Judy Chicago's monumental art installation *The Dinner Party* was an immediate sensation when it debuted in 1979, and today it is considered the most popular work of art to emerge from the second-wave feminist movement. Jane F. Gerhard examines the piece's popularity to understand how ideas about feminism migrated from activist and intellectual circles into the American mainstream in the last three decades of the twentieth century. More than most social movements, feminism was transmitted and understood through culture--art installations, *Ms. Magazine*, *All in the Family*, and thousands of other cultural artifacts. But the phenomenon of cultural feminism came under extraordinary criticism in the late 1970s and 1980s Gerhard analyzes these divisions over whether cultural feminism was sufficiently activist in light of the shifting line separating liberalism from radicalism in post-1970s America. She concludes with a chapter on the 1990s, when *The Dinner Party* emerged as a target in political struggles over public funding for the arts, even as academic feminists denounced the piece for its alleged essentialism. The path that *The Dinner Party* traveled--from inception (1973) to completion (1979) to tour (1979-1989) to the permanent collection of the Brooklyn Museum (2007)--sheds light on the history of American feminism since 1970 and on the ways popular feminism in particular can illuminate important trends and transformations in the broader culture.

Discover how digital content creation supports 21st-century learning, providing new insights into organizing, synthesizing, and evaluating information. This practical guide will make it easy for you to engage your students through this powerful communications medium. Digital content creation supports the Common Core State Standards (CCSS) and 21st-century learning skills by helping students use their knowledge to analyze, create, solve problems, communicate, collaborate, and innovate. This update of the popular *Multimedia Projects in Education*, Fourth Edition emphasizes

digital content creation and the use of the CCSS as benchmarks to help you create cutting-edge classroom instruction. The book begins by presenting research on student learning through multimedia and digital content creation. This introduction is followed by outlines of each stage of the practical, easy-to-use Decide, Design, Develop, and Evaluate (DDD-E) model, which is designed specifically for classroom use. Content also includes discussion of multiple intelligences, constructivist learning, and cooperative grouping; blackline masters to guide you and your students through the DDD-E process; and assessment and management strategies. In addition, you'll find sample activities using an array of development tools, information on mobile and web apps, and numerous other resources to support digital projects in your classroom. The book, which is most applicable to students in grades 4 through 12, will also serve as an ideal resource for media specialists who work with teachers and students.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office

because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*In Dying Made Easy(er)* by Myra Bennett, we are guided through the diverse phases and considerations of the end of life by an experienced traveler who's spent many hours “as a guest in the sacred place of the dying.” Bennett, a hospice nurse and end-of-life guide who has also grappled with death in her personal life, invites us to contemplate dying from many different angles: legal, social, physical, psychological, and spiritual. Her *Dying Made Easy(er)* is both a handbook of pertinent information and a medley of informed suggestions for us to consider when experiencing or sharing the phenomenon that is the end of life. Bennett believes it is imperative that we—as a community—are aware of how to find help when faced with death and dying. In *Dying Made Easy(er)*, she provides the resource to address this pressing need.
