Random House Books for Young Readers  
It's time to sleep with this hilarious and

adorable bedtime story featuring Little Critter! Perfect for parents to read aloud with their toddlers. Little Critter is not looking forward to bedtime. Whether it's time for him to stop playing and take a bath, or making a fuss about getting into his jammies, both parents and children

alike will relate to this beloved story. A great way to introduce children to their very own bedtime routine!

The Mixed-Up Chameleon Sticker Book

Harper Collins

Celebrate Earth Day with Dr. Seuss and the Lorax in this classic picture book about protecting the environment! I am the Lorax. I speak for the trees. Dr. Seuss's beloved story teaches kids to speak up and stand up for those who can't. With a recycling-friendly "Go Green" message, The Lorax allows young readers to experience the beauty of the Truffula Trees and the danger of taking our earth for granted, all in a story that is timely, playful and hopeful. The book's final pages teach us that just one small seed, or one small child, can make a difference. Printed on recycled

paper, this book is the perfect gift for Earth Day and for any child—or child at heart—who is interested in recycling, advocacy and the environment, or just loves nature and playing outside. Unless someone like you cares a whole awful lot, nothing is going to get better. It's not. "Pretty much all the stuff you need to know is in Dr. Seuss." -President Barack Obama

Discover new, practical methods for teaching literacy skills in your early childhood classroom. Has teaching early literacy skills become a stumbling block to getting your preschool students kindergarten ready? Break out of the tired "letter of the week" routine and learn how to transform your lessons with

fun and effective techniques. Teach Smarter: Literacy Strategies for Early Childhood Teachers will equip teachers to infuse every aspect of their teaching with exciting hands-on literacy teaching methods that engage students and help them build authentic connections with books, so that 100% of their students will have a strong literacy foundation and will be fully prepared for success in kindergarten and beyond. Respected author Vanessa Levin, veteran early childhood educator and author of the “Pre-K Pages” blog, breaks down the research and translates it into realistic, actionable steps you can take to improve your teaching. Features specific examples of teaching techniques and activities that engage students in hands-on, experiential learning during circle

time, centers, and small groups. Offers a simple, four-step system for teaching literacy skills, based on the foundational principles of early literacy teaching. Demonstrates how to build your confidence in your ability to get 100% of your students ready for kindergarten, long before the end of the school year. Understand the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource.

Stick and Stone Simon and Schuster  
Yellow hates Red, so does Green, and no one likes Orange! Can these crayons quit arguing and learn to cooperate? Shane DeRolf's deceptively simple poem celebrates the creation of harmony through diversity. In combination with Michael Letzig's vibrant illustrations,

young readers will understand that when we all work together, the results are much more colorful and interesting.

This parenting life raft is also the perfect way to make sure caregivers are spending quality-time with your little ones.

The Shape of Me and Other Stuff

Candlewick Press

Vashti believes that she cannot draw,

but her art teacher's encouragement leads her to change her mind and she goes on to encourage another student who feels the same as she had.

### **Enhancing the Quality of Learning**

Penguin

Even in silhouette, the fun and fanciful art of Dr. Seuss is instantly recognizable in this Bright and Early Book classic: "a bug, a balloon, a bed, a bike. No shapes are ever quite alike." Looking at ordinary shapes is great when seen through the eyes of the remarkable Dr. Seuss, but of course it's the extraordinary shapes that really make an impression. Would you want to be shaped like a BLOGG? Combining brief and funny stories, easy words, catchy rhythm, and lively illustrations, Bright and Early Books are an ideal way to introduce the joys of

reading to children.

### House Books for Young Readers

A charming, wordless picture book that the very youngest can “read” all by themselves. The little wooden couple are happy in their building-block house—until it catches fire. The solution? They transform the house into a fire engine! But then there’s so much water that they have to build a boat... Follow these inventive dolls as they use their imagination to adapt to each situation they encounter.

**The Very Hungry Caterpillar** Center for Responsive Schools, Inc.

High quality learning is extensive, well integrated, deep, and supports the use of knowledge in new situations that require adaptation of what has been learned previously. This book reviews current research on the nature of high

quality learning and the factors that facilitate or inhibit it. The book addresses relationships between quality of learning and learners' dispositions, teaching methods, cognitive strategies, assessment, and technologies that can support learning. The chapters provide theoretical analyses, reports of classroom research, and suggestions for practical application for both teachers and learners. The book will be of value to teachers at all levels of education and provides guidance for students about how to approach classroom tasks in order to develop high quality learning.
