The Ghosts of  
Cannae St.

Martin's Griffin understanding  
Although the of the subject  
word and his  
'psychology' attempt to  
does not come make the  
up in this connection  
book, this between  
early work by meditation  
Osho shows and a modern  
his deep understanding

of psychology that includes the importance that our minds play in determining and giving direction, on many levels, to our lives. Osho has taught for many years that meditation is not a religious exercise but a scientific method to understand what the mind is, and how it works, and to learn how to create a healthy distance from what is, in many ways, a programmed and robot-like

mechanism that seems to be dominating our lives and decisions and activities more and more - and not always in a positive way. As Osho has said so often, beginning many decades ago - that humanity is afflicted by a deep and fundamental insanity, and that we initiate each new generation of children into that madness - is now becoming more and more obvious. The children who refuse to

be initiated into that madness will appear rebellious or mad to their elders, who persist with the best intentions to force them onto the same path, to participate in the same madness. "It is utterly dangerous to be sane in this world," Osho says. "A sane person has to pay a heavy price for his sanity." Osho pleads in this book for what he calls an independent mind, independent thinking - and

challenges us to question our belief that we are already great independent minds, a belief based on the lack of understanding that our thoughts mostly come from others, like a computer program full of malware downloaded into our brains. "What I mean by the thinking state is that you should have eyes, what I mean is the ability to think on your own. But I don't mean a crowd of thoughts.

We all have a crowd of thoughts within us, but we don't have thinking within us. So many thoughts go on moving within us, but the power of thinking has not been awakened." In his early days of teaching Osho ran meditation camps in which he introduced people into meditation, and his morning and evening talks created the framework of understanding for this work. This book is a fascinating

record of one of these camps - in a short period of three days Osho introduces his participants to an understanding that our minds are running on malware programs - and he introduces meditation as an antivirus to clean our minds of the conditionings and indoctrinations that are preventing us from realizing our full potential and to be happy. "In the coming three days I will talk to you

about the search for life...I must first say that life is not what we understand it to be. Until this is clear to us, and we recognize in our hearts that what we think of as life is not life at all, the search for the true life cannot begin." "When you have something authentically your own in your mind, you start moving toward the soul. Then you become worthy, then you are able to know the

soul. Until you have an independent mind, it is simply impossible for individuality to be born." The Book of Mirdad Jaico Publishing House The Book of Mirdad, the timeless allegorical story which has touched the hearts of so many readers, continues to show new generations how it is possible to expand one's consciousness , to uncover God in man by dissolving man's sense

of duality. Mikhail Naimy, in a similar style to Gibran, unravels one layer after another, showing that the words of his message have descended from some mysterious source. The book is essentially a set of question and answer between Mirdad and his disciples, especially his chief disciple, Naronda. These dialogues occurred during the time he was

admitted as a servant in the monastery of Altar Peak, built where Noah's Ark came to rest after the flood waters subsided. Mirdad's teachings cover all the important life issues such as love, the master-servant relationship, creative silence, money, the moneylender and the debtor, the cycle of time and death, repentance, old age, and so on. The culmination, and indeed

the message, is that Mirdad's own Ark is the Ark of Holy Understanding, which will bring humankind through another deluge, greater than Noah's, when Heaven will be revealed on Earth. *Creativity* Random House Trade Paperbacks Daniel Ladinsky's stunning interpretations of 365 soul-nurturing poems—one for each day of the year—by treasured

Persian lyric poet Hafiz The poems of Hafiz are masterpieces of sacred poetry that nurture the heart, soul, and mind. With learned insight and a delicate hand, Daniel Ladinsky explores the many emotions addressed in these verses. His renderings, presented here in 365 poignant poems—including a section based on the interpretations of Hafiz by Ralph Waldo Emerson—cap

ture the compelling wisdom of one of the most revered Sufi poets.

Intimate and often spiritual, these poems are beautifully sensuous, playful, wacky, and profound, and provide guidance for everyday life, as well as deep wisdom to savor through a lifetime.

