Studio One is the legendary Jamaican reggae label

that launched onto the world Bob Marley and the Wailers. As iconic as Motown was to soul, or Blue Note for Jazz, Studio One was the creation of one great figurehead Clement Sir Coxsone Dodd. This deluxe hard-back book is the first ever to tell the story of Studio One and the many artists that it produced. The book features hundreds of stunning full size record cover designs of Studio One

and original artwork as well as rare and exclusive photographs, original flyers and artist interviews. In the 1950s Clement Dodds Downbeat Soundsystem was the most important sound system in downtown Kingstons burgeoning dancehall scene, fighting off the competition of Duke Reid, Tom the Great Sebastian and others. Dodd began producing his own records in the late 1950s and in 1963,

the year after Jamaican Independence, he launched Studio One. Described by Chris Blackwell as the University of Reggae, Studio One is by far the most important record label in the history of Reggae music, an A-Z of Jamaican music. It is where Bob Marley and the Wailers, Horace Andy, Alton Ellis, Freddie McGregor, The Skatalites, Marcia Griffiths, Burning Spear, The

With over 25 studio albums to his name, Cliff is the only living musician to hold the Order of Merit for his contributions to Jamaican

Born James Chambers into an underdeveloped country town near Jamaica's north coast, Cliff has battled poverty, controversy, and prejudice indeed, his starring role as Ivan in the groundbreaking film *The Harder They Come* drew on aspects of Jimmy's own youthful experiences.
