Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting from it.

The will of God for all of His children is that they be rich in every area of their lives that includes being rich in their finances. The scriptures declares that the blessing of the Lord maketh rich and he added no sorrow with it. Jesus became poor that we might become rich. Some people would have you believe that if you just say the word, 'rich' especially when referring to God's people that you are committing some type of sin. But, God doesn't think so at all. Above all things God wants His children to prosper. In these last days before the coming of the Lord Jesus Christ God fully intends on restoring the church back to the place of power, authority, and dominion that He designed from the beginning. God is getting ready to make His people rich. Prepare for the time of overflow. The anointing to prosper is about to change your life and you will never be broke another day in your life.

Giving Yourself Permission Is the First Step in Achieving Great Wealth in Your Life. Applewood Books

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

The purpose of this book is to help the reader focus on Divine ideas every day. Since what we dwell upon comes upon us, it is important to make a habit of thinking positive, healthy, Divine, inspirational, loving thoughts all day, no matter what other people are doing around us or to us. One of the greatest difficulties in transforming oneself to a more Divine attitude and perspective is found in working through the negative emotions and beliefs we have long internalized. These beliefs and emotions become lodged in the subconscious mind, and drive the system automatically until they are changed. This takes considerable effort and persistence, since the deeply embedded negative emotions tend to link to many different thoughts, attitudes and other feelings. A virtual labyrinth of interconnected thoughts, emotions and behaviors have to be transformed. This book was created to help the reader achieve that goal. The intent is for the reader to dwell upon each affirmation of the day with strong feeling, trying to love the very idea being expressed, and projecting it outward to the world. Each affirmation should be repeated many times throughout the day, and memorized for future use. As you practice these, your own affirmations will occur to you. Use them all with devotion, because what you worship, is what you become.
