MARQUIS ARNAV

The Girl Who Wrote in Silk Grand Central Publishing

Wife | Daughter | Self investigates identity and the writing life through the perspective of one of the nation's top memoir teachers and critics. How are we shaped by the people we love? Who are we when we think no one else is watching? How do we trust the choices we make? The answers shift as the years go by. The stories remake themselves as we remember. Curiously, inventively, Beth Kephart reflects on the iterative, composite self in her new memoir—traveling to lakes and rivers, New Mexico and Mexico, the icy waters of Alaska and a hot-air balloon launch in search of understanding. She is accompanied, often, by her Salvadoran-artist husband. She spends time, a lot of time, with her widowed father. As she looks at them she ponders herself and comes to terms with the person she is still becoming. At once sweeping and intimate, *Wife | Daughter | Self* is a memoir built of interlocking essays by an acclaimed author, teacher, and critic.

Evidence-Based Geriatric Nursing Protocols for Best Practice, Fifth Edition Pink Parts Press

The best stories of a long and influential career by "quite simply a superb writer" (The Washington Post Book World) *Sharing Lindsay (reluctant virgin threesome menage erotica)* Pink Parts Press

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The

truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow* **The Babysitter's Seduction** Lindsay Buroker Participatory Community Research addresses the gap between scientific knowledge and the practice of community based research methods. Unlike the traditional approaches to research in which researchers generate the ideas for projects, define the methods, and interpret the outcomes, the approaches of participatory research empower community populations to shape the research agenda. Their participation often

results in generating greater sociopolitical awareness and affecting large systemic change in the community. Although this type of research has proven to be a powerful tool for community intervention, comparative analyses of methods and outcomes are absent from the literature. In this volume, leading community psychologists and practitioners discuss recent theoretical advances and innovative methods in the field. Valuable case studies illustrate how these participatory approaches have led to high quality collaborations, interventions, and prevention projects. Chapters examine the effects of participatory research on the community, research quality, collaborative challenges, and best practices. This text elucidates the challenges and successes of community psychology and will help *Good and Cheap* Pink Parts Press A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical

advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal

Busting Kelsey (cop police officer rough dubcon) Lindsay Buroker
Kelsey is nineteen and still so innocent that she's hardly even kissed a boy before. When her ride gets pulled over for DUI after they've been out drinking with some frat boys from their college she figures she'll end up in jail for underage drinking. But hunky Deputy Jack Thompson has other ideas. He'll keep her out of jail and cover for her with her daddy-for a price. He wants her in his bed, and he's not interested in taking no for an answer. Will Kelsey trade her virginity for an alibi?
The Gift of an Ordinary Day Pink Parts Press

Ever since they had moved in at the beginning of the summer, the trio of college girls had been a perpetual pain... Sean and Vicki have had it with the three sorority girls living next door. All year they've put up with the loud parties, trash in their yard, and drunken pranks. But now the girls are about to get a hard lesson they'll never forget - and have the whole thing immortalized on video. Just how far will Sean and Vicki go to get even with the brats next door? The Best of Gene Wolfe Springer Publishing Company

A classic Cinderella fairytale with a Victorian Twist. With her guiding hand, Lady Ada turns the mundane into the magnificent, lumps of charcoal into beautiful sketches-and second-hand clothes into gorgeous gowns. Only her debilitating stutter is beyond reach. When her cruel brother is accused of treason, she threatens her-she must help him, or be thrown into an asylum, claiming her stutter as evidence of an unsound mind. Like a rabid dog, the Duke of Girard is consumed with uncovering the traitorous plot surrounding Lady Ada's brother. She holds the key to solving the mystery, but is unable to speak. He's

determined to interrogate the woman, but the longer he's in her company, the more kind he becomes. With Lady Ada's brother on the loose, can the Duke of Girard win her trust-and her heart-in time to save the queen?

