Coinciding with the much anticipated summer 2000 live action movie The X-Men, comes Titans, a collection of awe-inspiring original artwork created by husband and wife team

Boris Vallejo and Julie Bell.

Along with using a classic sense of style to create and master sensuous full color oil paintings, Boris Vallejo is best known as the visual creator of Conan the Barbarian. Combining strength with sensuality and infusing the human form with incredible power and motion, fantasy artist Julie Bell continues to use her metal flesh trademark to produce dramatic works of art. This collection overflows with superhuman characters captured in the act of

saving the world,  
 destroying evil  
 protagonists and battling  
 dark beasts. Featuring
