Live a life of peace, love, and happiness through spiritual awakening In *Wake Up Now*, author Stephan Bodian-- nationally recognized expert on meditation and spirituality and former editor-in-chief of *Yoga Journal*--reveals that spiritual awakening is not some faraway dream, or

overly complicated to achieve, but an ever-present reality that is always available here and now. Based on his own experience and over 30 years of teaching the direct approach to spiritual awakening, Bodian has broken down the awakening process into five overlapping, loosely sequential stages: seeking, awakening, deepening and clarifying, embodying, and living the awakened life. *Wake Up Now* guides you through every stage of the journey, from the process

of seeking through the often prolonged and challenging process of integrating the awakening into everyday life. "This book is one of the most concise guides to spiritual awakening I have read. Both profound and practical, it guides the reader through the intricacies of awakening as only someone who has walked the walk themselves can do. The clarity and compassion this book offers the sincere spiritual seeker is both rare and welcome." -Adyashanti, renowned

spiritual teacher and author of *The Impact of Awakening and Emptiness*. I'm what you might call a

regular guy. For virtually all of my adult life, I've worked a nine-to-five job in an office. Yet, like many of you, I've been on a spiritual quest since I was in my twenties. Wondering if there might be more to life than the daily cycle of work-home-sleep-repeat, I began reading voraciously-- everything from books on Buddhism, Hinduism, and the Jesus teachings I grew up on, to the latest spirituality bestsellers, self-help columns, and human-interest stories in my local newspaper.

Eventually, I came to this realization: for me, true wisdom is not found in a single magical book or a particular religion or one enlightened spiritual teacher. Wisdom comes from many sources. Wake Up Call is a compendium of commentaries I've written over the years inspired by this unending spiritual quest. I hope this book inspires you on your quest, wherever it may lead.

Your Last Wakeup Call is the work of a high dimensional angelic energy that calls itself simply A.O.B. A.O.B. teaches through simple metaphors built around everyday items. Our author's role was to become aware of A.O.B.'s gentle messages, typing as they were given. Since this transmission occurred in 1994 some of the content will be dated, but the messages remain timeless. Very little editing has been done so

that the reader may experience the ebb and flow of A.O.B.'s delivery. Shortly after the book was given, Connie discovered she could no longer contact A.O.B. She tried for months to find a publisher but without success. Finally she gave up, thinking perhaps the messages were just for her. Now suddenly in 2011, A.O.B. has returned and has revealed a complete name of Angelic Overlighted Beings. The publication process has flowed with ease, and Connie senses A.O.B.'s

presence daily. As persons of all faiths are sensing that the fulfillment of the prophecies may be close at hand it is perhaps more important than ever that we cease our spiritual procrastination. Hopefully, this book will help.

Experiencing the loving presence of God is no great mystery. Too often we simply don't recognize it. But it's all around us, in the most common comings and goings of our daily lives. Consider the man who wanted confirmation about a job

and saw a billboard that read, "If you're looking for a sign from God, this is it." It's often that simple!

What we sometimes need is not just to listen but to hear--not just to look, but to truly see. Our Spiritual Wake-Up Calls, the fifteenth book of the Mahanta Transcripts series, shows you how to see these spiritual clues and let more of God's love and guidance flow into your life. You'll discover how God communicates through dreams, the people you meet, a song on the radio, a suddenly

remembered conversation, or even a newspaper comic strip. Divine Spirit picks the vehicle that is available at any particular moment. Learn how you are in the grasp of divine love every moment of every day. The transcripts in this book are highlights from Harold Klemp's talks worldwide. They offer study aids for greater spiritual understanding and are an excellent introduction to Eckankar. Eckankar is a modern-day spiritual teaching with ancient roots founded in 1965 by

Paul Twitchell. Harold Klemp is the current spiritual leader of Eckankar since 1981. *Church of Cowards* Xlibris Corporation  
If you are breathing, thinking, talking, walking, hoping, dreaming, expecting, believing. . . . If you are moving in any shape, form, or fashion, this book is for you. If you have ever been challenged by jobs, people and their peculiar ways, this book is for you. You are on a journey just as I have been. Answering God's Wake-up Call

