness account of nine-year-old Mary Katherine Smart that went largely ignored by investigators. New research is presented on the family background of disturbed street preacher Brian David Mitchell, who kidnapped Elizabeth as part of a bizarre polygamous plot. Also examined is the critical role of the media, revealing the essential part played by John Walsh and others in facilitating Elizabeth's safe return, and the manipulative influence of Fox News and Bill O'Reilly. Going beyond a mere eyewitness account, the book includes information culled from interviews with more than 150 people involved in the

search and investigation, notes from family meetings, and memos from law enforcement officials.

Josef Fritzl was a 73-year-old retired engineer in Austria. He seemed to be living a normal life with his wife, Rosemarie, and their family—though one daughter, Elisabeth, had decades earlier been “lost” to a religious cult. Throughout the years, three of Elisabeth's children mysteriously appeared on the Fritzls' doorstep; Josef and Rosemarie raised them as their own. But only Josef knew the truth about Elisabeth's disappearance... For twenty-seven years, Josef had imprisoned and molested Elisabeth in his man-made basement dungeon, complete with sound-proof paneling and code-protected electric locks. There, she would eventually give birth to a total of seven of Josef's children. One died in infancy—and the other three were raised alongside Elisabeth, never to see the light of day. Then, in 2008, one of Elisabeth's children became seriously ill, and was taken to the hospital. It was the first time the nineteen-year-old girl had ever gone outside—and soon, the truth about her background, her family's captivity, and Josef's unspeakable crimes would come to light. John Glatt's *Secrets in the Cellar* is the true story of a crime that shocked the world.

Described in a recent *New York Times Magazine* profile as a “postcolonial Philip Roth,” Hanif Kureishi first captured the attention of audiences and critics in the 1980s with the award-winning novel *The Buddha of Suburbia* and the films *My Beautiful Laundrette* and *Sammy and Rosie Get Laid*. In three decades of acclaimed work, Kureishi has written fiction and films exploring a series of interconnected themes about identity and desire—from Islamic radicalism to kinky sex, and from psychoanalysis to the relationships of fathers and sons. After discovering an abandoned manuscript of his father's, hidden for years, Kureishi was compelled to turn his “unflinching perspective” (*Time Out*) onto his own history. Like Roth, Martin Amis and Geoffrey Wolfe, who also have written books about their fathers, Kureishi wanted to understand and perhaps to reconcile. *My Ear at His Heart* offers remarkable insight into the birth of a writer, chronicling how Kureishi's own literary calling emerged from the ashes of his father's aspirations. And so begins a journey that takes Kureishi through his father's privileged childhood by the sea in Bombay,

through the turbulent birth of Pakistan and to his modest adult life in England—his days spent as a civil servant, his nights writing prose, hopeful of one day receiving literary recognition. "A beguiling and complex tale of fact, fiction and family tensions" (The Guardian), *My Ear at His Heart* was published to great acclaim in the United Kingdom in 2004 and went on to win the prestigious Prix France Culture Etranger. Now, this profound work from one of the most compelling artists of our time is at last available in a Scribner edition.

On the evening of May 1, 1990, in Derry, New Hampshire, two teenage boys lay in wait for a young insurance salesman named Gregory Smart to return home from work. When he did, they ambushed him. One held Gregory by the hair, while the other fired a single close-range shot from a .38-caliber handgun into the victim's skull, killing him instantly. As the police investigation unfolded, it soon became clear that Pamela Smart, the victim's wife of less than a year, was behind the murder. Investigators found that she had sexually manipulated 16-year-old Billy Flynn, who in turn enlisted his friends, into committing the killing. The first murder trial to air on live television, the Pamela Smart murder case mesmerized the nation, and the world. Originally published in 1991, *Teach Me to Kill* is an in-depth look at the case,

which continues to draw widespread media attention. Author Stephen Sawicki, a correspondent for *People* magazine, was the only national reporter to cover the case from start to finish. His reporting includes in-depth interviews with the police, prosecutors, defense lawyers, friends, family members, classmates, and Pamela Smart herself. The book also provides a new introduction by the author.

Earth: An Alien Enterprise Daniela Airlie

A worldwide history of alien contact from one of the most respected authorities on the phenomenon: "A bible for UFO watchers" (The Wall Street Journal). This fascinating new volume tells the story of contact between aliens and humans from all across the globe, dating back to 1932, including meetings with military personnel and American presidents such as Eisenhower and Kennedy. For the first time, a former member of MI6 reveals her conversation with Neil Armstrong at a NASA conference, when she confirmed that there were "other" spacecraft on the moon when Apollo 11 landed in 1969. Armstrong also confirmed that the CIA was behind the cover-up. In a further admission in December 2012, Russian Prime Minister Dmitry Medvedev revealed "the president of Russia is given a special top secret folder [that] in its entirety contains information about aliens who have visited our planet. Along with this, the president is given a

report of the Special Service that exercises control over aliens in our country. I will not tell you how many of them are among us because it may cause panic."

The shocking true story of a bizarre kidnapping and the victims' re-victimization by the justice system. In March 2015, Denise Huskins and her boyfriend Aaron Quinn awoke from a sound sleep into a nightmare. Armed men bound and drugged them, then abducted Denise. Warned not to call the police or Denise would be killed. Aaron agonized about what to do. Finally he put his trust in law enforcement and dialed 911. But instead of searching for Denise, the police accused Aaron of her murder. His story, they told him, was just unbelievable. When Denise was released alive, the police turned their fire on her, dubbing her the "real-life 'Gone Girl'" who had faked her own kidnapping. In *Victim F*, Aaron and Denise recount the horrific ordeal that almost cost them everything. Like too many victims of sexual violence, they were dismissed, disbelieved, and dragged through the mud. With no one to rely on except each other, they took on the victim blaming, harassment, misogyny, and abuse of power running rife in the criminal justice system. Their story is, in the end, a love story, but one that sheds necessary light on sexual assault and the abuse by law enforcement that all too frequently compounds crime victims' suffering.
