Comprehensive Prediction By Divisional Charts - an original research work. About the Author: Shri Vinod Prakash Goel is a former officer of the Indian Engineering and has served with the Ministry of Defence, India. He has held managerial positions with private companies in India and abroad setting up an engineering manufacturing and contracting firm. Presently he is consultant to the Defence Research and Development Organisation. Shri Goel has an M. Tech. degree from IIT Kharagpur and B. Sc Mechanical Engineering (Honours) degree from Benaras Hindu University. In the years 1999 and 2000, he was awarded Gold Medals for Jyolish and Jyotish Acharya at the Institute of Astrology, Bhartiya Vidya Bhavan, Delhi. He is now on the faculty of the Institute. He is a published author of four books on Astrology prior to this presentation. About the Book: Three distinguishing features of Hindu Astrology are divisional charts, dasha systems and yogas. This book deals with divisional charts. We all know the concept of divisional charts after we go through the Brihat Parashar Hora Shastra. It is for the first time that the practical application of these are given. The book deals with all Parashari and non Parashari divisional charts and brings out their predictive value and the technique. The high lights of the book are: 1. Rules for examination of each divisional chart. 2. House significations of divisional charts. 3. Linking of divisional charts. I hope that this book will be helpful to all students and scholars of Astrology in sharpening their predictive accuracy.

Vastu Shastra is not merely an art but a definite science in itself. This book has made an excellent effort to establish this fact. The book attempts to highlight the principles of Vastu science and its application in designing of the built environment to enhance the quality of life. This science is still relevant and effective in the modern life-changing styles of Architecture with the universal application of its principles. The author has tried to justify that Vastu principles are much in need in the 21st century in view of rapid advancements man is making in other fields without compensating on ecology front, which forms the basis of Vastu. In the end, an attempt has been made to give a compound solution to the problem of Vastu-based planning.

It gives me immense pleasure to bring forth the second revised edition of my highly cherished work of Bhrigu Samhita, an ancient and unique treatise in predictive astrology. I was equally elated and feel ecstatic for having received encouraging as well as critical responses from the esteemed and avid readers. It deference to their valuable suggestions and also some ambiguity pointed by them, I have revised some part of the chapter on "Basic Astrology" and also brought about improvement and amplifications in certain parts of the analyses of various charts wherein the evolved principles which are specifically important in delineating horoscopes on the format of Bhrigu Samhita are further explained. This was done with a view to make the explanations more cogent in comprehend. This will also address the concern sown by the valued readers in some places of earlier narrations.

Three Hundred Important Combinations is intended to provide knowledge of the Yogas which indicate specific horoscopic trends. All planetary combinations are divided into two groups viz., Yogas and Aristhas or fortunes and misfortunes. It deals with various standing combinations of yogas. The systematised account of all the important yogas is brought out so that it may illustrate practical horoscopes. The book certainly claims credit for being the first to bring together all scattered information and present it

systematically.

The Akshaya Patra series is written as a book to augment books of philosophical inquiry; and to assist true inquiry in such a way, so as to inspire the Mysteries that unfold on the path of initiation. Let us begin by breaking bread together, by this first step, that we may destroy the tome of ignorance with that first principle in prayer saying; "A house that is loved is always satisfied." This house is the Temple of Self; inspired by life and the touch of nature, the Akshaya Patra throughout is filled with inner depth and determination. These first works of the Akshaya Patra, were inspired by, and dedicated to, Bhagavan Sri Sathya Sai Baba, whose influence was, and still is, too vast for words; and whose love has satisfied the genius in this Tomb and Tome of Time. This first book of Volume ONE, here printed in color as Volume ONE Book ONE Part TWO continues, with the features of introductory, for taking the earliest footsteps, on the path of sacred life; dedicated to Self-Transformation. As a Tree of Knowledge is planted, its roots fan out thru many traditions, and its branches stretch to provide shelter and protection over all. Its leaves call for all to come and take their share of comfort beneath the shadows in its shade; delighted and lighted by the sun by day, and with night fascinated to discover the ringlets of the moon and stars that gave first light in the residence of space. We are THAT Time, we are that Space; we are that Consciousness. "Tat Twam Asi"... the pursuant in pursuant search, in the sea, of supreme reality. Self- Mastery is a personal journey and there is only one friend; and that is the sacred messenger, who comes to life as the resident within. There are many years involved in coming to this writing of the Akshaya Patra Series. The examinations here have taken us to this first place in the writing; that is nothing more than the satisfaction of ethical journey, working forward from the true beginning. There are many more volumes and books to follow for us, in order to reach our destination in this vast work of self-transformation. Are we ready? Are we deserving? We have been fooled by fools maybe, and we are, or are we, the fools to dream that we are more than this fool we have come to be. We come to this knowing that we have not come to terms with our true identity. Maybe we have fed ourselves unwisely, and only broken bread that is dry, tasteless, and come unsatisfied, from drink before a shallow empty well. The Akshaya Patra Volume ONE Book ONE; entitled Manasa Bhajare: Worship in the Mind; means to satisfy. The Mind will be the first portal passed; before transitioning thru its own death and resurrection. It is here in this first book of Volume ONE that we are first entertained; breaking down our traditions that take shape into something immaterial but tangible. In all, Volume ONE alone will consist of nine books. More to be published. This is Book ONE. This color edition is Part TWO of three Parts. Seven Volumes are written and every day these are maturing waiting for release. Currently there are hiding behind this Volume ONE Book ONE about 17 books written... It is to unfold the culmination of a lifetime of work. Each Volume evolves thru seven stages of Initiation; as if passing thru seven days labor on the path towards liberation. In this it is like the Bhagavata.