*The Book of Love and Forgiveness*  
HarperOne

"This incredible book will assist you on the path to wholeness,

and help you live a life of balance and peace. Michael Mirdad helps us see life's lessons and tests as true 'initiations' that can help us open our hearts to connect on a deeper and more meaningful level with God.. As this happens we move closer to a more spiritual and enlightened life. The seven basic initiations involve different parts of ourselves from our bodies, minds,

emotions and spirit. This book is not only to be read, but experienced. The message is to take those triumphs and tragedies of life and use them as pavers to continue to build our road to peace and happiness."

The Pilgrimage, Warrior of the Light, The Valkyries, Vero nika Decides to Die, and Eleven Minutes.

**The Book of Mirdad**

Harper Collins ON WINGS OF A LION is a whirlwind of international intrigue and passion set in the last days of the Shah of Iran's reign. In September 1978, daredevil film director Kathryn Whitney, having lost everything meaningful in her life, comes to Iran to

shoot a Boeing Super Bowl commercial. Her goal-to save her damaged Hollywood career. She arrives in a country exploding with revolution, where survival demands courage. At the Bank of Teheran, arranging for film financing, Kathryn is drawn to a display case housing the Persian Glories, a priceless collection of canary diamond jewelry with a powerful

legacy, owned by Sir Anthony Evans. A woman in black, Rena Ajani, stares into the case then rushes past Kathryn who has no idea how this woman or her son Mirdad and these legendary jewels will endanger her life. In Shiraz Kathryn meets Anthony Evans, world-renowned photographer and world-class playboy. He is hired to shoot the Boeing commercial stills. Talent aside, he is the type of

man she can't stand. While working closely together, however, an attraction bonds Kathryn and Anthony. Anthony is not what he seems. He is torn between his Persian and British heritage. Anthony's own parents' unsolved murder haunts him. With the encroaching power of Iranian terrorism, Anthony risks his life saving innocent Persian families from brutal Black Glove

terrorists, a covert splinter group of SAVAK, Iran's secret police. When a frightening encounter with the Black Glove endangers Kathryn's loyal film crew, she goes from terror to fury. She makes a courageous decision that threatens her shoot, her livelihood, and her life. *Sacred Sexuality* Orient Paperbacks The Book of Mirdad, the timeless allegorical story which has touched

the hearts of so many readers, continues to show new generations how it is possible to expand one's consciousness, to uncover God in man by dissolving man's sense of duality. Mikhail Naimy, in a similar style to Gibran, unravels one layer after another, showing that the words of his message have descended from some mysterious source. The book is essentially a

set of question and answer between Mirdad and his disciples, especially his chief disciple, Naronda. These dialogues occurred during the time he was admitted as a servant in the monastery of Altar Peak, built where Noah's Ark came to rest after the flood waters subsided. Mirdad's teachings cover all the important life issues such as love, the master - servant

relationship, creative silence, money, the moneylender and the debtor, the cycle of time and death, repentance, old age, and so on. The culmination, and indeed the message, is that Mirdad's own Ark is the Ark of Holy Understanding , which will bring humankind through another deluge, greater than Noah's, when Heaven will be revealed on Earth. Mirdad's

words are the words of an enlightened Sufi master. **Kundalini** Element Books NATIONAL BESTSELLER For millennia, Carthage's triumph over Rome at Cannae in 216 B.C. has inspired reverence and awe. No general since has matched Hannibal's most unexpected, innovative, and brutal military victory. Now Robert L. O'Connell, one of the most admired names in

military history, tells the whole story of Cannae for the first time, giving us a stirring account of this apocalyptic battle, its causes and consequences . O’Connell brilliantly conveys how Rome amassed a giant army to punish Carthage’s masterful commander, how Hannibal outwitted enemies that outnumbered him, and how this disastrous pivot point in Rome’s history

ultimately led to the republic’s resurgence and the creation of its empire. Piecing together decayed shreds of ancient reportage, the author paints powerful portraits of the leading players, from Hannibal—resolutely sane and uncannily strategic—to Scipio Africanus, the self-promoting Roman military tribune. Finally, O’Connell reveals how Cannae’s

legend has inspired and haunted military leaders ever since, and the lessons it teaches for our own wars. *The Heart of a Course in Miracles* National Geographic Books For ages, most of humanity has placed “life” and “death” at two ends of the existential spectrum – favoring one, fearing the other and continuously floundering between the two. Only when someone who