(2013) chronicles 100 days of my journey with the Holy Spirit - a journey that landed me in Antigua. Shared with readers are events, days, prayers, poems, thoughts that represent a very real walk with God. An emphasis is placed on obedience and listening for God and to God. This book picks up in some ways where Yes, God, I'm Listening (2002) left off. As we all know, it is one thing to listen - it is many times more important to be obedient. And we are called to tell others of our

experiences. When you get the wake-up call, what will you do? Hit the snooze and roll over? It's a journey! Don't miss the call!! This book is for you. From the rising of the sun to the going down of the same, His name is to be praised. Regina Vincent Clark, Ed.D., says she felt called or sent to Antigua, West Indies in 2010 – the same time that she began formally documenting journal entries which, within a year, would become the basis for this book. Dr. Clark's experience of

employment and community outreach were as much a part of her journey as the personal relationships formed with individuals in Antigua and her eye-opening experience of coming to know the Holy Spirit as a person, a friend, a guide, and a dependable confidante. ....The life story is clearly a testimony that where God guides, He provides many opportunities to us to be used as a Blessing to others. Louise  
.....Excellent testimony!!  
Always remember, there

are no bad days in CHRIST, >only opportunities to grow your faith. Keep studying and be encouraged. Minister Jerry .....Thanks for sharing your spiritual journey . . . It was just what I needed with my morning cup of tea!

What if we are stubbing our toes on the sacred every day and not realizing it? We are the most connected culture in history but arguably the most disconnected from the awareness of God's presence. Waking Up Slowly is author Dave Burchett's personal challenge to live "in the moment" and find the everyday joys he misses in disconnected busyness. What moments of joy do we inadvertently miss as we stare at our screens? What performance idols destroy our ability to

appreciate God's gifts? Dave Burchett sets out to find out how life might look differently if he awoke each morning consciously looking for the easy to miss "postcards from God." Waking Up Slowly is an intimate, warm, and touching story of discovering how to more fully appreciate living in the moment. During his discovery, the author finds regular reminders of daily joys from his Labrador pal, Maggie. Waking Up Slowly challenges the reader to

recognize, appreciate, and celebrate the ways that God reveals himself daily. Through regular people, everyday situations, cuddly creatures, and stunning nature, God's presence is real and discoverable. We just need to wake up to it. **Our Spiritual Wake-Up Calls** iUniverse Discover how God communicates through dreams, the people we meet, a song on the radio, or a suddenly remembered conversation. An oncologist's integrative path to treating and living better with or beyond cancer Dr. M. Laura Nasi presents a new way of looking at how we view and treat cancer. With current advances in medicine, we're learning more about the ways different aspects of our lives and health impact and interact with one another—why does one long-term smoker get diagnosed with stage-4

lung cancer while another remains cancer-free? Why does someone exposed to a known carcinogen get sick while someone else is apparently immune? What seemingly unrelated factors end up playing key roles in disease etiology, progression, and prognosis? In this well-researched, inspiring, and easy-to-read guide, Dr. Nasi offers an integrative, whole-person approach to cancer, and explains how it is a systemic disease manifesting a global condition locally. Conventional medicine

focuses on attacking malignant cells. Integrative medicine encourages chemo and radiation when necessary, while also focusing on a patient's internal balance to help halt the disease. Nasi draws on the latest research on the PNIE (psycho-neuro-immuno-endocrine) network to help our systems recognize, repair, or eliminate the cancer cells, focusing on nutrition, stress management, exercise, adequate sleep, healthy relationships, and other body/mind/spirit

modalities. Dr. Nasi encourages patients to become empowered agents of their own care. [Playing With Holy Fire](#)

With few exceptions, the human body is a self-healing organism that would function perfectly when given the things it needs, such as nutrition, exercise, and social and spiritual food. Most of the time, however, life gets in the way. The good news is that everyone has the chance to make right with physical, emotional, and spiritual needs and to live

in a way that allows the body to function better. For those headed in the wrong direction, inaction is a choice. Reversing downward spirals to get life back on track requires each person to make a choice to live differently. *Unstuck* Xlibris Corporation  
One thing—more than any other—keeps us from a compelling life: we are STUCK. Some of us are stuck for short seasons of time. But others surrender to a life of being continually trapped and frustrated. The hang-ups

of our past, fear of failure, victim mindsets, broken relationships, disappointment with ourselves—together with the lack of fresh encounters with God—have left many of us struggling and unable to move into our next season. *Unstuck* is a wake-up call for all those tired of being stuck. Organized around the most significant event of the prophet Elijah's life, his cave experience, *Unstuck* helps you discover what is holding you back from starting a

new chapter of life. Mark Jobe will help you address your unfinished business, rediscover your boundaries, break out of isolation, and re-envision your life story to step out of your cave and into your call.

