... An intense start to this new series with characters that are real and genuine. It’s a story about love, trying to put the past behind and moving on with your life” - Red Carpet Crash on Butterfly Morgan Atkins is

used to losing, but losing Messiah Williams was the most tragic of them all. Surely, after Messiah, no other man could compare. Settling with Sebastian Fredrick didn't seem like such an impossible task. He treated her well

enough, he accepted her children, and he offered her entrance into a well-connected world. There was only one problem: he wanted to change her into someone else. The rules that went along with his lifestyle suffocated her and when Morgan reconnected with Messiah's crew, she no longer wanted to play by Bash's rules. When she falls in love with Messiah's best friend, Ahmeek Harris, she knows she's headed for trouble. His presence heals her in a way that no man has ever

been able to do before. Their love affair is electric. Morgan is uncertain about many things but one thing she's sure of is that she can't let this feeling go. She goes out on a limb and risks it all just to be with Meek, but when Messiah reveals that he's still alive, the battle for one girl's heart just may lead to the demise of them all. She can only be queen to one man. Which one has the true key to her heart? Can Messiah make up for his mistakes or is it too late to save what they once had? Is

Ahmeek a rebound or does he offer her something more? Does Bash even stand a chance? This second installment of the Butterfly series will leave you breathless.

The Cartel 3: Hal Leonard Corporation
 Best friends Terrance, Trey, Ash, and Devin grew up together in Queens, New York. While bonded

by friendship, can they count on each other when life gets heavy and their complex love lives threaten the very essence of their being? Terrance married young, and after five years of marriage the hard-working family man feels that his world is perfect-- until he discovers otherwise. Trey is a ladies' man, but will he ever experience the happiness he deeply desires, or will he keep the carousel spinning? Just home from prison, Ash has a lot of catching up to do with the ladies--

and he wants his boys to join him for the ride, just like the good old days. Devin believes in monogamy, but is his love with Danielle a true love, or merely an illusion? -- adapted from back cover. *Diary Of A Street Diva* St. Martin's Press From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* comes a "profoundly disturbing and gorgeously rendered" novel (*The Washington Post*) that returns to the Texas-Mexico border, setting of

the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss

tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.
