<b>MAXIMUS JACOBS</b>	

*Harlem on My Mind* Birlinn Ltd

From a prize-winning poet, a new collection that chronicles a weekend in the life of a group of friends coming of age in East Harlem at the dawn of the hip-hop era Willie Perdomo, a native of East Harlem, has won praise as a hip, playful, historically engaged poet whose restlessly lyrical language mixes "city life with a sense of the transcendent" (NPR.org). In his fourth collection, *The Crazy Bunch*, Perdomo returns to his beloved neighborhood to create a vivid, kaleidoscopic portrait of a "crew" coming of age in East Harlem at the beginning of the 1990s. In poems written in couplets, vignettes, sketches, riffs, and dialogue, Perdomo recreates a weekend where surviving members of the crew recall a series of tragic events: "That was the summer we all tried to fly. All but one of us succeeded."

*Black No More* Univ of North Carolina Press

From bestselling author Max Brooks, the riveting story of the highly decorated, barrier-breaking, historic black regiment—the Harlem Hellfighters In 1919, the 369th infantry regiment marched home triumphantly from World War I. They had spent more time in combat than any other American unit, never losing a foot of ground to the enemy, or a man to capture, and winning countless decorations. Though they returned as heroes, this African American unit faced tremendous discrimination, even from their own government. The Harlem Hellfighters, as the Germans called them, fought courageously on—and off—the battlefield to make Europe, and America, safe for democracy. In *THE HARLEM HELLFIGHTERS*, bestselling author Max Brooks and acclaimed illustrator Caanan White bring this history to life. From the enlistment lines in Harlem to the training camp at Spartanburg, South Carolina, to the trenches in France, they tell the heroic story of the 369th in an action-packed and powerful tale of honor and heart.

*The Harlem Hellfighters* Princeton University Press

*Detroit 67* is the story of Motor City in the year that changed everything. Twelve chapters take you on a turbulent year-long journey through the drama and chaos that ripped through the city in 1967 and tore it apart in personal, political and interracial disputes. It is the story of Motown, the break-up of The Supremes and the damaging disputes at the heart of the most successful African-American music label ever. Set against a backdrop of urban riots, escalating war in Vietnam and police corruption, the book weaves its way through a year when soul music came of age and the underground counterculture flourished. LSD arrived in the city with hallucinogenic power and local guitar band MC5 – self-styled holy barbarians of rock – went to war with mainstream America. A summer of street-level rebellion turned Detroit into one of the most notorious cities on earth, known for its unique creativity, its unpredictability and self-lacerating crime rates. The year 1967 ended in social meltdown, rancour and intense legal warfare as the complex threads that held Detroit together finally unravelled. Features the true story of DETROIT, now a major motion picture.

*Young Soul Rebels* Bloomsbury Publishing USA

Traces the rise and fall of the original Stax Records, touching upon the racial politics in Memphis in the 1960s, the personal histories of the sibling founders, and the prominent musicians they featured.

*Chicago's New Negroes* UPNE

Aggressive policing and draconian sentencing have disproportionately imprisoned millions of African Americans for drug-related offenses. Michael Javen Fortner shows that in the 1970s these punitive policies toward addicts and pushers enjoyed the support of many working-class and middle-class blacks, angry about the chaos in their own neighborhoods.

*Sugar Hill* HarperCollins

Southern comfort food and multicultural recipes from the New York Times best-selling superstar

