HERMAN PIERRE

Martha and Mary. A tract on "Good Works." Deseret Book
Please note: This is a companion version & not the original book.
Sample Book Insights: #1 She did it all. And then some. Martha's duties were so heavy that she was often called the most competent female in the neighborhood. Martha's single minded devotion to her family's success was such that she had little time for socializing and no desire to do so. Martha was a stay-at-home mom, but she didn't wish to just sit around. She was busy building the foundation of her family's wealth—all while raising seven children and running the household. Not long ago, I read a book about a woman named Harriet Beecher Stowe. She was the author of Uncle Tom's Cabin, which told the story of a group of slaves who escaped to freedom in the North and became an important tool in the fight against slavery. As a young girl, Harriet wanted to be a teacher, but her family could not afford it. Instead, she became a teacher's assistant, and later opened an academy of her own. Because her husband had died young, she needed to support her growing family as well as pay for her own education. By age 21, she had published two books and had become a sought-after speaker. #2 You're a Mary, and you're in a Martha world. #3 We've all felt the struggle between Mary and Martha. We want to worship like Mary, but the Martha inside keeps bossing us around. #4 You are a Mary, and you're in a Martha world. You want to be like Mary, but the Martha inside keeps bossing you around.

"Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work." (John 4:35 KJV) Enter God's Rest was written to remind us that the ultimate form of trust is resting when we feel as if we should be working. Time and time again, throughout the Bible, Jesus is being ministered to while others continued to work. For instance, when Martha went off to prepare food, Jesus was being fed by Mary sitting at his feet hearing and believing the Word of the Lord. When the disciples went off to buy food, Jesus was being fed by the woman at the well hearing and believing the Word of the Lord. On the Mount of Transfiguration, God didn't say this is my beloved son, feed him. He said this is my beloved Son, hear him. There is a well-intended, but poverty inducing mindset that hinders Christians

from receiving the abundance of God that is ours through faith in the name of Jesus; that is ours as joint heirs with Christ; and that has been set aside for us. Because of this mindset we try to create through our works what we should be receiving through our faith in the name of Jesus, who was not sent to be ministered unto but to minister unto us. Often our answers are in resting, not in working. We must learn to discern the time. Enter God's Rest will help you do just that. "Even as the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many." (Matthew 20:28 KJV)

"Easy to read, personal, and well-written with a message much more than surface deep. Joanna probed, challenged, and encouraged me to live day by day as Mary in a Martha world."—Carole Mayhall, author of Come Walk with Me and Here I Am Again, Lord The life of a woman today isn't all that different from the lives of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet . . . but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him . . . yet you struggle with weariness, resentment, and feelings of inadequacy. Then comes Jesus, into the midst of your busy life, to extend the same invitation he issued long ago to the two sisters from Bethany. Tenderly, he invites you to choose "the better part"—a joyful life of intimacy with him that flows naturally into loving service. With her fresh approach to the familiar Bible story, Joanna Weaver shows how all of us, Marys and Marthas alike, can draw closer to our Lord: deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study for individual or group use. A Study Guide and a corresponding ten-session video series on DVD or online are available separately.

Martha and Her Sister Mary David C Cook

When He came to earth, Jesus Christ was rejected in every quarter in which He stepped. The Creator was rejected by His own creation. "He came to His own and His own received Him not," said John. For this reason, Jesus Christ had "no where to lay His head." There was one exception, however. A little village just outside of Jerusalem named Bethany. Bethany was the only place on earth where Jesus was completely received. God's Favorite Place on Earth is a retelling of Jesus' many visits to Bethany and a

relaying of the message it holds for us today. Frank Viola presents a beautifully crafted narrative from the viewpoint of Lazarus, one of the people who lived in Bethany with his two sisters. This incomparable story not only brings the Gospel narratives to life, but it addresses the struggle against doubt, discouragement, fear, guilt, rejection, and spiritual apathy that challenges countless Christians today. In profoundly moving prose, God's Favorite Place on Earth will captivate your heart with its beauty, charm, and depth. In this book you will discover how to live as a "Bethany" in our world today, being set free to love and follow Jesus like never before.

Summary of Joanna Weaver's Having a Mary Heart in a Martha World New Hope Publishers (AL)

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

Lazarus's sisters. One was stunning. The other stable. One was scandalous. The other bitter. One dangerous. The other nonsense. But there were things they shared: a family cursed with dark secrets and betrayal. The desperate longing to be loved. The fear of change. The fear that things would remain the same. Both shared a desperate need for a Savior. In this brilliant retelling of an old story, you'll find yourself in the middle of a household plagued with problems yet privileged to know Jesus of Nazareth. Author Patty Froese Ntihakemuka weaves together the story of a sister who is a reformed prostitute, a sister hardened by ordinariness, a brother touched by death, a Pharisee uncle committed to maintaining appearances, and a Redeemer who changes everything.

This volume of three Studies concentrates on the changes in religious thought and institutions in the eleventh and twelfth centuries, and includes not only monks and nuns but also less organised types of life such as hermits, recluses, crusaders and penitents. It is complementary to Professor Constable's forthcoming book *The Reformation of the Twelfth Century*, but is dissimilar from it in examining three themes over a long period, from late antiquity to the seventeenth century, in order to show how they changed over time. The interpretation of Mary and Martha deals primarily (but not exclusively) with the balance of action and contemplation in Christian life; the ideal of the imitation of Christ studies the growing emphasis on the human Christ, especially His body and wounds; and the orders of society looks at the conceptual divisions of society and the emergence of the modern idea of a middle class.
