### **Prom Girl**

Sourcebooks, Inc. Chloe Thomas is going to the prom. Of course, she

doesn't have a date, she needs a dress, and she's the last person anyone expects to see there. But her two oldest friends asked her to go, and she said yes.

Right away things start to fall apart. Laura and Jace are too busy with their own preparations to help Chloe, her "Area" friends think she's insane, and her

parents are so excited that she can't even be in the same room with them.

Why on earth did she agree to do this? With drama, humor, and a touch of prom magic, Blake Nelson delivers a story as memorable as prom itself.

The Jennifer Marsh Mysteries, Books 4 - 6, in one volume!  
DYING TO

REMEMBER, DYING TO BE MURDERED, and DYING TO GET HER MAN continue Jennifer Marsh's adventures as an amateur detective and mystery writer striving fervently to get published. In DYING TO REMEMBER, Jennifer is dragged to her high school reunion by her good friend Leigh Ann. But high school holds nothing but bad memories for Jennifer. Twelve years ago on prom night, classmate Jimmy Mitchell vanished, and her high school beau, Danny Buckner, humiliated her by disappearing in the middle of their date. Now he's begging for her help, only he won't live long enough to tell her why he needs it. Old mysteries surface and new dangers arise as Jennifer tries to solve two murders, one from the past and one from the present. In DYING TO BE MURDERED, Jennifer has been hired to record the last days of rich society matron Mary Ashton's life. Mary's convinced someone is going to murder her, and that there's nothing she can do to stop it. She makes Jennifer promise that she won't let her murderer get away with it. Jennifer doesn't believe her until Mary winds up dead. Family secrets and grudges, mysterious deaths, and ghostly lights that move

about the Ashton Mansion lead to a mystery fraught with danger and intrigue. In DYING TO GET HER MAN, Suzanne Gray dresses herself in white, ties a blue ribbon in her hair, gathers a bouquet of white roses, types a suicide note, lies down on her lover's grave on the coldest day in Macon, Georgia's recent history, and freezes to death. Or does she? Is it suicide? Is it murder?

Jennifer is determined to find out even as Sam seems determined to ask Jennifer to marry him—at least until his old college flame shows up. Jennifer's writers' group is back in each volume to offer their questionable help as they continue their journey toward getting published. Jennifer's reporter boyfriend Sam is there, as well, to lend his assistance. And Jennifer's faithful greyhound, Muffy, offers plenty of love

and support. **Broadcasting Yearbook** Disney Press An ideal notebook for prom-goers in a convenient size of 5 x 8 inches (12.7 x 20.32 cm) dimensions. Portable paperback, suitable for briefcases, backpacks and sports bags. My Prom Notebook has 100 blank lined white pages, perfect bound with a glossy cover. A great gift for every occasion. Twelve years ago Jimmy Mitchell disappeared the night of Jennifer Marsh's prom, and now her good friend Leigh Ann is desperate for Jennifer to accompany her to their high school reunion. Nothing could make her go back to confront Sheena Cassidy, the backbiting, mean-spirited, boyfriend stealing, junior squad cheerleader that made her life a living hell—nothing except a note

from Sheena's now husband Danny Buckner, Jennifer's first love and prom date, who is pleading for her help with something that happened on that horrendous prom night. But when she gets to the reunion, Danny barely has a chance to speak with Jennifer before he's drawn away by one of his in-crowd. Less than an hour later Danny's dead in the parking lot, an apparent suicide. And Gavin

Lawless, budding singer/song writer and the love of Leigh Ann's life, has returned to dredge up exactly what happened to Jimmy Mitchell that dreadful night twelve years ago that left Gavin with repressed memories and war hero Ben Underwood under a cloud of suspicion in Jimmy's disappearance. Old grudges and new insights lead Jennifer straight into danger as she's left Dying to Remember...

Jennifer's writers' group is back, ready as always, to go undercover and ferret out information and help with outrageous ideas. Jennifer's boyfriend, investigative reporter Sam is back, too, as is her ever faithful greyhound Muffy. "Fitzwater comes through with an imaginative plot, hilarious secondary characters (the critique group, mostly aspiring romance writers, is a

hoot) and good red herrings to throw readers off the track." Publishers Weekly "Dying to Remember is a fast paced read and one I felt compelled to finish in one sitting....I was kept guessing right up until the end." The Mystery Reader "Jennifer is trapped in the thick of it, knowing too much to suit a killer...and dying to remember enough to save her own life." The Mystery Review My Prom Is

 Franchising is like high school. There is a system to follow, administrators to keep things on track, and homework! I bet the guy who signed you up for your franchise license didn't tell you that

you would be partners under the same brand with all the characters you thought you left behind in high school. You remember the characters.