chef Marcus Samuelsson’s iconic Harlem restaurant. When the James Beard Award-winning chef Marcus Samuelsson opened Red Rooster on Malcolm X Boulevard in Harlem, he envisioned more than a restaurant. It would be the heart of his neighborhood and a meet-and-greet for both the downtown and the uptown sets, serving Southern black and cross-cultural food. It would reflect Harlem’s history. Ever since the 1930s, Harlem has been a magnet for more than a million African Americans, a melting pot for Spanish, African, and Caribbean immigrants, and a mecca for artists. These traditions converge on Rooster’s menu, with Brown Butter Biscuits, Chicken and Waffle, Killer Collards, and Donuts with Sweet Potato Cream. They’re joined by global-influenced dishes such as Jerk Bacon and Baked Beans, Latino Pork and Plantains, and Chinese Steamed Bass and Fiery Noodles. Samuelsson’s Swedish-Ethiopian background shows in Ethiopian Spice-Crusted Lamb, Slow-Baked Blueberry Bread with Spiced Maple Syrup, and the Green Viking, sprightly Apple Sorbet with Caramel Sauce. Interspersed with lyrical essays that convey the flavor of the place and stunning archival and contemporary photos, *The Red Rooster Cookbook* is as layered as its inheritance.

*These Ghosts Are Family* Simon and Schuster

"A richly informative alphabet picture book celebrating Harlem's vibrant traditions, past and present"--

*Bad Boy* Courier Corporation

Miami, 1963. A young boy from Louisville, Kentucky, is on the path to becoming the greatest sportsman of all time. Cassius Clay is training in the 5th Street Gym for his heavyweight title clash against the formidable Sonny Liston. He is beginning to embrace the ideas and attitudes of Black Power, and firebrand preacher Malcolm X will soon become his spiritual adviser. Thus Cassius Clay will become 'Cassius X' as he awaits his induction into the Nation of Islam.Cassius also befriends the legendary soul singer Sam Cooke, falls in love with soul singer Dee Dee Sharp and becomes a remarkable witness to the first days of soul music. As with his award-winning soul trilogy, Stuart Cosgrove's intensive research and sweeping storytelling shines a new light on how black music lit up the sixties against a backdrop of social and political turmoil - and how Cassius Clay made his remarkable transformation into Muhammad Ali.

*Harlem* Chicago Review Press

*The Ultimate History of Northern Soul.* Young Soul Rebels is the intimate story of Britain's most fascinating underground music scene – northern soul. Stuart Cosgrove has been a well-known collector on the scene for decades, and here he takes the reader on a rollercoaster journey to the heart of this secret society: the iconic clubs – The Twisted Wheel, The Torch, Wigan Casino and the Blackpool Mecca, the infamous bootleggers, and the DJs and crate-digging collectors who voyaged to America to unearth rare sounds. The book sweeps across fifty years of social and cultural history, taking in the rise of amphetamine culture, the brutal policing of the youth scene, the north-south divide, the rise of Thatcherism and the miners' strike, and concludes with a picture of northern soul today: as popular now as it was in its 1970s heyday.

*The Red Rooster Cookbook* Birlinn Ltd

The Harlem Renaissance was the most influential single movement in African American literary history. The movement laid the groundwork for subsequent African American literature, and had an enormous impact on later black literature world-wide. In its attention to a wide range of genres and forms – from the roman à clef and the bildungsroman, to dance and book illustrations – this book seeks to encapsulate and analyze the eclecticism of Harlem Renaissance cultural expression. It aims to re-frame conventional ideas of the New Negro movement by presenting new readings of well-studied authors, such as Zora Neale Hurston and Langston Hughes, alongside analysis of topics, authors, and artists that deserve fuller treatment. An authoritative collection on the major writers and issues of the period, *A History of the Harlem Renaissance* takes stock of nearly a hundred years of scholarship and considers what the future augurs for the study of 'the New Negro'.

