With this book, China Galland brought increased attention to the spiritual traditions of the Black Madonna and other cross-cultural expressions of the feminine divine. The popularity of recent works by authors like Sue Monk Kidd and Kathleen Norris have only increased readers fascination. Now with a new introduction by the author, "Longing for Darkness" explores Gallands spellbinding and deeply personal journey from New Mexico through Nepal, India, Switzerland, France, the

former Yugoslavia, and Polandplaces where such figures as Tara, the female Buddha of the Tibetan tradition, and the Black Madonna are venerated today.

When Spirit Speaks Shari A. Hembree, LLC

In the tradition of the bestseller Eat, Pray, Love and spiritual classics such as The Alchemist, Way of the Peaceful Warrior, and The Celestine Prophecy, Waiting for Autumn is an enchanting semiautobiographical parable that reveals a deep and powerful message. This book follows Scott, an inquisitive seeker who meets a mysterious cardboard-sign-toting homeless man named Robert who has a sleepy black Lab puppy at his side and a penchant for changing lives. Sparked by

Robert's unconventional wisdom, Scott is thrust into a spiritual adventure where he attempts to heal his past while confronting the spirit of his dead fiance. He ultimately faces an extraordinary dilemma between his spiritual calling and earthly responsibilities. Join Scott as he visits unseen worlds on his unique journey of self-discovery, where various spiritual modalities are revealed, including shamanic soul retrieval, energy healing, conscious eating, nature-spirit communication, kirtan, ancestral healing, and more. This metaphysical page-turner is a fascinating exploration of one humble soul's profound awakening - with a surprise ending that will warm your heart. *My Only Friend is Darkness* Simon and

Schuster

This wise and widely-acclaimed book is written for those "who have advanced far enough in love to God to enter the Night of Faith and feel the need of explanation, guidance and reassurance." Drawing upon Scripture, classic spiritual authors- especially St. John of the Cross- and her own deep personal experience, author Barbara Dent examines the deep purifications we undergo as God cleanses us of sinful inclinations and transforms us in love. Using poetry and prose, image and parable, she guides us through the sufferings, temptations, upheavals and workings of grace at the deepest levels of our being, as we journey through the darkness of faith to new life in Christ. "This book is concerned with what I learned experientially and from reading the works of various fellow travellers, especially John of the Cross, during the two periods when the grain of wheat fell into the ground and died. Then my only friend was darkness- the darkness of faith that would not give up affirming what it believed- yet in that darkness wonders of grace happened." Barbara Dent, *My Only Friend is Darkness* Barbara Dent is a retired English teacher

in New Zealand and the mother of three. A Secular Carmelite, she has published numerous articles and books throughout the English-speaking world, and now spends much of the time in "prayer and study, writing, and giving spiritual and psychological guidance to those who turn to me for it."

Women Are Spiritual Bridges AuthorHouse
Ellie Bryan's adventure into the true nature of things begins when she is 15 and living with her family in a mid-sized Midwestern city, a very ordinary kind of a place, but it was in that very same, ordinary place that Ellie's mystical journey unexpectedly and miraculously begins. In finding the extraordinary in the ordinary, *My Adventure* weaves together Universal principles that undergirds the world we all live in. *My Adventure* is a mystical tale, lyrically told.

Beauty With a Cause McFarland
A non-Native American tells her own compelling story of recovery and healing in a traditional world where unseen spiritual forces change her destiny forever. A remarkable love story filled with adventure, magic, sacred teachings, and hope.

The Beautiful Blonde Library Angel
Stratton Press

"Beauty with a Cause narrates the epic saga of one individual's courage to use the power of Beauty to transform the world from fear to love, proving that beauty is more than skin-deep!"-Alan Sim, President of www.MisterSingapore.org
A Message of Hope: Rosario is an Ugly Duckling who overcomes the obstacles in her life to rise to the pinnacle of success. It is a story of her life in finding answers to life's question in a Universal Truth of Love and to turn tragedy into triumph of finding Beauty of God hidden from within. Born to a child mother in Manila and molested by her stepfather in America, Rosario learns from her friend, Matthew, to tap the well of Love within herself. As a "Beauty With A Cause," she uses her influence as an international beauty queen, Miss Earth, to help unfortunate children around the world, sharing with them the message of Universal Love that has helped her reach for the stars!

