Andre Agassi Star Tennis Player

2020-08-16

FRENCH MOON

Pete Sampras Abrams

After years of observing Agassi on and off the court, and after extensive research and interviews, this veteran tennis writer paints a portrait of an exceedingly complex person.

Steffi Graf FINN Books Edition FireFly

A no-holds-barred, intimate memoir by John McEnroe—the bad boy of professional tennis. John McEnroe stunned the tennis elite when he came out of nowhere to make the Wimbledon semifinals at the age of eighteen—and just a few years later, he was ranked number one in the world. *You Cannot Be Serious* is McEnroe at his most personal, an intimate examination of Johnny Mac, the kid from Queens, and his “wild ride” through the world of professional tennis at a boom time when players were treated like rock stars. In this “bracing serve-and-volley autobiography” (The Boston Globe) he candidly explores the roots of his famous on-court explosions; his ambivalence toward the sport that made him famous; his adventures (and misadventures) on the road; his views of colleagues from Connors to Borg to Lendl; his opinions of contemporary tennis; his marriages to actress Tatum O’Neal and pop star Patty Smyth; and his roles as husband, father, senior tour player, and often-controversial commentator.

I’ve Got Your Back Turtleback

Timed to coincide with the US Open’s 50th anniversary, this exquisitely produced book celebrates the most electrifying event in tennis. All of the key moments and unforgettable personalities from the competition’s 50-year history are brought to life by vibrant, exclusive photography. This book provides a comprehensive look at the tournament, from the early years of tennis legends such as Billie Jean King and Arthur Ashe to iconic

players such as Roger Federer and Serena Williams. Original contributions from journalists, players, coaches, and notable fans stand alongside gorgeous photography of the many household names who have made their mark competing on the game’s biggest stage. A perfect gift for any tennis fan, this book is a richly visual tribute to the sport, its fans, and its champions.

Game, Set and Match Harper Collins

A biography of the talented and colorful tennis player who won the Wimbledon championship in 1992 and earned the number one ranking in 1995.

Trophy Son Aurum

The Outsider is a no-holds-barred memoir by the original bad boy of tennis, Jimmy Connors. Connors ignited the tennis boom in the 1970s with his aggressive style of play, turning his matches with John McEnroe, Bjorn Borg, and Ivan Lendl into prizefights. But it was his prolonged dedication to his craft that won him the public’s adoration. He capped off one of the most remarkable runs in tennis history at the age of 39 when he reached the semifinals of the 1991 U.S. Open, competing against players half his age. More than just the story of a tennis champion, *The Outsider* is the uncensored account of Connors’ life, from his complicated relationship with his formidable mother and his storybook romance with tennis legend Chris Evert, to his battles with gambling and fidelity that threatened to derail his career and his long-lasting marriage to Playboy playmate Patti McGuire. When he retired from tennis twenty years ago, Connors all but disappeared from public view. In *The Outsider*, he is back at the top of his game, and as feisty, outspoken, and defiant as ever. This autobiography includes original color photographs from the author.

Andre Agassi Adult Coloring Book: The Greatest Tennis Player of All Time and Tennis Legend, Cultural Icon and Famous Sportsman

Inspired Adult Coloring St. Martin's Press

Break Point: The Secret Diary of a Pro Tennis Player (Large Print 16pt) Little Brown

Matt Christopher, the #1 sports writer for kids, focuses on Andre Agassi, the controversial tennis phenomenon whose image is as hard-hitting as his playing. Real-life sports action plus the author’s easy-to-read style equals a sports biography not to be missed.

Break Point ReadHowYouWant

DIV At the age of sixteen, Monica Seles crashed on to the world tennis scene by becoming the youngest winner in French Open History. For three years, she dominated the tennis circuit, racking up eight Grand Slam titles, winning three back-to-back French Open titles. At post-match conferences she charmed the media with her trademark giggle. In January 1993, Seles defeated Steffi Graf in the Australian Women’s Open and in April of that year, while playing a quarter-final in Hamburg, a boning knife was plunged between her shoulder blades by a Graff fan. Everything changed. The incident shocked the tennis world. Seles’ injuries healed, but Seles did not. Now, in this compelling book she tells us in her own words what followed - years of seclusion, the fog of despair, binge eating, dealing with criticism about her weight from a brutal press, losing her father’s coach to cancer and never

regaining her dominance on court despite getting in to the top 10. After years battling to regain fitness and tennis glory, an excruciating injury forced Monica to take time off from tennis in 2003 and she embarked on her own journey. She abandoned the arduous workouts and punitive diets, and slowly uncovered the painful emotions behind years of tumultuous feelings. This is a human and inspiring story of determination, amazing talent and touching vulnerability, that Seles hopes will motivate and inspire others to find happiness in their own lives. Monica Seles is a former No 1 professional tennis player who became the youngest-ever champion at the French Open in 1990 and went on to win nine Grand Slam singles titles. In 2007, she was appointed goodwill ambassador for the UN's Global Sports for Peace and Development Initiative. /div

Andre Agassi Twelve

What's heaven to seven-year-old Andre Agassi? To never play tennis again. Yet his father has other plans. Mike Agassi was born in Iran, where Allied soldiers gave him a racket after the war and introduced him to the game. He shaves without soap or cream, boxed in the Olympics, and speaks five languages. The sixth is tennis. And his greatest dream is for his son to become number one in the world. A selection from the acclaimed autobiography *Open*, this is the tumultuous first confrontation between father and son, between the lines of the court: a searching portrait of Agassi before fame and success.

