First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty-first century. The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus's death and resurrection God has begun his new creation agenda amid the broken world of today. This is not just another commentary (there are many very good ones) but rather we present a biblical theology of church renewal, based on solid exegesis, and our experience as teachers and pastors in both Africa and North America. This book will pull out the essential teaching of Paul on renewal in ten manageable principles, or "great ideas." Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope. When churches make the shift

from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things, the church begins to move, and the world begins to change.

*Letitia Balderige's New Complete Guide to Executive Manners* Hueber Verlag Originally published in 1958, *Teach Yourself Good Manners* is a fascinating guide, packed full of both timeless advice and tips that demonstrate just how much life has changed in the 60 years since it published. Indeed, the author, W S Norman, would doubtless be horrified by modern manners and would implore us to study his rather uptight but very funny rules for modern living. Amusing, intriguing and sometimes rather inspiring, this handbook is a window into how life would have looked had we lived in a 'a simpler age' - in which, confusingly, they had rather a lot of strange rules. Since 1938, millions of people have learned to do the things they love with *Teach Yourself*. Welcome to the how-to guides that changed the modern world.

*Rolling the Dice* Maggie Zhou-Mathews Imagine being able to connect everything you do in life with God's dream of shalom. Imagine all God's people seeing their family

responsibilities, work, and community involvement as ministry. Imagine congregations that equip and empower people for ministry--not just in the church, but in all they do. Imagine leaders and members finding a renewed sense of joy, purpose, and vitality as they give themselves away for the sake of the Gospel. Dwight DuBois not only imagines these life-giving outcomes in fresh and powerful ways, he shows readers how to create an environment that equips everyday saints to connect their faith with all of life. Based on the real life struggles of pastors and members, *The Scattering* lays bare our preoccupation with the health of the institution and offers powerful new language for the church as being both gathered and scattered. This language breaks down unhelpful stereotypes, and provides readers with hopeful and rewarding ways to interpret who we are and what we do as the church of Jesus Christ.