Spiritual Food For The Spiritual Mind: A book of poetry that will inspire everyone

through all walks of life..... is a book that will inspire everyone no matter where you come from or what you may have done in your past. This book will make you really see yourself and reevaluate your walk with God. God wants you to come as you are and allow Him to change you into the person He intended you to be. He wants you to trust Him and allow the Holy Spirit to dwell. My prayer is that everyone who reads this book will truly be blessed by the words that God gave me to inspire you. *Vagabond Spirit* ReadHowYouWant.com This Book "The First Eighty years" is the first book of "The Book of Byron Series," The second book in the series "Loving God" is also available. The Book of Byron Series is based upon information channeled from God and his angels and Archangels; by my Spiritual Counselor, Shana Pulley. I started seeing her in July 2012 at the behest of my youngest daughter and our sessions are on-going as of October 2016. "The First Eighty Years" summarizes my life prior to beginning to work with Shana and includes information gathered during my first nineteen sessions with her; most notably, John the Baptist showed up and announced the coming of

Isabella, the daughter of God; in fulfillment of the long awaited Second Coming of Christ, the Anointed one. Further, I was anointed myself and came to realize that each and every one of us may attain Christ consciousness; in fulfillment of Jesus' words "Verily, verily, I say unto you, he that believeth on me, the works that I do shall he do also; and even greater works than these shall he do ... " (John 14:12) "The First Eighty Years" documents my struggles to accept that God has chosen me, for this role; that God deems me worthy of His grace and His love; me, born of a woman, born in original sin, unlovable, unwanted and unworthy; me, a sexually driven, ego based, human being. God's grace and God's love are truly beyond my comprehension and truly beyond my ability to express my feelings of appreciation, honor and joy adequately. *Hello, Sweet Spirit* Caroline A. Shearer This book will take you on a psycho-spiritual journey in hope of finding your 'Soul' so you may live peacefully and harmoniously with your 'True Self'. This book is exciting because it provides a road map to trace you back to your origin, to find out where you have detoured.

Exercises are included for you to explore and understand the past. The outcome is worthy of the journey.

Gone to the Stars Xlibris Us

Best-selling author Barbara Berger's new book is a practical spiritual handbook that offers readers a complete guide to the awakening consciousness that is emerging on planet Earth. In this book, Barbara not only maps out the incredible power of mind, but she explains how to use this power wisely. The message of the book is very relevant for everyone in this time of crisis because the book offers a roadmap of how to use so much of the information that is floating around today in so many spiritual books. It's a major work and the best book Barbara Berger has written so far. The promise of this book is that it shows readers how to find a way out of suffering by waking up to the nature of reality and the nature of mind to find the peace and happiness they seek in the present moment.

Spiritual Journey Vintage

With her 30th birthday only weeks away Jordan takes a hard look at her comfortable life. Once the doormat to a myriad of users and manipulators, she

enters into a spiritual contract to move forward and not look back. Ridding herself once and for all of the individuals that had done nothing more than use and abuse her. Charting a new course of independence proves to be the greatest challenge of her life, and unwittingly awakens in her, magical skills and talents dormant for several generations. Could this be the liberation of her soul or her undoing? Jordan determines to step out of the box that had confined her and embrace a new reality of living. She finds her summer vacation transforming into an adventure she will experience only once in her lifetime her soul's journey.

Starbrow Primedia E-Launch LLC
Barbara Berger's bestselling international classic is a book about power of the mind. This is a book about the ways in which you can take control of your life and create the life you've always wanted to live. But how do you take control? In this highly practical book, Barbara Berger gives us the tools and then guides us, step by step, into how we can change our lives by changing our thinking. If your life is not working, or you just want it to work better, here's a simple yet effective way to look inside yourself

and see what you can do about money, relationships, love, your health, family, work, peace, joy, and much more. And it will be faster and easier than you ever dreamed possible.