has consciously traversed between both life and death offers to articulate some aspects of it, does humanity get a glimpse of what lies beyond the horizon of its normal perception. With his extraordinary insights, coming from a profound inner experience, Sadhguru reveals that life and death are, in fact, two sides of the same coin. It is only by embracing both that we can break the

shackles of our selfmade struggles and be set free. In his own words, he says: "Death is a cosmic joke. If you get the joke, when you fall on the other side, it will be wonderful. If you don't get the joke, when you are here you fear the other side, and when the other side comes, you just don't know what it is about. If death becomes a laughing matter in your life, life becomes an utterly

effortless process - there is no need to restrain yourself in the process of life; you can live your life absolutely, totally." "The distance between your life and death is just one breath, isn't it?" - Sadhguru  
**The Independent Mind** Grail Productions Incorporated  
An Introduction to Tantra and Sacred Sexuality offers insights into how to awaken and experience

your sensual self, moment-by-moment. This book is exciting and enticing, as well as, powerful and healing. You do not have to be in a relationship to enjoy, explore, and apply sacred sexuality. Sacred sexuality opens you to experiencing levels of ecstatic bliss and unconditional love and, most importantly, bringing these experiences into your daily life. Ultimately, it opens you to

living bliss, not just feeling it. This ecstatic vibration translates into consistently feeling unconditional love for all people and things. Michael Mirdad wisely integrates both Tantric and Taoist perspectives and practices in the loving, passionate, and respectful framework of sacred sexuality. **Carnival: A Novel** Watkins Media Limited This is the most popular book of Osho.

The Book of Mirdad Gildan Media LLC aka G&D Media You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind—the divinity within them and around them. Meditations &

Affirmations will show you how to create your own new reality through desire, imagination, and belief. *Memoirs of a Vagrant Soul Or the Pitted Face* Houghton Mifflin Harcourt "Elements of Tara Westover's *Educated...* The mill comes to represent something holy to [Eliese] because it is made not of steel but of people." —New York Times Book Review One woman's story of working in the backbreaking steel industry to rebuild her life—but what she uncovers in the mill is much more than molten metal and grueling working conditions. Under the mill's orange flame she finds hope for the unity of America. Steel is the only thing that shines in the belly of the mill... To ArcelorMittal Steel Eliese is known as #6691: Utility Worker, but this was never her dream. Fresh out of college, eager to leave behind her conservative hometown and come to terms with her Christian roots, Eliese found herself applying for a job at the local steel mill. The mill is everything she was trying to escape, but it's also her only shot at financial security in an economically devastated and forgotten part of America. In *Rust*, Eliese brings the reader inside the belly of

the mill and the middle American upbringing that brought her there in the first place. She takes a long and intimate look at her Rust Belt childhood and struggles to reconcile her desire to leave without turning her back on the people she's come to love. The people she sees as the unsung backbone of our nation. Faced with the financial promise of a steelworker's paycheck, and the very real danger of

working in an environment where a steel coil could crush you at any moment or a vat of molten iron could explode because of a single drop of water, Eliese finds unexpected warmth and camaraderie among the gruff men she labors beside each day. Appealing to readers of *Hillbilly Elegy* and *Educated*, *Rust* is a story of the humanity Eliese discovers in the most unlikely and hellish of

places, and the hope that therefore begins to grow. Penguin  
Sacred Sexuality: A Manual for Living Bliss  
Imagine how it feels to have the love essence of every particle in the universe dancing with delight to re-join the love essences

within your being. This is true desire, a vibration felt in and through all things and experienced as a unifying force. The practice of sacred sexuality is a celebration of true desire; it deepens your connection to the Spirit of love and awakens your body to become as passionate and alive as God originally intended. This book deals with everything imaginable about sex...expanding one's

consciousness through sexuality...and combining the practical benefits of both Tantric and Taoist perspectives and practices. I recommend Sacred Sexuality to my own students and readers. - Master Mantak Chia, author Taoist Secrets of Love ...an excellent overview of the tantric sexual practices...the first book in 20 years that I could wholeheartedly recommend. It should be on every tantric

bookshelf. - David A. Ramsdale, author Sexual Energy Ecstasy About Michael Mirdad Dr. Michael Mirdad, a Master Teacher/Author, has an extensive background in Psychology, Parapsychology & Metaphysics. He has worked as a Healer and Counselor to individuals & couples for over 20 years. Michael has also conducted thousands of classes, lectures & workshops

throughout the world on Mastery, Spirituality, Relationships, and Healing. Dr. Mirdad is respected as one of the finest and most diverse spiritual teachers and healers of our time.

