There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

How to Effectively Challenge the Jurisdiction of the Court - With Sample Motion to Dismiss and Notice of Default

This Handbook is designed to help people dealing with civil lawsuits in federal court without legal representation. Proceeding without a lawyer is called proceeding "pro se1," a Latin phrase meaning "for oneself," or sometimes "in propria persona," meaning "in his or her own person." Representing yourself in a lawsuit can be complicated, time consuming, and costly. Failing to follow court procedures can mean losing your case. For these reasons, you are urged to work with

a lawyer if possible. Chapter 2 gives suggestions on finding a lawyer. Do not rely entirely on this Handbook. This Handbook provides a summary of civil lawsuit procedures, but it may not cover all procedures that may apply in your case. It also does not teach you about the laws that will control your case. Make sure you read the applicable federal and local court rules and do your own research at a law library or online to understand your case. The United States District Court for the Northern District of California has Clerk's Offices in the San Francisco, San Jose and Oakland courthouses. Clerk's Office staff can answer general questions, but they cannot give you any legal advice. For example, they cannot help you decide what to do in your lawsuit, tell you what the law means, or even advise you when documents are due. There are Legal Help Centers in the San Francisco, Oakland and San Jose courthouses where you can get free help with your lawsuit from an attorney who can help you prepare documents and give limited legal advice. This attorney will not be your lawyer and you will still be representing yourself. See Chapter 2 for more details.