*On the Shoulders of Giants* DigiCat

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

*The Negro Motorist Green Book* Del Rey

An African American Breakfast at Tiffany’s—a hip, refreshingly candid tale of identity and self—discovery from the critically acclaimed author of *The View from Here* and *Walking Through Mirrors*. Mason Randolph, a black preppe of impeccable Southern pedigree, is bound for Stanford Law School after graduating from college. Before embarking on the path to his golden future, however, he takes a detour through Harlem, where he intends to live "authentically" with "real black people." Mason takes the name "Malik" and moves into the orbit of the ever—fabulous Carmen, uptown diva and doyenne of Harlem. Carmen, always ready to have a handsome young man at her fabulous soirees and to add to her devoted entourage, happily takes him under her wing. Fueled by his parents' money and dodging the people who remember him as Mason Randolph, "Malik" masquerades as a "ghettonian," exploring the wonders and pleasures of a Harlem in the midst of a second Renaissance. But his odyssey takes a different turn when he meets Kyra, whose world mirrors the one he has abandoned. As he contemplates the choices Kyra has made, and begins to reexamine his own presumptions about identity and authenticity, Mason realizes that everyone has something to hide and that to get what we want, we have to be willing to let go of our secrets. People compared Brian Keith Jackson's remarkable first novel, *The View from Here*, to the works of Alice Walker and Toni Morrison, and Publishers Weekly called it "an extraordinary debut...[by] a formidable craftsman and exceptionally gifted storyteller." A novel rich in humor and insight, *The Queen of Harlem* will earn Jackson a much—deserved place in the center of today’s literary landscape.

*The Crazy Bunch* Colchis Books

*Not By My Wings Alone* From Harlem to Howard University a journey of courage, resilience and hope During her childhood, Carolyn had been exposed to a dead man lying in the street, stumbled over her mother's body passed out from drinking, was shipped off to several foster homes, and survived molestation. She was forced to eat alone in a basement, given so little food that she had to steal from her classmate's lunchbox, was coerced into washing and ironing clothes for hours, and pulled weeds in the sweltering summer sun without water to drink. But even during this dark time of uncertainty, Carolyn never gave up hope. When she was moved to her third foster home, an eighth-grade teacher challenged her to strive to make the honor roll. She was inspired and determined not to let him-or herself-down. By the end of that year, for the first time, Carolyn passed every class. With hard work, determination, and key people coming into her life at pivotal moments, it was the start of a new beginning. A new life. *Not by My Wings Alone* is a memoir about never giving up or letting the dark circumstances of your past define your future. An inspiring story of courage, perseverance, resilience, and hope by author and educator Carolyn P. Henry. Get *Not by My Wings Alone* today!

*Get It Girls* Cambridge University Press

PEN/Hemingway Award For Debut Novel Finalist Shortlisted for the 2020 Center for Fiction First Novel Prize A “rich, ambitious debut novel” (*The New York Times Book Review*) that reveals the ways in which a Jamaican family forms and fractures over generations, in the tradition of *Homegoing* by Yaa Gyasi. Stanford Solomon’s shocking, thirty-year-old secret is about to change

the lives of everyone around him. Stanford has done something no one could ever imagine. He is a man who faked his own death and stole the identity of his best friend. Stanford Solomon is actually Abel Paisley. And now, nearing the end of his life, Stanford is about to meet his firstborn daughter, Irene Paisley, a home health aide who has unwittingly shown up for her first day of work to tend to the father she thought was dead. These Ghosts Are Family revolves around the consequences of Abel's decision and tells the story of the Paisley family from colonial Jamaica to present-day Harlem. There is Vera, whose widowhood forced her into the role of a single mother. There are two daughters and a granddaughter who have never known they are related. And there are others, like the houseboy who loved Vera, whose lives might have taken different courses if not for Abel Paisley's actions. This "rich and layered story" (Kirkus Reviews) explores the ways each character wrestles with their ghosts and struggles to forge independent identities outside of the family and their trauma. The result is a "beguiling...vividly drawn, and compelling" (BookPage, starred review) portrait of a family and individuals caught in the sweep of history, slavery, migration, and the more personal dramas of infidelity, lost love, and regret.