A Journey in Ladakh

Penguin Books  
A classic of spiritual literature for fans of visionary, metaphysical, and mystical novels such as The Little Prince and The Alchemist Mikhail Naimy, a contemporary

of Kahlil Gibran, author of The Prophet, has woven legend, mysticism, philosophy and poetry into a powerful allegorical story that has touched the hearts of millions of readers. This timeless allegorical tale presents the teachings of Mirdad, abbot of a monastery that stands where Noah's Ark came to rest after the Flood. In a series of dialogues with his disciples, Mirdad offers

lessons on themes such as love, obedience, borrowing and lending, repentance, old age, and the cycle of life and death. Reissued for a new generation, this prophetic work calls on humankind to prepare for another deluge, greater than Noah's, when Heaven will be revealed on Earth. Includes a new foreword by Andrew Harvey, author of the bestselling A Journey in Ladakh and

several other seminal works of spirituality. *On Wings of a Lion* Grail Productions Incorporated From one of the greatest spiritual leaders of the twentieth century, Creativity: Unleashing the Forces Within will inspire you to nurture your inner ideas and innovations—and apply them in every aspect of your life. As Osho points out in this book’s foreword, historically, the creative person has

been all but forced to rebel against the society. But nowadays, the situation has dramatically changed. In today’s world, the ability to respond creatively to new challenges is demanded of everybody, from corporate CEOs to “soccer moms.” Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a

distinct disadvantage both in their relationships and in their careers. Making a switch from imitative and rule-bound behavior to creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities. Creativity is a handbook for those who understand the need to bring more creativity, playfulness, and flexibility to their lives.

It's a manual for thinking "outside the box"—and learning to live there as well. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along

with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Life and Death in One Breath**  
Independently Published  
A Course in Miracles is part of the foundation of nearly every single spiritual teacher and author today. With over two-

million copies sold, the Course is one of the best-selling books in self-help, "New Age" genre. Nevertheless, many students on the path find the material to be too complicated and heady. The Heart of A Course in Miracles explains the 12 primary concepts found in the Course in a powerful, yet clear and applicable manner. It brings the heart and soul back into the Course. Topics

A Course in Meditation shows how we can reclaim the meditative nature that we each come in to the world with, but lose over time as we are initiated into the ways of society. From beginners eager to find

stillness to more experienced meditators who wish to elevate their practice, Osho's guide to meditation can teach everyone to separate themselves from their minds for a transformation of consciousness that brings a new understanding of what it means to be alert and responsive to whatever life brings. "Without meditation you do not know the secrets of life,

you know only the surface of life." -OSHO Osho, known for his revolutionary contribution to the science of inner transformation , continues to inspire millions of people worldwide in their search to define a new approach to individual spirituality that is self-directed and responsive to the everyday challenges of contemporary life. Osho was described by UK's Sunday Times as one of the "1000 Makers of the

20th Century." His internationally bestselling works are available in 60 languages around the world. Fame, Fortune, and Ambition Flatiron Books This book contains an invaluable secret-a process that leads to deeper healing than most people have ever experienced or dreamed possible. Healing the Heart & Soul offers the essential ingredients for personal, life transformation , as well as providing a deeper understanding as to why some people don't seem to heal. It also covers the roles of forgiveness, mirroring, and miracles in relation to healing. Then it shares the specific technique of the five-step, Soul-Level Healing Process that will, in nearly every case, uncover the "real" cause (or causes) hidden behind any particular challenge or problem (physical, emotional, mental, financial, and even within relationships), thus making room for true transformation and healing. Soul-Level Healing can be defined as "a two-part process of Emptying one's cup of faulty belief systems AND Refilling this cup with new, healthy, and loving belief systems."
