Arming Americans to defend the truth from today's war on facts "In what could be the timeliest book of the year, Rauch aims to arm his readers to engage with reason in an age of illiberalism."

—Newsweek A New York Times Book Review Editors' Choice Disinformation. Trolling. Conspiracies.

Social media pile-ons. Campus intolerance. On the surface, these recent additions to our daily vocabulary appear to have little in common. But together, they are driving an epistemic crisis: a multi-front challenge to America's ability to distinguish fact from fiction and elevate truth above falsehood. In 2016 Russian trolls and bots nearly drowned the truth in a flood of fake news and conspiracy theories, and Donald Trump and his troll armies continued to do the same. Social media companies struggled to keep up with a flood of falsehoods, and too often didn't even seem to try. Experts and some public officials began wondering if society was losing its grip on truth itself. Meanwhile, another new phenomenon appeared: "cancel culture." At the push of a button, those armed with a cellphone could gang up by the thousands on anyone who ran afoul of their sanctimony. In this pathbreaking book, Jonathan Rauch reaches back to the parallel eighteenth-century developments of liberal democracy and science to explain what he calls the "Constitution of Knowledge"—our social system for turning disagreement into truth. By explicating the Constitution of Knowledge and probing the war on reality, Rauch arms defenders of truth with a clearer understanding of what they must protect, why they must do—and how they can do it. His book is a sweeping and readable description of how every American can help defend objective truth and free inquiry from threats as far away as Russia and as close as the cellphone.

Over the past decade, American outlets such as PolitiFact, FactCheck.org, and the Washington Post's Fact Checker have shaken up the political world by holding public figures accountable for what they say. Cited across social and national news media, these verdicts can rattle a political campaign and send the White House press corps scrambling. Yet fact-checking is a fraught kind of journalism, one that challenges reporters' traditional roles as objective observers and places them at the center of white-hot, real-time debates. As these journalists are the first to admit, in a hyperpartisan world, facts can easily slip into fiction, and decisions about which claims to investigate and how to judge them are frequently denounced as unfair play. Deciding What's True draws on Lucas Graves's

unique access to the members of the newsrooms leading this movement. Graves vividly recounts the routines of journalists at three of these hyperconnected, technologically innovative organizations and what informs their approach to a story. Graves also plots a compelling, personality-driven history of the fact-checking movement and its recent evolution from the blogosphere, reflecting on its revolutionary remaking of journalistic ethics and practice. His book demonstrates the ways these rising organizations depend on professional networks and media partnerships yet have also made inroads with the academic and philanthropic worlds. These networks have become a vital source of influence as fact-checking spreads around the world.

We're facing an information overload. With the quick tap of a finger we can access an endless stream of addictive information—sports scores, breaking news, political opinions, streaming TV, the latest Instagram posts, and much more. Accessing information has never been easier—but acquiring wisdom is increasingly difficult. In an effort to help us consume a more balanced, healthy diet of information, Brett McCracken has created the "Wisdom Pyramid." Inspired by the food pyramid model, the Wisdom Pyramid challenges us to increase our intake of enduring, trustworthy sources (like the Bible) while moderating our consumption of less reliable sources (like the Internet and social media). At a time when so much of our daily media diet is toxic and making us spiritually sick, The Wisdom Pyramid suggests that we become healthy and wise when we reorient our lives around God—the foundation of truth and the eternal source of wisdom.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to

notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Devil's Guard Abingdon Press

Returning to Gilead to care for her dying father, Glory Boughton is joined by her long-absent brother, with whom she bonds throughout his struggles with alcoholism, unemployment, and their father's traditionalist values.