Winning Ugly ABDO

A biography of the talented and colorful tennis player who earned the number one ranking in 1995.

Andre Agassi ECW Press

Presents essays and interviews profiling a variety of tennis greats, including John McEnroe, Arthur Ashe, Pete Sampras, Martina Navratilova, Bjorn Borg, and Rod Laver.

Andre Agassi Simon and Schuster

This New York Times bestselling biography tells the life story of the most iconic men's tennis player of the modern era. There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In *The Master*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest

player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. *The Master* tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.

The Outsider Little Brown

Groomed since the age of eight by his obsessive father Vince Spadea, by most accounts'except Andre Agassi's, who called Vince "a journeyman" at age 25'has been a success. At the start of the 2005 season, 19th seed Spadea was the only over-30-year-old player besides Agassi to be ranked in the top-20 on the world professional tennis circuit. Now in his 13th professional season, Spadea gives a riveting account of the ultra-competitive and often hilarious world of a pro tennis player. He battles injuries, coaching and agent changes, and a slight from American Davis Cup captain Patrick McEnroe as he continues his improbable climb back up the rankings. Along the way, he considers taking two months off to appear on *The Bachelor*, practices with a still combative John McEnroe in a New York City tennis club, and prowls LA parties with his buddy, comedian Jon Lovitz, trying to pick up actresses like Natalie Portman and jump start his fledgling acting career. Agassi, Andy Roddick, Roger Federer, Rafael Nadal, Martina Navratilova, Maria Sharapova,

Jennifer Capriati, Tim Henman, and Marat Safin are all analyzed in more colourful and personal terms than the tennis media has ever provided. In these pages, Spadea breaks the taboo of the "whatever you see, hear and do here, stays here" locker room mentality.

My Aces, My Faults Hachette UK

#1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, *Open* is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career.

Tennis Confidential ECW Press

Relates how this tennis player won Grand Slam events only after realizing that talent alone was not enough and that he needed a new coach.

The Master Rourke Publishing (FL)

Ellis is a sad boy - caught up in his daydreams, abandoned and beaten by his family, teased and bullied at school. It seems nobody listens to him and nobody shares his fears and sadness. One evening he meets the girl Natalie, who is the same age. She makes him feel like he finally has a true ally. Natalie takes Ellis on imaginary journeys, enabling him to have sweet dreams again and be happy despite his sad situation... until one day Ellis realizes that Natalie is not real, just an imaginary character. When Ellis ends up in an orphanage after a devastating family incident, he meets a real girl who is identical to Natalie. She seems to change his life. Can Ellis now find his way and face his trials better?

Andre Agassi Sarah Crichton Books

In his memoir, written with award-winning journalist John Carlin, tennis star Rafael Nadal reveals the secrets of his game and shares the inspiring personal story behind his success. What

makes a champion? What does it take to be the best in the world at your sport? Rafael Nadal has the answers. It begins in Mallorca, where the tight-knit Nadal family has lived for generations. Coached by his uncle Toni from the age of four and taught humility and respect by his parents, Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious, hardworking role model for people in all walks of life. Now he takes us behind the scenes, from winning the Wimbledon 2008 final -- described by John McEnroe as "the greatest game of tennis" he had ever seen -- to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career. With candor and intelligence, Nadal brings readers on his dramatic and triumphant journey, never losing sight of the prize he values above all others: the unity and love of his family. From RAFA: "During a match, you are

in a permanent battle to fight back your everyday vulnerabilities, bottle up your human feelings. The more bottled up they are, the greater your chances of winning, so long as you've trained as hard as you play and the gap in talent is not too wide between you and your rival. The gap in talent with Federer existed, but it was not impossibly wide. It was narrow enough, even on his favorite surface in the tournament he played best, for me to know that if I silenced the doubts and fears, and exaggerated hopes, inside my head better than he did, I could beat him. You have to cage yourself in protective armor, turn yourself into a bloodless warrior. It's a kind of self-hypnosis, a game you play, with deadly seriousness, to disguise your own weaknesses from yourself, as well as from your rival."

The Roger Federer Story Hachette Books

In *A Champion's Mind*, the tennis great who so often exhibited visible discomfort with letting people "inside his head" finally

opens up. An athletic prodigy, Pete resolved from his earliest playing days never to let anything get in the way of his love for the game. But while this determination led to tennis domination, success didn't come without a price. Here for the first time Pete speaks freely about the personal trials he faced—including the death of a longtime coach and confidant—and the struggles he gutted his way through while being seemingly on top of the world. Among the book's most riveting scenes are the devastating early loss that led Pete to make a monastic commitment to the game; fierce on-court battles with Andre Agassi; and the triumphant last match of Pete's career at the finals of the 2002 U.S. Open. "A thoroughly compelling read that really probes the hard drive of a champion...All the emotion and insight that Sampras seems reluctant to express during his playing days come spilling forth." —Jon Wertheim, senior writer, *Sports Illustrated*
