Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of

the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Life Tor Books

What if you were told that you could make a fortune just by pushing a button on a box? But pressing this button will simultaneously cause the death of another human being somewhere in the world . . . someone you don't know. Would you still push the button?

"Button, Button," Richard Matheson's chilling tale of greed and temptation, is now the basis of *The Box*, the new film from the director of *Donnie Darko*. In addition, this outstanding collection also contains many other

unforgettable stories by Matheson, the award-winning author of I Am Legend and What Dreams May Come. "The inventive plots and spare but convincing portraits of ordinary men and women caught up in forces beyond their control demonstrate why Stephen King has called Matheson his most significant influence." --Publishers Weekly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Ghost Marriage
Dramatists Play Service, Inc.
A thrilling new series soars above the competition and redefines middle-grade fantasy fiction for a new generation!The seven dragon tribes have been at war for generations, locked in an endless battle over an ancient, lost treasure. A secret movement called the

Talons of Peace is determined to bring an end to the fighting, with the help of a prophecy -- a foretelling that calls for great sacrifice.Five dragonets are collected to fulfill the prophecy, raised in a hidden cave and enlisted, against their will, to end the terrible war.But not every dragonet wants a destiny. And when the select five escape their underground captors to look for their original homes, what has been unleashed on the dragon world may be far more than the revolutionary

 In an effort to escape the
 hypocrisies of life at his
 boarding school, sixteen-
 year-old Holden Caulfield
 seeks refuge in New York
 City.

Le Monde de l'éducation
 Scholastic Inc.
 In these nine
 unforgettable and
 impressionistic 'tales of
 little madness', the Nobel
 Prize-winning author Le
 Clézio explores how the
 physical sensations we
 experience every day can
 be as strong as feelings of
 love or hate, with their
 power to bring chaos to
 our lives. In 'The Day that
 Beaumont became
 Acquainted with his Pain',
 a man with toothache
 spends the night seeking
 ways to disown his
 throbbing jaw; in 'Fever',

Roch finds his mind transported by sunstroke; while in 'A Day of Old Age' little Joseph tries to comprehend the physical suffering of a dying old woman. Set in a timeless, spaceless universe, these experimental and haunting works portray the landscape of the human consciousness with dazzling verbal dexterity and power. *The Test* Liveright Publishing

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the

Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels,

whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

"The Beatles for the 21st Century" – BBC BTS have exploded onto the global music scene with their distinctive brand of music, impressive choreography,

and socially conscious lyrics. With multiple chart-topping albums and record-breaking music videos under their belts, these seven-men—RM, Suga, J-Hope, Jin, V, Jimin, and Jungkook—are an unstoppable force and an international phenomenon. In *Blood, Sweat & Tears*, K-pop columnist Tamar Herman explores the group's origins, meteoric rise, wide-ranging activism, and close-knit relationship with their fans. With full color photos, spotlights on each member, and a play-

by-play of their discography, this book is a celebration of all things BTS and a must-have for fans worldwide! -- VIZ Media
Where's Wally?
 Multilingual Matters
 A New York Times Editors Choice Selection A global sensation, Kim Jiyoung, *Born 1982* "has become...a touchstone for a conversation around feminism and gender" (Sarah Shin, Guardian). One of the most notable novels of the year, hailed by both critics and K-pop stars alike, Kim Jiyoung,

Born 1982 follows one woman's psychic deterioration in the face of rampant misogyny. In a tidy apartment on the outskirts of Seoul, millennial "everywoman" Kim Jiyoung spends her days caring for her infant daughter. But strange symptoms appear: Jiyoung begins to impersonate the voices of other women, dead and alive. As she plunges deeper into this psychosis, her concerned husband sends her to a psychiatrist. Jiyoung narrates her story to this

doctor—from her birth to parents who expected a son to elementary school teachers who policed girls' outfits to male coworkers who installed hidden cameras in women's restrooms. But can her psychiatrist cure her, or even discover what truly ails her? "A social treatise as well as a work of art" (Alexandra Alter, *New York Times*), Kim Jiyoung, Born 1982 heralds the arrival of international powerhouse Cho Nam-Joo.

Oxford University Press

A man places five objects

in his father's coffin and

tells no one. Can a

medium tell him what

they are? Can we

communicate with the

dead? Some people hope

it's possible, and some

are sure of it. Thousands

of people consult

mediums, but many

wonder if their abilities

are real. To find out for

himself, author Stéphane

Allix interviews six

mediums. Without telling

them that they are being tested, Allix sees if they can name the five objects he secretly placed in his father's coffin before it was buried. The results are astounding and confirm what scientific research on the subject has revealed: that life after death is indeed a rational hypothesis.

Beyond his own test, Allix explores the stories of each psychic and what they've learned from their experiences: How does one become a medium? Is it a gift or a curse? How do the deceased describe

the transition between life and death? Where do we go when we die? The Test addresses all of these questions and more, leading us to discover a reality that is both simple and amazing: it is possible to communicate with our loved ones beyond the grave. Allix invites readers to discover what months of investigation and interviews have brought him to understand about the end of life, death, the afterlife, and communication with the other side. In the last chapter, renowned French

psychiatrist Christophe Fauré, who specializes in end-of-life care and coming to terms with death, speaks about the unique journey of grief and offers some friendly advice about death and mediumship.

"A young boy expresses

his love for his friend Jerome"--

Le Monde

This book takes a linguistic approach to translation issues, looking first at the structural view of language that explains the difficulty of translation and at theories of cultural non-equivalence. A subsequent chapter on text types, readership and the translator's role completes the theoretical framework. The linguistic levels of analysis are then discussed in ascending order, from morpheme up to sentence, while a

summarising chapter considers various translation types and strategies, again considered in relation to text type, author and reader.

The Negro Motorist Green Book

Remember that murderous semi chasing Dennis Weaver down a lonely stretch of desert highway? *Duel*, Steven Spielberg's acclaimed first film, was adapted by Richard Matheson from his unforgettable story of the same name. But "*Duel*" is only one of the

classic suspense tales in this outstanding collection of stories by the Grand Master of Horror, which also contains Matheson's legendary first story, "Born of Man and Woman," as well as several stunning shockers that inspired memorable episodes of *The Twilight Zone*, including "Little Girl Lost," "Steel," and "Third from the Sun." Like Matheson's previous collection, *Nightmare at 20,000 Feet*, this collection is an indispensable treasure trove of terror from the

New York Times bestselling author of *I Am Legend* and *What Dreams May Come*.

Bohemian Rhapsody

Ce recueil de nouvelles a été spécialement conçu pour les étudiants de BTS, en lien avec

"L'extraordinaire", le thème au programme 2017-2018. (d'après le 4e de couverture)

Who Knows?.

Qu'ont en commun une chaussure sur un toit, une fille tombée à la mer, une pluie de neige et un vol de sac à main ? A première vue, rien. Si ce

n'est que tous sont des faits rares et singuliers, sources d'émotions fortes - entre interrogation, émerveillement et redécouverte du monde. Que tous donnent lieu à un récit étonnant dévoilant ce que la vie

peut avoir de répétitif ou de banal, et l'événement d'exceptionnel et d'inédit. Rien, donc, si ce n'est que tous relèvent de l'extraordinaire. Spécialement conçu pour les étudiants de BTS, en

lien avec "L'extraordinaire", le thème au programme 2017-2018, 9 Histoires extraordinaires est le recueil indispensable pour nourrir l'épreuve d'écriture personnelle à l'examen !