Fast Food Para a Alma 2 WestBow Press
A wandering soul is on a quest through the American Southwest after a virus destroys the majority of the world's population. Through her travels, she interacts with survivors whose past-life experiences impact the present causing new challenges and pain. The people she meets reflect back on her the work she must complete within her Self, helping her understand the meaning of unity and connection with all living things. Her interactions help her discover her own healing abilities at a time she and the Earth need it the most. This post-apocalyptic coffee table book is psychedelic, taking readers through the character's past, dreams, and perceived reality. This beautifully descriptive, poetic work of fiction is complemented by the author's drawings, photographs, and personal memories. Each page is a story on its own, a fragment of the larger story.

[My Adventure](#) iUniverse

The Beautiful Blonde Library Angel is about my spiritual journey to being reborn. This spiritual journey started with the discovery of The Beautiful Blonde Library Angel. The Beautiful Blonde Library Angel was to be my guiding light out of my fall into my pit of darkness. My fall into my pit of darkness was due to the return of my migraines that were to lead me to losing out on my future as a truck driver. My losing out on my future as a truck driver meant my returning to work, and returning to work meant a return to dealing with humanity and my social anxiety. My fall into my pit of darkness was about my seeing no hope for a brighter future. Then I started my spiritual journey of rebirth. This spiritual journey of being reborn is about how The Beautiful Blonde Library Angel led to my passion for writing.

The Awakening Human Being

Publishamerica Incorporated

While writing *Soul Surfer Johnny*, the first book in this series, I was flooded with so many additional memories of "Puerto Tranquilo" that I knew a second book was waiting to be written. By the time the first book was finished, I had jotted down more than 125 other memorable episodes. I was

challenged to write the book that became Soul Surfer Johnny by Joel Fotinos, vice president for spiritual books for Penguin-Putnam publishers, during a lunch we had in 2007. He had just read my Awakening The Soul: The Trilogy, and challenged me to write a novel incorporating the essence of that tome, ala the most successful novel of the millennium, Dan Brown's The Da Vinci Code. While Soul Surfer Johnny is certainly no Da Vinci Code, it does carry forth that essence of spiritual growth, describing a young man's soul awakening. The heart of the story, however, remains his many wild surfing adventures, most in Puerto. But it wasn't planned that way. A number of years ago, I began compiling a list of topics for my Puerto book, which I knew I would write some day. But I had no plans of incorporating those memories into the book Fotinos challenged me to write, revealing how to create the spiritual awakening possible within each of us. However, when I started writing, it was immediately apparent where this story was going ... to Puerto, where my personal spiritual awakening occurred some 25 years earlier. Thus, the first Soul Surfer Johnny book had a serious underlying

story of spiritual awakening that seemed out of place in a surfing adventure novel. But it really wasn't, because what was being portrayed as happening to Johnny really had happened to me, and has occurred to others, so I knew it was eminently possible. I had so much fun writing Soul Surfer Johnny that I immediately started writing this book, its direct sequel, but with a difference. This volume does not have that heavy underlying story of spiritual growth, but rather only occasional references to Johnny's continuing awakening. It's mostly outrageous tales of his many Puerto adventures and episodes. This book richly continues the adventures of Soul Surfer Johnny, the story of an East Coast bad boy who becomes a good kid as he learns to surf in the waves off Southern California. In the process, he joins his own sort of "gang," then ventures south to the big waves of Southern Mexico. He is guided to "Puerto Tranquilo" in the late 1970s by several of his fellow Tyrony Bros. "gang" members, who had discovered the fantastic surf break there several years before. There he is witness to and participates in a bizarre series of

adventures. Unexpectedly, he begins to explore his spirituality, and discovers his true inner self for the first time, dramatically improving his life. Like its predecessor, this continuing wild tale is almost true, however sometimes the actual circumstances are slightly "enhanced," while conveying the basic truth. For example, a few wave heights may have been exaggerated occasionally - except in the "Big Wednesday" chapter, which is Johnny's true, eye-witness account. But most of the book's stories actually happened as described. It makes no claim toward being all-inclusive, or a legitimate history of the town. It's just a lot of mostly true stories about a wonderful little town in Southern Mexico. All stories are re-told as accurately as memory serves.

