Upon her arrival, however, Emily learns that Griswold has been attacked and is now in a coma, and no one knows anything about the epic new game he had been poised to launch. Then Emily and her new friend James discover an odd book, which they come to believe is from Griswold himself, and might contain the only copy of his mysterious new game. Racing against time, Emily and James rush from clue to clue, desperate to figure out the secret at the heart of Griswold's new game—before those who attacked Griswold come after them too. On a rainy day or in the back seat of the car, what could be more fun to a young horse lover than an activity book packed with 80 horse-show stickers? Children will love to groom and tack up their sticker-steeds, preparing them for exciting English, Western, and Olympic events. Reusable vinyl stickers include horses of different breeds and colors; various riders, instructors, and judges; poles and jumps; and all the paraphernalia of horse shows - tack, hats, boots, costumes, barrels, dressage letters, trail obstacles, flags, and, of course, ribbons and trophies. Children arrange the stickers on background scenes that include an indoor arena, a fenced paddock, a "backstage" trailer area, and a colorful country fair with a show ring. To help children create interesting play scenes, informative text explains how horse shows work - what to wear, how to perform for the judges, the differences between Western and English events, how prizes are awarded, and much more. A short glossary

reminds children of key phrases they will love to learn and teach to anyone who will listen. È