The Case for Marriage Pink Parts Press
He had been the prime star of most of my adolescent fantasies, largely because he was completely inaccessible. Just when I thought my spring break was going to fizzle out, I ran into Jude at the hotel. And I mean literally ran smack into him as I was coming out of the elevator. His body fit mine like he was made for me, and being in his arms felt like Heaven - for about two seconds until he realized who I was. He was my dad's best friend, twice my age, and so far out of my league he probably couldn't even see my league from where he was. But I can't get him out of my head. Even when I'm out partying with my friends, he's all I can think about. I just know he's the guy I've been waiting for, the one I want to be my first. Of course the whole idea is crazy. Jude would never in a million years go for me. But what if he did? Much Ado About a Latte Abrams

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

The Babysitter Diaries #1 I've always had a thing for older guys - usually much older guys. They're like my kryptonite or something... Nineteen-year-old Jenna babysits because the hours don't interfere with school and her clients tend to tip very well. It also lets her spend a lot of time around hot, older guys who know exactly how to satisfy a girl. When her latest client, David, starts putting in lots of late nights and weekends because of a promotion Jenna decides that she's the perfect way for him to unwind after a long, hard day at the office. To do that she's willing to put in some steamy, sweaty overtime that she won't be charging him for. Keywords: free erotica, free erotic short stories, free short sex stories, freebie, older man younger woman, may december, age gap, babysitter erotica, babysitting, sitter, nanny, series, schoolgirl, teen, teenager, college girl, coed, erotica, free erotica romance books
Sinister Magic Simon and Schuster
Ever since they had moved in at the beginning of the summer, the trio of college girls had been a perpetual pain... Enticing Erin: Sean and Vicki have had it with the three sorority girls living next door. All year they've put up with the loud parties, trash in their yard, and drunken pranks. But now the girls are about to get a hard lesson they'll never forget - and have the whole thing immortalized on video. Just how far will Sean and Vicki go to get even with the brats next door? Luring Lesley: With a steamy sex tape of Erin in hand, they move on to their next victim—Erin's older sister, Lesley. This time the game is blackmail, and it's a sure bet that Lesley isn't going to surrender gracefully. If Erin's sex tape gets out, though, the sorority is going to kick her out and then Lesley can kiss her hopes of being an advisor at the sorority house goodbye. Just how far will Lesley be willing to go to make sure that tape stays secret? Misleading Melinda: Sean and Vicki's scheme for revenge has taken care of two of the bratty sorority girls living next door, and now they're ready to finish off the third girl—Melinda. This time Vicki isn't going to be content just to watch. She wants to play, too. After all, why should Sean have all the fun? But can they convince Melinda to take them both on? A coffee war is brewing in Maple Falls, where Anita and Tanner are serving up plenty of sparks to keep the town buzzing. Anita Bedford needs to face reality. It's time to decaffeinate the dream that she and Tanner will ever be more than friends. Growing up in small-town Maple Falls, she's had a crush on Tanner for years. But he'll only ever see her as good, old, dependable Anita. Now she's finally ready to make her own goals a reality. In fact, that deserted building next door to Sunshine Diner looks like a promising location to open her own café . . . Tanner Castillo may know how to operate a diner, but he doesn't know beans about love. After pouring his life savings into buying the Sunshine Diner, he needs to keep his mind on making a success of it and supporting his widowed mother, not on kissing Anita Bedford. First order of business: improve his customers' coffee experience. Next, he should probably find out who bought the building next door . . . It's a bitter cup to swallow when ambition turns longtime friends and coworkers Anita and Tanner into rivals. Now that they own competing businesses, how could they ever compete for each other's hearts? Or will the two of them come to see what's obvious to the whole, quirky town of Maple Falls: potential for a full-roast romance, with an extra splash of dream? Welcome to Maple Falls, where everyone knows your name, your coffee order, and your relationship status. Praise for *Much Ado About a Latte*: "You've heard of friends to lovers; now get ready for childhood friends, to coworkers, to fake-dating coworkers, to business rivals, to lovers. *Much Ado About a Latte* has it all—charming and sweet, with delectable dialogue and just enough biting tension to keep you on the edge of your seat. Readers will love the beautiful setting of Maple Falls, the gratuitous food descriptions at Sunshine Diner, and Anita's adorable cat, Peanut." —Carolyn Brown, *New York Times* bestselling author "Something's brewing in Maple Falls and you're going to be rooting for the romance every step of the way. Kathleen Fuller has created a wonderful small-town setting for this sweet reunion romance. How these two first-kiss kids ever kept their distance until now is beyond me! Just goes to show if true love is meant to be, there's no escaping it." —Nancy Naigle, *ECPA* bestselling author of *The Shell Collector* Sweet contemporary romance *Second* book in the Maple Falls series, but can be read as a stand-alone Book length: 77,000 words Includes discussion questions for book clubs