Spiritual Food for the Spiritual Mind

Createspace Independent Publishing Platform

This book examines Lee Smith's novel-length fiction and its powerful reflection of her personal search for and journey toward spiritual reconciliation. The protagonists of Smith's novels feel estranged from any sense of feminine

sacredness as they struggle for a belief system that offers them hope and validation. Chapters describe how Smith has retrieved in her fiction a source of transformative power—the power of the sexual, maternal, feminine divine—in hopes of creating a new image of the total, sacred female whose sexuality, creativity, spirituality, and maternity can reside comfortably in the bodies of everyday heroines.

Dancing in the Flames Xlibris Corporation
 Journey of the Lightworker is an enchanting tale of one woman's divinely inspired journey across two continents. Encountering spiritual truths along the way, Kyra discovers her true purpose, authenticity, and self-love as her old corporate life fades away. Crossing the boundaries of reality into metaphysics, readers view the world with fresh eyes.
Halfway Through the Woods Editora Cultrix

Reveals the striking parallels between indigenous cultures of the Americas and the ancient Homeric world as well as Tolkien's Middle Earth • Explores the shamanic use of healing songs, psychoactive plants, and vision quests at

the heart of the Odyssey and the fantasy works of J. R. R. Tolkien • Examines Odysseus's encounters with plant divinities, altered consciousness, animal shapeshifting, and sacred topography--all concepts vital to shamanism • Reveals how the Odyssey emerged precisely at the rupture between modern and primal consciousness Indigenous, shamanic ways of healing and prophecy are not foreign to the West. The native way of viewing the world--that is, understanding our cosmos as living, sentient, and interconnected--can be found hidden throughout Western literature, beginning with the very origin of the European literary tradition: Homer's Odyssey. Weaving together the narrative traditions of the ancient Greeks and Celts, the mythopoetic work of J. R. R. Tolkien, and the voices of plant medicine healers in North and South America, the authors explore the use of healing songs, psychoactive plants, and vision quests at the heart of the Odyssey, The Lord of the Rings trilogy, and Tolkien's final novella, Smith of Wootton Major. The authors examine Odysseus's encounters with plant divinities, altered consciousness, animal shapeshifting, and sacred topography--all

concepts vital to shamanism. They show the deep affinities between the healing powers of ancient bardic song and the icaros of the shamans of the Amazon rain forest, how Odysseus's battle with Circe--wielder of narcotic plants and Mistress of Animals--follows the traditional method of negotiating with a plant ally, and how Odysseus's journey to the land of the dead signifies the universal practice of the vision quest, a key part of shamanic initiation. Emerging precisely at the rupture between modern and primal consciousness, Homer's work represents a window into the lost native mind of the Western world. In this way, the Odyssey as well as Tolkien's work can be seen as an awakening and healing song to return us to our native minds and bring our disconnected souls back into harmony with the living cosmos.

 This is not 52nd Street. The rich, white academics will no longer be given their structured, easy-to-listen-to jazz. This is Milton's Playhouse. This is the heart of music. Structure time form and proper scales are dead here. This is the place that

jazz progresses. 52nd Street is stale and lifeless. The bridge to 52nd Street has been burned down. This is Improvisational Writing. It lives through every typo misspelling misuse and grammatical mistake. It is music without sound. Without measures. Without Scales. Without time. Without prisons. It is a hope to give life to something that has become so confined it can no longer breathe. It may be one continuous mistake. But it is

honest true uncompromising and unconfined. In a world that has a million bookshelves lined with street maps to 52nd Street, this is a fresh note. It may be a flat note, nonetheless, it is a note.

The Shadow Whisperer John Hunt Publishing

A woman named Faith is jolted from her simple existence when she learns she is a lightworker, an evolved soul sent to Earth to increase love. Complicating this

startling news is the revelation that she hasn't been fulfilling her life's purpose and has one year to prove herself - or be pulled from her assignment! As Faith confronts this daunting task, she faces very human concerns, including releasing her own negativity, searching for love, and even a dead blind date! How will Faith fare as she begins her spiritual journey and finds her gifts tested beyond anything she's known?
