 A BTS fan favorite! A WALL STREET JOURNAL STORIES THAT CAN TAKE YOU ANYWHERE PICK \* ENTERTAINMENT WEEKLY'S STAY HOME AND READ PICK \* SALON'S BEST AND BOLDEST \* BUSTLE'S MOST ANTICIPATED The Emissary meets The Curious Incident of the Dog in the Nighttime in this poignant and triumphant story about how love,

friendship, and persistence can change a life forever. This story is, in short, about a monster meeting another monster. One of the monsters is me. Yunjae was born with a brain condition called Alexithymia that makes it hard for him to feel emotions like fear or anger. He does not have friends—the two almond-shaped neurons located deep in his brain have seen to that—but his devoted mother and grandmother provide him with a safe and content life. Their little home above his mother's used bookstore is decorated with colorful Post-it notes that remind him when to smile, when to say "thank you," and when to laugh. Then on Christmas Eve—Yunjae's sixteenth birthday—everything changes. A shocking act of random violence shatters

his world, leaving him alone and on his own. Struggling to cope with his loss, Yunjae retreats into silent isolation, until troubled teenager Gon arrives at his school, and they develop a surprising bond. As Yunjae begins to open his life to new people—including a girl at school—something slowly changes inside him. And when Gon suddenly finds his life at risk, Yunjae will have the chance to step outside of every comfort zone he has created to perhaps become the hero he never thought he would be. Readers of *Wonder* by R.J. Palacio and *Ginny Moon* by Benjamin Ludwig will appreciate this "resonant" story that "gives Yunjae the courage to claim an entirely different story." (Booklist, starred review) Translated from the Korean by Sandy Joosun Lee.

*Who's That Girl?* Harper Collins  
From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local

antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he’s completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she’s never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

This “dazzling” novel follows a family of English aristocrats as their country teeters on the brink of World War II (Penelope Fitzgerald). As war clouds gather on the distant horizon, Hugh, Edward, and Rupert Cazalet, along with their wives, children, and loyal servants,

prepare to leave London for their annual pilgrimage to the family’s Sussex estate. There, they will join their parents, William and Kitty, and sister, Rachel, at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife, Villy, a former dancer searching for meaning in life, yet he’s incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter, but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another

woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must-read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century—and the long-held values and cherished traditions that would soon disappear forever.

The co-founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership, reflecting on the management principles that built Pixar's singularly successful culture, and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve.

"Might be the most thoughtful management book ever."—Fast Company For nearly thirty years, Pixar has dominated the world of animation, producing such beloved films as the Toy

Story trilogy, Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner eighteen Academy Awards. The joyous storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. Here, Catmull reveals the ideals and techniques that have made Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter in 1986. Nine years later, Toy Story was released, changing animation forever. The essential ingredient in that movie's

success—and in the twenty-five movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on philosophies that protect the creative process and defy convention, such as:

- Give a good idea to a mediocre team and they will screw it up. But give a mediocre idea to a great team and they will either fix it or come up with something better.
- It's not the manager's job to prevent risks. It's the manager's job to make it safe for others to take them.
- The cost of preventing errors is often far greater than the cost of fixing them.
- A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody.

Creativity, Inc. has been

significantly expanded to illuminate the continuing development of the unique culture at Pixar. It features a new introduction, two entirely new chapters, four new chapter postscripts, and changes and updates throughout. Pursuing excellence isn't a one-off assignment but an ongoing, day-in, day-out, full-time job. And *Creativity, Inc.* explores how it is done.

Your enemy is strong. The battle is real. Prepare for victory. Fear, discouragement, loneliness, anger, temptation. These struggles are common to every human. Yet not all circumstances or negative emotions originate within. They could be the result of a willful, coordinated assault of Satan.

In *When the Enemy Strikes*, best-selling author Dr. Charles Stanley explores the often-overlooked reality of spiritual warfare?the tactics used by Satan to taunt, confuse, slander, and harm. Your adversary wants to crush your will, delay your promise, hinder your destiny, destroy your relationships, and lead you into sin. Dr. Stanley reveals how you should respond. The most important component of warfare, says Dr. Stanley, is the supremacy of God?both His sovereignty and His power. Practically, this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him. His strength crushes the enemy. This is a world of conflict between good and evil, of powers beyond the merely human. The battle is unavoidable, but take

heart! God has given you the strength to stand.
