"Awaken Your Third Eye is a practical guide to help you explore

the depths of your intuitive wisdom."—Judith Orloff, MD, author of The Empath's Survival Guide "This book is a treasure trove of information, bridging science, philosophy and actual practice. I can't imagine a more well-rounded and thorough resource on the subject of opening the sixth chakra and discovering the gateway to transcendent awakening. A jam-packed gem full of spiritual insight." —Anodea Judith, PhD, author of Wheels of Life and Eastern Body-Western Mind Usually, you perceive the world by using your five senses: sight, taste, smell, touch, and hearing. But there is a sixth sense, an inner eye that can open the gateway to subtler realms of existence. Developing this inner eye will enable you to view a previously invisible world of multiple dimensions, spiritual planes filled with light, and alternate realities of indescribable wonders. This eye of wisdom, knowledge, illumination, and intuition is aptly named the third eye. Using the methods in Awaken Your Third Eye, you will learn how to develop supersensory perception, and how to use your third eye in your everyday life to receive guidance, healing, wisdom, inspiration, creativity, and spiritual awakening.

Do you want to train your sixth sense and learn how to use it to your advantage? Do you seek rounded knowledge on third-eye awakening? Do you want to know the art of self-healing by channeling your inner energy? Then this book is just what you need! The third eye is the sixth chakra, located on the forehead, between the eyebrows; it is the center of intuition and foresight. The principle of openness and imagination energizes it, and it is an instrument for perceiving the more subtle qualities of reality. It goes beyond the more physical senses into the realm of subtle energies. Awakening your third eye allows you to open up to an intuitive sensibility and inner perception. This book teaches you how. Most of us have energetic blocks and imbalances as well as energy-sabotaging habits that prevent us from accessing our full vitality and strength, leading us to feel exhausted, scattered, dull, and even ill. Although your mind has unlimited power, your body has limited capacity. You must learn how to shut out negativity and channel your body energy toward your most productive activities. Your health is your real wealth; therefore, it is also essential that you master the art of maintaining your vitality, because a life without health is like a river without water. The good news is that you can use the Reiki healing to self-heal without external influences. Within this book, you will learn a variety of tools and valuable information, such as: An overview of what the third eye chakra is, and the importance of awakening it. A step-by-step guide to four gradual awakening and protection

techniques, including affirmations, tips, and precautions to consider. Problems that can be treated with reiki sessions, and the manifestations of healing of each problem. Recommended practices and tips on to using the power of Reiki in yourself and acquiring the ability to heal. Five tested techniques and physical exercises to cultivate your inner power. Four breathing techniques and mantras to connect with the internal energy. The relationship between Kundalini and sex - practices that can help awaken the inner energy. And much more... This self-help three-in-one bundle is an expository collection on how to get started in third-eye awakening, Reiki healing, and Kundalini awakening. It teaches you how to eliminate stress, master mindfulness, and how to use the power of guided meditation and hypnosis to attain a higher level of spirituality. 2014 Reprint of 1937 Edition. Full facsimile of the original edition. Not reproduced with Optical Recognition Software. Vera Dorothea Stanley Alder was a portrait painter and mystic. She wrote several books and pamphlets on self-help and spirituality. She founded the World Guardian Fellowship. Early in life the author began to investigate the Ancient Wisdom, and this revolutionized her life. She made it her task to simplify and summarize this knowledge in order to present it to others. She offers a guide to attainment through the path outlined by Ancient Wisdom which she summarizes in relation to man, comparing it with the discoveries of modern science. She surveys the philosophies of breathing, color, sounds, numbers, diet and exercise. Finally she discusses the functions of the Third Eye, Astrology, Meditation, and their ultimate aims. Her findings are described in this book.