[Black Silent Majority](#) Penguin

Although Muhammad Ali's decision to assume a new name has often been portrayed as a sudden transformation, Cassius Clay's conversion to Islam was a process, not an event. For many months he received guidance from Malcolm X, who had traveled from Harlem to Miami to be his mentor as he studied for his entry into the deeply divided and fratricidal Nation of Islam. The name he assumed over those now-forgotten months was Cassius X. This is the story of Cassius X over twelve months in Miami, a city that was changing faster than America itself, as he trains for the fight that will bring him global fame: his world heavyweight title fight against Sonny Liston in February 1964. Change was happening on every conceivable front, not least in music where two significant coincidences brought Cassius X into contact with the two major forces in sixties music: Beatlemania and the newly emergent soul music. The Beatles famously turned up at Clay's training camp at the 5th Street Gym and Sam Cooke negotiated a recording deal for the flamboyant Cassius X. However, his music career, which included a cover version of Ben E. King's "Stand By Me" and a brief love affair with the dance-craze queen Dee Dee Sharp, never came close to echoing his career as a championship fighter. Politically, the Warren Commission, the FBI's "Informant 88," and the philosophical differences between Martin Luther King Jr. and the emergent black power movements were all at work. Cassius X's experiences came to pre-empt and predict the major cultural and ideological shifts that would unfold in the decade ahead.

"The right story at the right time. . . . It's not just a narrative; it's an experience. It's the novel we've been waiting for." —The New York Times A boy tries to steer a safe path through the projects in Harlem in the wake of his brother's death in this outstanding debut novel that

celebrates community and creativity. \*\* WINNER OF THE CORETTA SCOTT KING-JOHN STEPTOE AWARD FOR NEW TALENT! \*\* MICHAEL B. JORDAN TO DIRECT MOVIE ADAPTATION! SIX STARRED REVIEWS! It's Christmas Eve in Harlem, but twelve-year-old Lolly Rachpaul and his mom aren't celebrating. They're still reeling from his older brother's death in a gang-related shooting just a few months earlier. Then Lolly's mother's girlfriend brings him a gift that will change everything: two enormous bags filled with Legos. Lolly's always loved Legos, and he prides himself on following the kit instructions exactly. Now, faced with a pile of building blocks and no instructions, Lolly must find his own way forward. His path isn't clear—and the pressure to join a "crew," as his brother did, is always there. When Lolly and his friend are beaten up and robbed, joining a crew almost seems like the safe choice. But building a fantastical Lego city at the community center provides Lolly with an escape—and an unexpected bridge back to the world. David Barclay Moore paints a powerful portrait of a boy teetering on the edge—of adolescence, of grief, of violence—and shows how Lolly's inventive spirit helps him build a life with firm foundations and open doors. New York Times bestselling author Walter Dean Myers tackles the social contract from a teen's perspective in his novel All the Right Stuff. In one of his most thought-provoking novels to date, Myers weaves together political philosophy, basketball, and making soup in Harlem, with the depth that defines his writing career. After his father is shot and killed, Paul Dupree finds a summer job at a Harlem soup kitchen. Elijah, the soup man, questions Paul about tough life choices, even though Paul would rather be playing basketball. Over the summer, Paul begins to understand the importance of taking control of your life. All the Right Stuff includes a Q&A between Walter Dean Myers and Ross Workman, coauthor of Kick.

[Detroit 67](#) Little Brown

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern

American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

[Amiable with Big Teeth](#) Northwestern University Press

A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

[The Queen of Harlem](#) Random House

"Wall's writing is lively and exuberant. She passes her enthusiasm for these writers' works on to the reader. She captures the mood of the times and follows through with the writers' evolution -- sometimes to success, other times to isolation.... Women of the Harlem Renaissance is a rare blend of thorough academic research with writing that anyone can appreciate." -- Jason Zappe, Copley News Service "By connecting the women to one another, to the cultural movement in which they worked, and to other early 20th-century women writers, Wall deftly defines their place in American literature. Her biographical and literary analysis surpasses others by following up on diverse careers that often ended far past the end of the movement. Highly recommended... "Å -- Library Journal "Wall offers a wealth of information and insight on their work, lives and interaction with other writers... strong critiques... " -- Publishers Weekly The lives and works of women artists in the Harlem Renaissance -- Jessie Redmon Fauset, Nella Larsen, Zora Neale Hurston, Bessie Smith, and others. Their achievements reflect the struggle of a generation of literary women to depict the lives of Black people, especially Black women, honestly and artfully.