The Gospel at Work Ballantine Books

The recent translation of a Babylonian tablet launches a groundbreaking investigation into one of the most famous stories in the world, challenging the way we look at ancient history. Since the Victorian period, it has been understood that the story of Noah, iconic in the Book of Genesis, and a central motif in Judaism, Christianity and Islam, derives from a much older story that existed centuries before in ancient Babylon. But the relationship between the Babylonian and biblical traditions was shrouded in mystery. Then, in 2009, Irving Finkel, a curator at the British Museum and a world authority on ancient Mesopotamia, found himself playing detective when a member of the public arrived at the museum with an intriguing cuneiform tablet from a family collection. Not only did the tablet reveal a new version of the Babylonian Flood Story; the ancient poet described the size and completely unexpected shape of the ark, and gave detailed boat building specifications. Decoding this ancient message wedge by cuneiform wedge, Dr. Finkel discovered where the Babylonians believed the ark came to rest and developed a new explanation of how the old story ultimately found its way into the Bible. In *The Ark Before Noah*, Dr. Finkel takes us on an adventurous voyage of discovery, opening the door to an enthralling world of ancient voices and new meanings.

God Breathed Random House

This book will help you: Recognize what information to fact-check Identify the quality and ranking of source materials Learn to fact-check a variety of media types: newspaper; magazine; social media; public and commercial radio and television, books, films, etc. Navigate relationships with editors, writers, and producers Recognize plagiarism and fabrication Discern conflicting facts, gray areas, and litigious materials Learn record keeping best practices for tracking sources Test your own fact-checking skills An accessible, one-stop guide to the why, what, and how of contemporary editorial fact-checking. Over the past few years, fact-checking has been widely touted as a corrective to the spread of misinformation, disinformation, conspiracy theories, and propaganda through the media. "If journalism is a cornerstone of democracy," says author Brooke Borel, "then fact-checking is its building inspector." In *The Chicago Guide to Fact-Checking*, Borel, an experienced fact-checker, draws on the expertise of more than 200 writers, editors, and fellow checkers representing the *New Yorker*, *Popular Science*, *This American Life*, *Vogue*, and many other outlets. She covers best practices for editorial fact-checking in a variety of media—from magazine and news articles, both print and online, to books and podcasts—and the perspectives of both in-house and freelance checkers. In this second edition, Borel covers the evolving media landscape, with new guidance on checking audio and video sources, polling data, and sensitive subjects such as trauma and abuse.

The sections on working with writers, editors, and producers have been expanded, and new material includes fresh exercises and advice on getting fact-checking gigs. Borel also addresses the challenges of fact-checking in a world where social media, artificial intelligence, and the metaverse may make it increasingly difficult for everyone—including fact-checkers—to identify false information. The answer, she says, is for everyone to approach information with skepticism—to learn to think like a fact-checker. *The Chicago Guide to Fact-Checking* is the practical—and thoroughly vetted—guide that writers, editors, and publishers continue to consult to maintain their credibility and solidify their readers' trust.

Jesus Outside the Lines Harper Collins

These days fact-checking can seem like a lost art. *The Fact Checker's Bible* arrives not a moment too soon: it is the first—and essential—guide to the important but increasingly neglected task of checking facts, whatever their source. We are all overwhelmed with information that claims to be factual, but even the most punctilious researcher, writer, and journalist can sometimes get it wrong, so checking facts has become a more pressing task. Now Sarah Harrison Smith, former *New Yorker* fact checker and currently head of checking for *The New York Times Magazine* explains exactly how to: *Reading for accuracy *Determine what to check *Research the facts *Assess sources: people, newspapers and magazines, books, the Internet, etc. *Check quotations *Understand the legal liabilities *Look out for and avoid the dangers of plagiarism For everyone from students to journalists to editors, the methods and practices outlined in *The Fact Checker's Bible* provide both a standard and a working manual for how to get the facts right.

And when God spoke, things happened. Recapture the awe, the mystery, the passion and power of scripture in *God-Breathed*--where you'll personally experience a life transformed by the One who spoke everything into existence, including you.

Getting Jefferson Right Turtleback Books

Prolific storyteller Jane Yolen marks the 400th anniversary of the *Mayflower's* arrival by channeling the voice of Plymouth Rock itself. A funny (and fact-checked!) look at a historical monument. The history of Plymouth Rock is explained--by the rock itself. Playful, clever verses offer a comprehensive window into the events leading up to the 1620 landing and beyond, dispelling common misconceptions along the way. Alternating with Rock's poems is a witty analysis of the truthfulness of its statements, told in the voice of the Fact Checker. Truly a book for today's savvy media consumers.

