Sheila Levine Is Dead and Living in New York Carroll & Graf Pub

A single, thirty-year-old woman in the 1970s struggles to find her dream man and dream job in this hilarious & heartwarming classic. Three decades after its original bestselling publication, Sheila Levine is Dead and Living in New York is still completely on target as the most achingly funny book-length suicide note ever written by an agonizingly single thirty-year-old trying unsuccessfully to straddle two worlds: the one she's been

programmed for from birth—marriage first, life later—and the illusive swinging singles scene of liberated New York City. Meet Sheila Levine, she's smart and funny, and her mother tells her she's beautiful. . . . But her skirt's always a bit wrinkled, she's trying to lose fifteen—make that twenty-five—pounds, she just turned thirty . . . and she's still single. She tries to date and mate, she really does, but disappointment turns to desperation, and after a flash of insight, Sheila calmly decides to kill herself. So she starts to get her affairs in order and writes a suicide note to her loving parents to explain it all . . . Praise for Sheila Levine is Dead and Living in New York "Sometimes heartbreaking, mostly hilarious, always full of life." —Newsweek "A book about suicide shouldn't be this entertaining, but this one is hilarious, due in large part to Sheila's devil may care attitude and the frankness with which she talks about her life." —The Bookbag

Billboard Crown

A "magnificent and intimate" (Harper's) modern classic of Russian history, the spellbinding story of the love that ended an empire—from the Pulitzer Prize-winning author of Peter the Great, The Romanovs, and Catherine the Great "A moving, rich book . . . [This] revealing, densely documented account of the last Romanovs focuses not on the great events . . . but on the royal family and their evil nemesis. . . . The tale is so bizarre, no melodrama is

equal to it."—Newsweek In this commanding book, New York Times bestselling author Robert K. Massie sweeps readers back to the extraordinary world of the Russian empire to tell the story of the Romanovs' lives: Nicholas's political naïveté, Alexandra's obsession with the corrupt mystic Rasputin, and little Alexis's brave struggle with hemophilia. Against a lavish backdrop of luxury and intrigue, Massie unfolds a powerful drama of passion and history—the story of a doomed empire and the death-marked royals who watched it crumble.

Wild Swans Simon and Schuster

Just thirty, with a well-paid job, no love life and a terrible attitude, the anti-hero of this grim, funny novel smokes four packs of cigarettes a day and writes weird animal stories in his spare time. A computer programmer by day, he is tolerably content, until he's packed off with a colleague - the sexually-frustrated Raphael Tisserand - to train provincial civil servants in the use of a new computer system Houellebecq's first novel was a smash hit in France, expressing the misanthropic voice of a generation. Like A Confederacy of Dunces, Houellebecq's bitter, sarcastic and exasperated narrator vociferously expresses his frustration and disgust with the world.

Nicholas and Alexandra

The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic

sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

Denis Johnson's New York Times bestseller, *The Laughing Monsters*, is a high-suspense tale of kaleidoscoping loyalties in the post-9/11 world that shows one of our great novelists at the top of his game. Roland Nair calls himself Scandinavian but travels on a U.S. passport. After ten years' absence, he returns to Freetown, Sierra Leone, to reunite with his friend Michael Adriko. They once made a lot of money here during the country's civil war, and, curious to see whether good luck will strike twice in the same place, Nair has allowed himself to be drawn back to a region he considers hopeless. Adriko is an African who styles himself a soldier of fortune and who claims to have served, at various times, the Ghanaian army, the Kuwaiti Emiri Guard, and the American Green Berets. He's probably broke now, but he remains, at thirty-six, as stirred by his own doubtful schemes as he was a decade ago. Although Nair believes some kind of money-making plan lies at the back of it all, Adriko's stated reason for inviting his friend to Freetown is for Nair to meet Adriko's fiancée, a grad student from Colorado named Davidia. Together the three set out to visit Adriko's clan in the Uganda-Congo borderland—but each of these travelers is keeping secrets from the others. Their journey through a land abandoned by the future leads Nair, Adriko, and Davidia to meet themselves not in a new light, but rather in a new darkness.
