"In this moving tragicomedy," an academic hoping to secure his reputation gains "self-knowledge . . . achieved at great cost" in this literary novel.

(Publishers Weekly) Alfred Issendorf is a Dutch geology student obsessed with the thought of dying without a major scientific discovery to his name. Setting off on a geological expedition which brings

him to Norway, Issendorf is out to prove that craters in the landscape are actually holes caused by the impact of meteorites. But his trip quickly turns sour: the unearthly atmosphere of the midnight sun makes him paranoid; nights are too hot; clouds of mosquitoes steal his sleep; he is exhausted. Suspicion takes over and he sees secret plots against his scientific work by everyone and everything. Haunted by down-and-out scientists, the ghost of his dead father, and apparitions of ancient animals, Issendorf's character is both naïve and cynical, ambitious and distrustful, grandiose and talentless and his story is one of adventure and discovery, psychology and pride. Beyond Sleep is a classic

of post-war European literature: the saga of a man at the limits of the civilized world. "An exceptionally well-crafted novel. . . . [the characters are] wryly funny, and in that lies the novel's brilliance. —Booklist "An unusual and intriguing book, and a welcome introduction to the work of a neglected 20th-century master. —Kirkus Reviews "A novel of worldly disengagement trembling on the edge of tragedy, all the more comic for being related in Hermans' best poker-faced manner" —J.M. Coetzee, Nobel Prize Laureate Holes Simon and Schuster WINNER OF THE INDEPENDENT FOREIGN FICTION PRIZE AND SHORTLISTED FOR THE IMPAC DUBLIN PRIZE 'A wonderful novel. Wise and generous to a fault of all

our human failings and frailties' Lloyd Jones, author of *Mister Pip* A Dutch woman rents a remote farm in rural Wales. She says her name is Emilie. INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland

is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What

begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge. *Euclides* Macmillan After recounting her experience as a Jewish girl living in Amsterdam during the Holocaust, Esther, helped by her grandson, embarks on a search to discover what happened to her parents before they died in a concentration camp.

More is expected of middle schoolers—more reading, more writing, more independent learning. Achieving success in this more challenging world requires knowing many more words. *100 Words Every Middle Schooler Should Know* helps students in grades 6 to 8 (ages 11-14) to express themselves with distinction and get the most out of school. The 100 words are varied and interesting, ranging from verbs like *muster* and *replenish* to nouns like *havoc* and *restitution* to adjectives like *apprehensive* and *imperious*. Knowing these words enables students to express themselves with greater clarity and subtlety. Each word has a definition and a pronunciation and appears with at least one quotation—a moving or dramatic passage—taken from a book that middle schoolers are assigned in the classroom or enjoy reading on their own. Both classic and contemporary works of fiction and nonfiction are represented. Among the authors are young adult favorites and award-

winner such as Kate Di Camillo, Russell Freedman, Neil Gaiman, E.L. Konigsberg, Lois Lowry, Walter Dean Myers, Katherine Paterson, J. K. Rowling, and Gary Soto. Readers can see for themselves that the words are used by the very best writers in the very best books. It stands to reason that they will see them again and again in higher grades and throughout their lives. *100 Words Every Middle Schooler Should Know* helps students to gain useful knowledge and prepares them to step into a broader world.

A stunning love story about a young Black woman whose life is torn apart when her lover is wrongly accused of a crime—"a moving, painful story, so vividly human and so obviously based on reality that it strikes us as timeless" (The New York Times Book Review). "One of the best books Baldwin has ever written—perhaps the best of all." —The Philadelphia Inquirer Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and

the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.