The Lifespan of a Fact Liberatio Protocol

God can do anything, but did you know He has already done everything? Instead of asking the Lord to do something for you - revive you, heal you, bless you, prosper you - accept what He has already done for you through the death, burial, and resurrection of Jesus Christ. God has left you precious promises in His Word and those promises belong to you right now through Christ. As you see for yourself what God has already done for you and in you, your walk with Him will become a joy and an adventure you never thought possible. Your faith in Him will be quickened, your heart encouraged,

and your feet firmly set on His pathway of victory.

Test Your Bible Knowledge Macmillan

Presents the history of the translation of the Bible into English, from the fourteenth century to the twentieth century.

What's Best Next W. W. Norton & Company

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post

Between You & Me: Confessions of a Comma Queen B&H Publishing Group

Who fact-checks the fact-checkers? An industry that started in the 1990s by fact-checking chain emails and Bigfoot sightings has evolved over the past decade into the American political left's strongest tool in justifying the censorship of their political opposition and shaping the national narrative in their favor. There may have been a brief era where the fact-checkers fact-checked facts—now they fact-check reality itself.

Read and Learn Bible University of Chicago Press

Get ready to be entertained with more than 300 "jam-packed" pages of unusual, bizarre and often humorous political facts in American politics. These are not the facts that you were taught in Politics 101. Sound smart at your next cocktail party or at the local coffee shop when the conversation turns to politics; you will easily be able to weave these fascinating facts into the conversation. Political junkies and casual political observers alike will enjoy this book. It's a fun read. In fact, the book makes the perfect gift. This book is bursting with interesting facts and pictures pertaining to American Presidents, Vice Presidents, Cabinet Members, First Ladies, Members of Congress, Supreme Court Justices, Governors, and local elected officials. Find out the real story behind the following political peculiarities: *The belief by some that George Washington should not be considered America's First President. *A President's last words as he ate his soup: "The Nourishment is palatable." *A Governor once vetoed a bill for "bad spelling, improper punctuation and erasures." *A political candidate, who after losing an election, complained: "The people have spoken, The Bastards." *Hillary Clinton was the President of the Young Republicans at Wellesley College. *A U.S.

President who has been forgotten in the U.S., but who is worshiped in Paraguay and has a national holiday named after him in that country. *After losing re-nomination by his own party, one President deadpanned: "There's nothing left to do but get drunk." *A First Lady who enjoyed conversing on her CB radio from the White House using the handle "First Mamma." *A President gave a Pope a bust of "himself" as a gift. *One state had a 24-year-old Governor. *A President who in his earlier life worked as a custodian and an auto mechanic. *A staph infection that may have altered the course of history. *A losing Presidential candidate who speculated that his unwillingness to appear on the weekly TV comedy show "Rowan & Martin's Laugh In" may have cost him the election. *A President whose birth name was Leslie Lynch King. *A Vice President who regularly presided drunk over the U.S. Senate. *A state where prisoners make license plates that read: "Live free or die." *A Vice President who needed additional income took a leave of absence to open a tavern and spa. *A future President who was the head cheerleader at his High School football games. *A Congressman who called a colleague on the House floor a "Howdy-Doody-looking nimrod." *A President that was so large that he got stuck in a White House bathtub and needed assistance in getting out. *A Congressman who issued a press release deriding the organization known as Americans for Tax Reform as "Lying Sacks of Scum." *A future President who came in second in the Iowa Caucuses to "None of the above" *A U.S. Senate candidate who appeared on the ballot as "God Almighty" *A former 12-year Governor who "subsequently" became a bank teller. *That one Secretary of State had never left the U.S. before taking office. *A Supreme Court Justice who wrote in the Majority Opinion regarding forced sterilization: "Three Generations of Imbeciles is enough." *A President's last words as his wife was reading him the newspaper: "Could you please read that again?" *Two brothers who ran against each other for the Governorship of Tennessee.

The Byline Bible Anchor

A Valuable Guide to the Errors and Omissions in the Blockbuster Novel and Film The Da Vinci Codebreaker provides answers to the questions readers most often ask about the popular novel. Included are more than 400 terms, people, locations, events, and definitions, including explanations that are historically and theologically correct--all arranged in an easy-to-use dictionary style. Ideal for Christians who want the facts and seekers who want more information about the claims of the novel and film.

