Pick Big Little Lies meets Presumed Innocent in this "irresistible domestic drama" (Washington Post) from the New York Times bestselling author of *Reconstructing Amelia*, in which a woman's brutal murder reveals the perilous compromises some couples make—and the secrets they keep—in order to stay together. Lizzie Kitsakis is working late when she gets the call. Grueling hours are standard at elite law firms like Young & Crane, but they'd be easier to swallow if Lizzie was there voluntarily. Until recently, she'd been a happily underpaid federal prosecutor. That job and her brilliant, devoted husband Sam—she had everything she'd ever wanted. And then, suddenly, it all fell apart. No. That's a lie. It wasn't sudden, was it? Long ago the cracks in Lizzie's marriage had started to show. She was just good at averting her eyes. The last thing Lizzie needs right now is a call from an inmate at Rikers asking for help—even if Zach Grayson is an old friend. But Zach is desperate: his wife, Amanda, has been found dead at the bottom of the stairs in their Brooklyn brownstone. And Zach's the primary suspect. As Lizzie is drawn into the dark heart of idyllic Park Slope, she learns that Zach and Amanda weren't what they seemed—and that their friends, a close-knit group of fellow parents at the exclusive Brooklyn Country Day school, might be protecting troubling secrets of their own. In the end, she's left wondering not only whether her own marriage can be saved, but what it means to have a good marriage in the first place.

I'm a full-time single dad to three daughters and CFO at Cloverleigh Farms. I don't have time to fall in love—I'm too busy trying to run a business, keep the red socks out of the white laundry, and get the damn pillowcases on without owing a dollar to the swear jar. Sure, Frannie Sawyer is beautiful and sweet, but she's twenty-seven, the boss's daughter, and my new part-time nanny—which means she's completely off-limits. It's bad enough I can't stop fantasizing about her, what kind of jerk would I be if I acted on the impulse to kiss her? (Exactly the kind of jerk you're thinking.) Actually, I'm worse than that—because I didn't stop with a kiss, and now I can't stay away. She makes me feel like myself again. She reminds me what it's like to want something just for me. She's everything I ever needed, but nothing I ever imagined. I'm a former Marine. I should have had the strength to resist her from the start. But I didn't. And now I have to choose between the life I want and the life she deserves. Even if it means giving her up.
