How To Get Over A Boy Andrews McMeel Publishing

An inspiring guide to saying thank you, one heartfelt note at a time. We all know that gratitude is good for us--but the real magic comes when we express it. Writer Gina Hamadey learned this life-changing lesson firsthand when a case of burnout and too many hours on social media left her feeling depleted and disconnected. In this engaging book, she chronicles how twelve months spent writing 365 thank-you notes to strangers, neighbors, family members, and friends shifted her perspective. Her journey shows that developing a lasting active gratitude

practice can make you a happier person, heal complicated relationships, and reconnect you with the people you love--all with just a little bit of bravery at the mailbox. How can we turn an often-dreaded task into a rewarding act of self-care that makes us feel more present, joyful, and connected? Whether we're writing to a long-lost friend, a helpful neighbor, or a child's teacher, this inspiring book helps us reflect on meaningful memories and shared experiences and express ourselves with authenticity, vulnerability, and heart. Informed by Hamadey's year of discovery as well as interviews with experts on relationships, gratitude, and more, this deceptively simple guide offers a powerful way to jump-start your joy. Hamadey

found herself thanking not only family members and friends, but less expected people in her sphere, including local shopkeepers, physical therapists, long-ago career mentors, favorite authors, and more. Once you get going, you might find yourself cultivating an active gratitude practice, too--one heartfelt note of thanks at a time.

Simple Abundance Harper Collins

The election of Kamala Devi Harris, born of an immigrant Indian mother, cancer specialist Shyamala Gopalan, originally from Chennai, has put the global spotlight like never before on the small but high-achieving Indian-American diaspora. The community happens to be the most educated with the highest median income in the US, and has excelled in almost every area it has touched--from politics to administration, entrepreneurship to technology, medicine to hospitality, science to academia, business to entertainment, philanthropy to social activism. This evocative collection--of the kind perhaps not attempted before--captures the rise of Indian-Americans across domains, by exceptional achievers themselves, like Shashi Tharoor, the ones

who have been and continue to be a part of the "rise", like MR Rangaswami and Deepak Raj, top Indian diplomats like TP Sreenivasan and Arun K Singh, scholars like Pradeep K Khosla and Maina Chawla Singh, and others who were part of, associated with, or keenly followed their stories. A collector's item, this eye-opening saga of a diaspora, which is possibly amongst the most successful and enterprising globally, would not only prove to be highly readable and insightful for a wide readership, but also immensely substantive for scholars and people in governance.

Kamala Harris and the Rise of Indian Americans Penguin

Sometimes life tastes sweet, sometimes life leaves a bitter taste in your mouth. Sometimes life is spiced up through natural events, sometimes life feels bland and tasteless. *Sour Honey and Soul Food*, is a book which explores the beauty and intricacies of love, life and connections, through poetry. Billy Chapata's third book looks to touch on the variety of flavors we taste, on this beautiful journey we call life. *If I Should Die* Andrews McMeel Publishing Embark on a gentle journey back to self

with this wistful and inspiring collection of poetry from beloved poet and writer Billy Chapata. Cushioned with love and tenderness, breakout poet Billy Chapata escorts readers through the oftentimes coarse path back to self-love in his latest collection of poetry, *Velvet Dragonflies*. This collection is divided into five sections--"Viscose," "Koigu," "Damask," "Charmeuse," and "Landing"--with each section representing the evolving softness that is found when true, deep self-respect and acceptance is rediscovered. Much like his two previous works, Chapata writes words that will echo around readers' minds long after they've finished reading. *Flowers on the Moon* Simon and Schuster Grammy-nominated singer/songwriter Jhené Aiko Efurū Chilombo has developed and refined a method of emoting through writing. *2Fish* is a collection of intimate poems (and a few short stories) written by Chilombo from adolescence to adulthood, in no particular order. The book details Chilombo's thoughts in their most raw and honest form taken directly from a collection of notebooks she has kept since age 12.

Talkativeness Basic Books

Are you fed up with thinking about that guy every minute of every waking hour, when he doesn't even reply to your texts? Are you reeling from the pain of a break-up, unsure of where to turn? Are you single and looking to be happy with your choices in the face of society's constant questioning? In *How to Get Over a Boy*, bestselling author Chidera Eggerue will show you, once and for all, how to reframe the stale goal of finding a man. She will equip you with tangible and applicable solutions for every part of your dating life, helping you recognise that men hold as much power in our romantic lives as we grant them. In the past, dating books tend to lean more into the territory of 'how to make him find you hot!', 'how to make him jealous!', 'how to get him to propose!'. But these how-tos are placing men on a pedestal of being 'the prize'. Men are NEVER the prize. You are. Let *The Slumflower* show you why.

From poet, meditator, and speaker Yung Pueblo, comes the first in series, a collection of poetry and prose that explores the movement from self-love to unconditional love, the power of letting go, and the wisdom that comes when we truly try to know ourselves. It serves as a reminder to the reader that healing, transformation, and freedom are possible.

