stylish, or healthy
**Prefab Housing and the
Future of Building:
Product to Process**
Apr 17, 2023 · The Prefab
housing system is a
familiar and generic
notion The approach has
been in use since the
sixteenth century
Examples of such notable
precedents of prefab
construction include the
Eiffel Tower in 1889,
which was assembled in
two years, two months,
and five days Prefab
construction has over 300

years of history