- Explores how to consciously evolve, heal our generational trauma, and awaken to the amazing potential we each hold for transformation
- Shares unique maps and models for psychospiritual

integration, spiritual awakening, and evolving consciousness • Examines the evolutionary continuum of the soul and catalytic astrological events that will influence humanity in the years and decades ahead Humanity is undergoing a planetary wake-up call: in order to survive the global spiritual, ecological, and cultural crises we now face, the long, dark night of the collective soul, we need to consciously evolve, heal our generational trauma, and awaken to the amazing

potential we each hold for profound transformation. In this sweeping exploration of love, consciousness, and awakening, Nicolya Christi offers a deep investigation of the Great Shift of Ages that is now occurring. She shares detailed personal accounts of the extraordinary metaphysical, psychic, and out-of-body experiences she has had throughout her life along with the direct spiritual insights she gained as a result. She explores what

consciousness is and examines the evolutionary continuum of the soul--including the voyage of the incarnate soul, the metaphysical-spiritual reality of the ex incarnate soul, and the beyond-soul reality. She also shares maps and models for psychospiritual integration, awakening, and evolving consciousness that she has pioneered. Examining the personal and collective human shadow, the author looks at the central role epigenetics play in our current fear-

based reality and explores the impact of stories of wounding from a personal, ancestral, and karmic perspective. Focusing on healing generational and collective trauma, she shows how by changing our "story," we can change the world and transcend the shadow of human experience. She explores spiritual wisdom from ancient cultures spanning millennia, especially the Classic Maya, and highlights evolutionary astrological events that will influence

humanity in the years and decades ahead as we more fully awaken. Sharing her vision for the New Earth, Nicolya reveals how deeply feeling and envisioning our post-transformation future as if it has already happened will help bring it into being. She also shares a look into the new epoch of wellness, regeneration, psychology, biology, and technology that will unfold as humanity transitions from the dysfunctional old paradigm into a conscious and awakened new world.

I don't know about you, but I need all the help I can get when it comes to spiritually jump-starting my day. Some days I get up and it is all I can do to concentrate on a few verses of Scripture. Other days I feel tempted to blow off my twenty minutes of reading because I'm anxious that I have too much to do. On such days I have found it helpful to have a source to direct my thoughts toward God. I need a tool

to help me rouse my weary spirit and prepare to take on yet another day of kingdom building. In short, I need a wake-up call. Do you? So writes Will Davis Jr., in *Wake-Up Calls*. *Wake-Up Calls* helps bleary-eyed Christians to better see God's kingdom. It deals practically with such topics as temptation, sin, prayer, relationships, suffering, conflict, death and obedience with honesty and in-your-face clarity. If you need a blast of kingdom reality that cuts through the morning's spiritual fog,

then *Wake-Up Calls* is for you.

The final book in Oriah Mountain Dreamer's bestselling trilogy opens us to finding and consciously living the meaning and purpose—the unique calling—at the center of our lives. In *The Invitation*, visionary writer and teacher Oriah Mountain Dreamer wrote about what we long for. In *The Dance*, her second book, she explored how to live this longing. Now, in *The*

Call, she shares with us her struggle with and discovery of “why”—why we are here and why we must each undertake the journey from longing to living fully and deeply in the world. Like her previous bestsellers, *The Call* is filled with moving stories and wisdom born of experience, an intimate and insightful exploration of Oriah’s journey to heed her own call, which comes in often unexpected forms. Readers journey with Oriah into the recognition that to be fully human is to consciously

live what we are—an echo of the sacred Presence that is beyond all thought—through the messy reality of who we are. Gently challenging and persistently practical, Oriah guides the reader in living every day awake to the essence of who we are, showing us how to find and embody the meaning in our lives in the unique way we are each called to do so. *The Call* takes us on a journey into living a deeply spiritual and wholly human life.