How the Nations Rage Simon and Schuster

Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, today's media pushes each one of us into a frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. Jesus Outside the Lines presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward—away from harshness, caricatures, and stereotypes. In Jesus Outside the Lines, you will experience a fresh perspective of Jesus, who will not (and should not) fit into the sides.

Associated Press Stylebook And Libel Manual 2000 Ed Oxford University Press, USA

Winner of the National Press Club's Arthur Rowse Award for Press Criticism! From Craig Silverman,

proprietor of www.RegretTheError.com, comes a lively journey through the history of media mistakes via a chronicle of funny, shocking, and often disturbing journalistic slip-ups. The errors—running the gamut from hilarious to tragic—include "Fuzzy Numbers" (when numbers and math undermine reporting) "Obiticide" (printing the obituary of a living person), and "Unintended Consequences" (typos and misidentifications that create a new, incorrect reality). While some of the errors are laugh-out-loud funny, the book also offers a serious investigation of contemporary journalism's lack of accountability to the public, and a rousing call to arms for all news organizations to mend their ways and reclaim the role of the press as honest voice of the people.

[She Reads Truth](#) InterVarsity Press

NEW YORK TIMES BESTSELLER • Trailblazing food writer and beloved restaurant critic Ruth Reichl took the job (and the risk) of a lifetime when she entered the high-stakes world of magazine publishing. Now, for the first time, she chronicles her groundbreaking tenure as editor in chief of *Gourmet*. "A must for any food lover . . . Reichl is a warm, intimate writer. She peels back the curtain to a glamorous time of magazine-making. You'll tear through this memoir."—*Refinery29* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** *Real Simple* • *Good Housekeeping* • *Town & Country* When Condé Nast offered Ruth Reichl the top position at America's oldest epicurean magazine, she declined. She was a writer, not a manager, and had no inclination to be anyone's boss. Yet Reichl had been reading *Gourmet* since she was eight; it had inspired her career. How could she say no? This is the story of a former Berkeley hippie entering the corporate world and worrying about losing her soul. It is the story of the moment restaurants became an important part of popular culture, a time when the rise of the farm-to-table movement changed, forever, the way we eat. Readers will meet legendary chefs like David Chang and Eric Ripert, idiosyncratic writers like David Foster

Wallace, and a colorful group of editors and art directors who, under Reichl's leadership, transformed stately *Gourmet* into a cutting-edge publication. This was the golden age of print media—the last spendthrift gasp before the Internet turned the magazine world upside down. Complete with recipes, *Save Me the Plums* is a personal journey of a woman coming to terms with being in charge and making a mark, following a passion and holding on to her dreams—even when she ends up in a place she never expected to be. Praise for *Save Me the Plums* "Poignant and hilarious . . . simply delicious . . . Each serving of magazine folklore is worth savoring. In fact, Reichl's story is juicier than a Peter Luger porterhouse. Dig in."—*The New York Times Book Review* "In this smart, touching, and dishy memoir . . . Ruth Reichl recalls her years at the helm of *Gourmet* magazine with clear eyes, a sense of humor, and some very appealing recipes."—*Town & Country* "If you haven't picked up food writing queen Ruth Reichl's new book, *Save Me the Plums*, I highly recommend you fix that problem. . . . Reichl is in top form and ready to dish, with every chapter seeming like a dedicated behind-the-scenes documentary on its own."—*Soleil Ho, San Francisco Chronicle*

The James Brown Reader Zondervan

Timeless stories from the Bible for children and parents to share. Parents and children can deepen their understanding of the Bible by reading Bible stories together. The *Read and Learn Bible* features stories from the Old and New Testament including: Genesis, Noah and the Flood, Exodus, Daniel in the Lion's Den, The Story of Queen Esther, The Nativity, Jesus the Teacher, Jesus Comes to Jerusalem, and many more. Illustrated in full color with callouts to help deepen the meaning of the stories, and parent pages to help in discussion, this is a Bible that children can share with their parents, and that parents will want to share with their children.