### Bhrigu Samhita (Predictive Techniques Deciphered)

Bharatha Samskruthi Prakashana

The book in your hand is a simplified version of the original Bhrigu Samhita. The original volume is an astrological classic written by Maharishi Bhrigu thousands of years ago during the Vedic Period in a tone, manner and language with which the present day readers are not familiar with. While the theme and substance remains unchanged, the vocabulary and sentence structure has been simplified in this book for everyone to understand easily. We are aware that the man, by nature, is very inquisitive to know what the future has in store for him. The contents in Bhrigu Samhita satisfy that urge. It is a compilation of results based on predictive astrology to help average people cope with the pressures of life by learning how to become morally and spiritually strong and also the path they should to follow in their daily lives. Prepared from about five lakh horoscopes of different people, Maharshi Bhrigu made predictions of their current and future lives as well as the past. Each of these horoscopes was based upon the planetary positions of the Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, and Rahu (North Node of the Moon) and Ketu (South Node of the Moon). Readers of the book will be able to understand the meaning and importance of the terms used in astrology, such as Birth chart, Horoscope, House, Zodiac, Rashi, Stars in motion, Sun, Planetary movements etc, in their everyday life. They will be able to cast a birth chart, create a horoscope, study the ascendance, beneficial and malefic influence of planetary movements and make predictions. The book has 25 chapters based on 'Laghu Parashari' principles and written in the form of 42 Shlokas that describe basic rules, effects of planetary positions and their influence on a human being. The original Bhrigu Samhita was written essentially for those well versed with astrology, this book has been simplified to help common people understand how to read a horoscope or make predictions.

Jaimini is held in very great esteem throughout India not only for his philosophical aphorisms but for his astrological writings also. Jaiminisutras as presented in these pages deals with a system of astrology that has no parallel in the existing methods. The profundity and brevity of these sutras comprehend a vast amount of knowledge in the shortest forms possible. In the end, the author remarks that all that he has written is quite true, as these truths have been propounded by the still earlier Maharshis, Pitamaha or Brahma, Vyasa, Parasara, Vasistha, Garga, Bhrigu, Surya, Chandra, Brihaspati, Sukra, Marichi, Palaha, Pulisa, Maya and other eminent scientists. The treatment of the different Bhavas, Rasis and Planets will be found a little confusing in the beginning but with some patience, diligence and practice the peculiarities of his system readily yield themselves to our comprehension. He gives various Lagnas, Hora Lagna, Ghatika Lagna, Upapada Lagna, Varnada Lagna and so forth. His Dasas are mostly founded on Rasis and Navamsas. Brahma, Rudra and Mahesvara Dasas are peculiar in these sutras. It is asserted by some that Jaiminisutras extend over eight adhyayas. However here only two chapters, in four parts each, have been explained. The masterly way in which the Maharshi has explained the

Astrological principles will surely make the students masters in this line.

Sage Bhrigu was a great tapasvi, one of the saptharishis who helped the Lord in the task of creation. He had mastered yoga and the art of Sanjivini Vidya. He belonged to the first manvanthara. He came out of Lord Brahma's heart and was called Brahmamanasaputra. He established the clan that came to be known as Bhargava gotra. The sage came out of fire after Varuna performed a great yajna. Brahma, Agni and Varuna vied for him but the Devas supported Varuna's claim. As a young boy, he mastered Brahmaidya through severe penance. Once he

conducted a yaaga to find out which among the Trinity was the greatest. He cursed Vishnu for killing his wife, and so, in his incarnation as Rama, Vishnu suffered from separation pangs. Later when Bhrigu was able to bring back his wife to life, he repented the curse and started worshipping Vishnu. In fact, it's interesting that Narayana became Bhrigu's son-in-law as he got married to Sridevi who was none other than Lakshmi and the sage's daughter. While Bhrigu was known to be short tempered, he was also merciful when the situation demanded. He brought back Jamadagni to life and later helped Parasurama to give up the Kshatra way of life. Bhrigu released heaven from the arrogant rule of Nahusha and restored it rightfully to Devendra. The sage did everything to preserve dharma and didn't spare even Agnideva once as he went against it. Brahmadeva had to intervene to ease the situation. Thus, Bhrigu led a full and useful life preaching the righteous way of life to the world. The Inamdar clan has demonstrated extraordinary strength, resilience, philanthropy, and courage. In this family history, Dr. Janak A. Inamdar examines the roots of his clan, paying particular attention to Ramsinh Rajsinh Inamdar. He painstakingly traces his family tree, starting with Ramsinh, and explores the heroism he demonstrated to earn the title Inamdar. Ramsinh played a central role in helping the Marathas take back India from Islamic conquerors. He also helped establish Baroda—one of the richest states of India. The author also explores the lives of several ancestors of who he considers the family's founding father. Moreover, he paints a detailed picture of the political and economic situation of Gujarat in the 1690s and beyond, including the chaos in the aftermath of flooding and epidemics. Translated into English by Sudha Mehta, this book offers a revealing glimpse of an important family in India and how its founder set the stage for his descendants to succeed.
