<i>The History of the Decline and Fall of the Roman Empire. By Edward Gibbon, Esq; Volume the First [-sixth]</i> Wm. B. Eerdmans Publishing	
D?at de S?rac (1872-1921) is best known for his piano music but his compositions included orchestral and vocal works, including opera, cantata and incidental music. Claude Debussy described S?rac's music as "exquisite and rich with ideas." The early works were influenced by Impressionist harmonies, church modes, cyclic techniques, folk-like melodies and Andalusian motives. S?rac's style changed dramatically in 1907 when he left Paris and began to include Catalan elements in his compositions - a transition that has hitherto gone unrecognized. Robert Waters provides a much-needed study of the life and works of S?rac, focusing on the composer's regionalist philosophy. S?rac's engagement with folk music was not a patriotic gesture in the vein of nationalistic composers, but a way of expressing regional identity within France to counter the restrictive styles sanctioned by the Paris Conservatory. His musical philosophy mirrored larger social and political debates regarding anti-centralist positions on education, politics, art and culture in fin de si?e France. Such debates involved political and social leaders whom S?rac knew and personally admired, including the writer Maurice Barr?and the poet Fr?ric Mistral. The book will appeal to those specializing in French music, European ethnic musics, piano music and French music history.	
Actes Passés À la Session de la Législature de L'état de la Louisiane BRILL	
This book discusses the constraints on biological control ranging from the difficulty of convincing growers that they should infest their crops artificially to the effect of cultural techniques.	
Le Guide Musical Brill Archive	
This French-language book is the first to propose a scientific approach to the Aga Khan's religious thought, placing it in its proper perspective by	

revealing how the Aga Khan responded to contemporary challenges. It will be of interest to both students and scholars of history, orientalism and Islamic thought and cultures, and to anyone interested in South Asia or in the fundamental issues of religion and modernity.

The Royal Dictionary Abridged ... The Fourth Edition, Carefully Corrected, Etc CRC Press

The English translation of the three-volume Exegetisches Wrterbuch zum Neuen Testament, this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek. Going beyond that, however EDNT also serves as a guide to the usage of every New Testament word in its various contexts, and it makes a significant contribution to New Testament exegesis and theology. EDNT's thorough, lengthy discussions of more significant words and its grouping of words related by root and meaning (with alphabetical cross-references) distinguish it from simpler Greek-English lexicons. Advancing the discussion of the Theological Dictionary of the Old Testament, EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics.

The Royal Dictionary. In Two Parts. First, French and English. Secondly, English and French.