The Moonflower Monologues Harper Collins

In the spirit of her bestselling series, *Pillow Thoughts*, Courtney Peppernell returns with a new, empowering collection of poetry and prose. From heartbreak to dreaming of and finding a new love to healing the heart to ultimately finding peace, the themes in this book are universal but also uniquely individual to readers. Just as moving and endearing as Peppernell's previous books, *I Hope You Stay* is a reminder of the resilience and hope needed after heartache and pain. The book is divided into five sections, with poems ranging from free verse to short form. These words are a light in the deepest hours of the night: Hold on. The sun is coming.

A renowned, respected teacher and mentor to thousands, Sobonfu Somi is one of the first and foremost voices of African spirituality to come to the West. Somi was born in Dano, Burkina Faso, a remote West African village with a population of about two hundred people. Dano has preserved the old ways of African village life, with family structures, spiritual practices, and methods of living that have been in place for more than ten thousand years. In *The Spirit of Intimacy*, Somi distills the ancient teachings and wisdom of her native village to give insight into the nature of intimate relationships. Somi generously applies the subtle knowledge from her West African culture to this one. Simply and beautifully, she reveals the role of spirit in every marriage, friendship, relationship, and community. She shares ancient ways to make our intimate lives more fulfilling and secure and offers powerful insights into the "illusion of romance," divorce, and loss. Her important and fascinating lessons from the heart include the sacred meaning of pleasure, preparing a ritual space for intimacy, and the connection between sex and spirituality. Her ideas are intuitively persuasive, provocative, and healing--and

supported by sound practical advice, along with specific rituals and ceremonies based on those used for thousands of years. With this book, the spiritual insights of indigenous Africa take their place alongside those of native America, ancient Europe, and Asia as important influences on Western readers. How to Love is the third title in Parallax's Mindfulness Essentials Series of how-to titles by Zen Master Thich Nhat Hanh, introducing beginners and reminding seasoned practitioners of the essentials of mindfulness practice. This time Nhat Hanh brings his signature clarity, compassion, and humor to the thorny question of how to love. He distills one of our strongest emotions down to four essentials: you can only love another when you feel true love for yourself; love is understanding; understanding brings compassion; deep listening and loving speech are key ways of showing our love. Pocket-sized, with original two color illustrations by Jason DeAntonis, *How to Love* shows that when we feel closer to our loved ones, we are also more connected to the world as a whole. With sections on Love vs. Need, Being in Love, Reverence, Intimacy, Children and Family, Reconciling with Parents, and more, *How to Love* includes meditations you can do alone or with your partner to go deep inside and expand your own capacity to love. Scientific studies

indicate that meditation contributes tremendously to well-being, general health, and longevity. *How to Love* is a unique gift for those who want a comprehensive yet simple guide to understanding the many different kinds of love, along with meditative practices that can expand the understanding of and capacity for love, appropriate for those practicing in any spiritual tradition, whether seasoned practitioners or new to meditation.

“Will resonate with any readers interested in understanding American landscapes where white, evangelical Christianity dominates both politics and culture.” —Publishers Weekly In the wake of the 2016 election, Lyz Lenz watched as her country and her marriage were torn apart by the competing forces of faith and politics. A mother of two, a Christian, and a lifelong resident of middle America, Lenz was bewildered by the pain and loss around her—the empty churches and the broken hearts. What was happening to faith in the heartland? From drugstores in Sydney, Iowa, to skeet shooting in rural Illinois, to the mega churches of Minneapolis, Lenz set out to discover the changing forces of faith and tradition in God’s country. Part journalism, part memoir, *God Land* is a journey into the heart of a deeply divided America. Lenz visits places of worship across the heartland and speaks to the everyday people who often struggle to keep their

churches afloat and to cope in a land of instability. Through a thoughtful interrogation of the effects of faith and religion on our lives, our relationships, and our country, *God Land* investigates whether our divides can ever be bridged and if America can ever come together. “*God Land*, Lyz Lenz’s much-anticipated debut book, is a marvel. Not only is it a window into the middle America so many like to stereotype but fail to fully understand in all of its complexity, but it mixes reportage, memoir, and gorgeous prose so seamlessly I wanted to know how she did it.” —Sarah Weinman, author of *The Real Lolita*

Kiera Van Gelder's first suicide attempt at the age of twelve marked the onset of her struggles with drug addiction, depression, post-traumatic stress, self-harm, and chaotic romantic relationships--all of which eventually led to doctors' belated diagnosis of borderline personality disorder twenty years later. The Buddha and the Borderline is a window into this mysterious and debilitating condition, an unblinking portrayal of one woman's fight against the emotional devastation of borderline personality disorder. This haunting, intimate memoir chronicles both the devastating period that led to Kiera's eventual diagnosis and her inspirational recovery through therapy, Buddhist spirituality, and a few online dates gone wrong. Kiera's story sheds light on the private struggle to transform suffering into compassion for herself and others, and is essential reading for all seeking to understand what it truly means to recover and reclaim the desire to live.