Dr. Strange Beard Time Inc. Books

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Balanced on the Blade's Edge Pink Parts Press

The Alliance has toppled the tyrannical empire. It should be a time for celebration, but not for fighter pilot Captain Alisa Marchenko. After barely surviving a crash in the final battle for freedom, she's stranded on a dustball of a planet, billions of miles from her young daughter. She has no money or resources, and there are no transports heading to Perun, her former home and the last imperial stronghold. But she has a plan. Steal a dilapidated and

malfunctioning freighter from a junkyard full of lawless savages. Slightly suicidal, but she believes she can do it. Her plan, however, does not account for the elite cyborg soldier squatting in the freighter, intending to use it for his own purposes. As an imperial soldier, he has no love for Alliance pilots. In fact, he's quite fond of killing them. Alisa has more problems than she can count, but she can't let cyborgs, savages, or ancient malfunctioning ships stand in her way. If she does, she'll never see her daughter again. Fans of *Firefly* and *Star Wars* should enjoy this fun, fast-paced space opera series from USA Today best-selling author, Lindsay Buroker. If you like to wait and binge-read, the series is now complete at eight novels.

Trauma and Recovery Simon and Schuster

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death. *Taking Kelsey (cop police blackmail*

reluctant virgin erotica) Amer Psychological Assn
 Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.
Hysteria: A Victorian Medical Exam Erotica
 EverAfter Romance
 This machine was the Professor's ultimate achievement. No woman who had lain on this table had yet been able to withstand it. Lord Elliston is at his wit's end with his daughter Emily. Nothing he tries seems to make the slightest impact on her deplorable behavior, and when she is caught stealing a handkerchief he knows

that it is time for desperate measures. One name comes up again and again—Professor George E. Feversham. The founder of Feversham's Academy of Young Women's Correctional Education has a reputation for reforming troubled young women of the lower classes, and his treatments for praefocatio matricis—female hysteria—are renowned in scientific circles. It seems that the Professor is his last, best hope for regaining control of his daughter. But what will the treatments mean for Emily?

Beach Haven Crown
 As a bookish, introverted database programmer, Morgen Keller never thought she was a candidate for a midlife crisis. That was before her husband divorced her, her boss let her go, and her grandmother died. Forty wasn't supposed to look like this. When Morgen heads up to the small town of Bellrock, Washington, to settle the estate, she looks forward to taking a peaceful break from life and figuring out what she's going to do next. But peace isn't to be had. The old farmhouse is full of witch paraphernalia, a fearsome werewolf has claimed the property, and contrary to what the family was told, Grandma didn't die of natural causes. Embroiled in a mystery, and heir to powers she knew nothing about, Morgen must turn to the only person who might be able to help: the werewolf who threatened to rip her throat out for trespassing. This isn't the fresh start on life that Morgen had in mind. *A Witch in Wolf Wood* is perfect for fans of mystery, magic, slow-burn romance, and second chances. Pick up your copy of Book 1 (*Mind Over Magic*) today!
