Jenny Offill, author of *11 Experiments That Failed*, describes how tough it is to be a kid, when even the (seemingly) best ideas are met with resistance. The text is short, spare, and fall-on-the-floor funny—not to mention utterly child-friendly. The theme of this *Dragonfly Book* is Just for Fun.

You see, each Huey looks the same, thinks the same, and does the same exact things. So you can imagine the chaos when one of them has the idea of knitting a sweater! It seems like a good idea at the time--he is quite proud of it, in fact--but it does make him different from the others. So the rest of the Hueys, in turn, decide that they want to be different too! How? By knitting the exact same sweater, of course! The first in a series of child-friendly concept books by the #1 bestselling artist of *The Day the Crayons Quit*, *How to Catch a Star*, *Stuck*, and *This Moose Belongs to Me*, *The New Sweater* proves that standing apart can be accomplished even when standing together.
