Struggle for Intimacy Balance

In this irreverent guide, a bestselling comedy writer and noted psychotherapist teach parents how to handle their grown kids. There are many books out there to teach you how to handle your children after they graduate from diapers, but none tells you how to proceed once they graduate from high school. As new patterns emerge in the lives of young adults, parents find that their grown children have bigger problems than they did just a few years ago. How to Raise Your Adult Children is a manual for anxious moms and dads. Whether confronting the question of setting a curfew for a college kid at home, or paying for a forty-year-old daughter's wedding, two "been there, done that!" moms give advice with an edge on a variety of emotionally and financially perilous situations, including:

- Your kid needs money-your money
- Your kid moves back home and stays home
- You know your child should not marry their significant other
- Your big children keep dumping their little children on you

Combining the wit of Emmy Award-winning writer Gail Parent and the insight of psychotherapist Susan Ende, this book answers questions most parents never imagined they would have to ask.

A proud emperor spends his kingdom's wealth on beautiful palaces and rich clothes. Two swindlers convince the emperor they can weave a special cloth that is invisible to anyone unfit for office or is very foolish. En un reino lejano vive un orgulloso emperador que gasta la riqueza de su reino en bellos palacios y exquisitas vestimentas. Él tiene todo lo que podría desear: riqueza, admiración y una corte donde nadie se atreve a contradecirlo. Eso es hasta que un par de estafadores llegan a la ciudad prometiendo confeccionarle una vestimenta mágica, que es invisible para cualquiera que sea inepto para el cargo que ocupa o sea muy tonto. ¿Arriesgará alguien su reputación y expondrá a los estafadores? ¿O el emperador desfilará por la ciudad con un traje que en realidad no existe?

When a tiny, yellow egg appears on the scene, three friends, Speckles the spider, Crumbs the cricket, and Annie the ant, aren't sure what to think. But when Katy the caterpillar appears, Speckles and Crumbs think the caterpillar is much too ugly to be their friend. Only Annie the ant looks past the caterpillar's funny shape and makes friends with Katy. As Katy the caterpillar begins her strange transformation into a beautiful butterfly, Annie is shocked and amazed. This educational and beautifully illustrated story shows the true meaning of beauty and friendship and the pitfalls of judging others by their appearances.

When they were first released in the 1980s, Janet Woititz's groundbreaking works, Adult Children of Alcoholics, Struggle for Intimacy and The Self-Sabotage Syndrome, provided a new message of hope to adult children who had grown up in the shadow of alcoholic parents. Their message today is as profound and timeless as it was two decades ago. Now, in this complete collection, readers will learn again the insight and healing power of Janet Woititz's words. The Complete ACoA Sourcebook is a compilation of three of Dr. Woititz's classic books, addressing head-on the symptoms of The Adult Children of Alcoholics syndrome and providing strategies for living a normal life as an adult. Readers will find help for themselves: at home, in intimate relationships and on the job. They will discover the reasons for the way they think, believe and feel about themselves; ACoAs often feel isolated, have difficulty in relationships, in the workplace and in feeling good about themselves. Readers who are familiar with Woititz's work will find wisdom once again in this classic collection. Those new to ACoA will gain fresh insight into their behavior patterns and find an avenue for self-love and healing. Noted ACoA expert Dr. Robert Ackerman, author of the best-selling Perfect Daughters and Silent Sons, provides a foreword and explains why Janet Woititz's message will continue to help millions of readers for generations to come.

Congratulations, you are a teenager! The big question is, now what?! The teenage years are an exciting yet every changing period of your life. New challenges and tasks seem to pop up almost daily, not to mention all the changes your body is going through. As you get older and take on more responsibilities, you have probably often wondered how to do many of the adult tasks your parents or older siblings seem to breeze through daily. Everything from how to tell if the chicken in the fridge has gone bad to how to get rid of dandruff has likely crossed your mind, and you're not alone. The more you learn and the more new experiences you have, the more questions you'll have too. While a wonderful tool with a wealth of knowledge, the internet can be overwhelming to navigate at times. I mean, which of the thirteen articles about budgeting and saving money is actually accurate? And yes, you can ask your parents or other trusted adults in your life to teach you specific skills, but sometimes you just want to figure it out on your own. That's where this guide comes into play. Dive in and start learning life skills for teens! Order yours now.

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

Julia Fairfax isn't quite herself today. It's not like Julia to quit her job just because she was over for a promotion. Or to call off her engagement just because her fiance is a bore. And it's certainly not like her to pack her bags, sublet her house, board a rattletrap hotel boat, and pass herself off as a gourmet cook. It's just not like Julia to be so recklessly--and delightfully--in control. And she's loving every minute of it... But Julia's new life soon gets anchored with familiar baggage--like an old boyfriend, a meddling mother, and a spurned fiance nipping at her heels--all of them bursting with unsolicited advice. Now, Julia's got a surprise in store for each and every one of them. And somewhere between dry-dock and a bargeful of hot-tempered tourists, between old friends and new lovers, Julia's got to turn survival into a skill if she wants to turn a season adrift into the summer of a lifetime...

Now a Literary Classics Award-winning book Does your child know: -- The difference between a good secret and a bad secret? -- Adults they DO NOT know should not be asking children for help? -- The difference between a safe touch and an unsafe touch? -- How to access help? -- Who are their circle of safe adults? Jack Teaches His Friends to Be KidSafe will teach you and your children essential life skills to help you keep them safe. Use this book to comfortably open up the conversation with your children about their personal safety. "Parents today have to take every precaution to ensure that their children's safety is not compromised in a world that can be less than kind. The three things to help keep your children safe: Love your child, consistently communicate with your child, and supervise your child." -Ken Lanning, Former Federal Bureau of Investigation (30 years) Special Agent with the Behavioral Science Unit and National Center for the Analysis of Violent Crime (NCAVC). Expert on the issue of victimization of children. Founding member of the Board of Directors of the American Professional Society on the Abuse of Children (APSAC). "In communities across our country, youngsters are falling prey to harm within their own neighborhoods by known individuals, other children, and sometimes by strangers. KidSafe Foundation, a 501(c)3 nonprofit organization, has excellent first-rate educational material on the important topic of personal-safety life skills that parents can easily share with their children. The topics tackled in this book, such as checking with an adult first, safe and unsafe touch, saying no in unsafe situations, and knowing how to reach out to their circle of safe adults, will help to strengthen the parent/child bond while increasing the child's awareness of behaviors that can keep them safe." -James Walker, Broward County Sheriff's Office, Child Protective Investigations Section
